The Association agrees to indemnify and hold the City harmless from any claims arising out of the City's authorized deduction of said dues according to the terms and conditions of this contract. In return, the Association agrees, for itself and its members, that they will individually and collectively perform loyal and efficient work and service and use their influence and best efforts to reasonably promote and advance the interest of the taxpayers of the City of Dover, New Hampshire, and all as may be consistent with the spirit of this contract.

The cash payments shall be made in weekly installments during the corresponding benefit plan year. Payments to new employees shall be prorated for the fiscal year based on when their coverage would have begun. Current employees eligible for the paid retiree health insurance coverage will be provided the option to forgo such future paid health coverage by electing to enroll in the employer sponsored 457 savings program and also receiving the 50% matching City contribution capped at \$1,000/year per employee.

6.1 For those employees retaining the paid health insurance coverage for retirees benefit, the City shall pay the monthly health insurance premium up to an amount equal to that paid for active members of the bargaining unit for a retiree with twenty years continuous employment with the City. This retiree health benefit shall be limited to the group health insurance benefit plan available to active members of the bargaining unit. In the event no group health insurance is available to the active members of the bargaining unit, the City's sole obligation is to tender to the retired employee an amount equal to the premium paid by the City for such retired employee when coverage was available.

6.1.1 Following retirement, an employee must file for a reduction in coverage due to a change in family/marital status. In no event shall a retired employee be permitted to opt for increased membership coverage.

6.1.2 The retired employee shall coordinate this coverage with Medicare and any other federal/state retiree health insurance related programs that may be available to the retired employee.
