

Support the Teen Center

SPONSOR OPPORTUNITIES

Youth programs often can't do it all on their own.

Partnerships with local businesses and other non-profit organizations play an integral role in program quality. Because of our partners, the Dover Teen Center continues to thrive, and offer valuable after school and summer opportunities and experiences for our area youth.

To the right is a list of the many businesses and organizations that have partnered with the Dover Teen Center. We are forever grateful for the generosity shown by each.
