

# Dover Community Trail Expansion Transportation Alternatives Program 2016/2017

-  Multifamily Housing
-  Park
-  School
-  Trailhead
-  Existing Path In Need of Improvement
-  Proposed Paved Path
-  Existing Sidewalks
-  Current TAP Project
-  Existing Trail
-  Recreation Areas
-  Conservation Land

The City of Dover proposes to use TAP funds to connect existing trails to the High School and Middle School to the current Community Trail Expansion Project. If 2.5 miles of new trail along the Bellamy River and past many multifamily housing developments is approved, Dover's multimodal trail system will be more than 5.5 miles overall.

Continues downtown and to rural trails
