INTRODUCTION

The local governing body, as defined in RSA 672:6, of every town and city in the state shall adopt written guidelines relative to general assistance. The guidelines shall include, but not be limited to the following:

- A. The process for application for general assistance.
- B. The criteria for determining eligibility.
- C. The process for appealing a decision relative to the granting of general assistance.

These Guidelines include general factors to be considered when determining "need." This is not a guarantee of assistance, or a formula used. V. MAINTENANCE OF RECORDS

A. Legal Requirement

Each Welfare Official is required by RSA 41:46 to keep complete paper and/or electronic records concerning the number of applicants given assistance and the cost of such support. Separate case records shall be established for each individual or family applying for general assistance. A paper copy of these records will be kept during the active phase of any application plus 7 years, after which they will be destroyed. The purpose for keeping such records is:

1. To provide a valid basis of accounting for expenditure of the municipality's funds;

3. To assure availability of information if the applicant or recipient seeks administrative or judicial review of the welfare official's decision;

4. To provide the Welfare Official with accurate statistical information; and

VI. APPLICATION PROCESS

A. Right to Apply

1. Anyone may apply for general assistance by appearing in person or through authorized representation (if in person is impossible) and completing a written or available electronic application form. If more than one adult resides in a household, each may be required to appear at the welfare office and apply for assistance, unless one is working at a place of employment or otherwise reasonably unavailable.

Unrelated adults in the applicant's residential unit may be required to apply separately if they do not meet the definition of household as defined in these guidelines. Each adult in the household may be requested to sign a separate release of information forms.

2. The Welfare Official shall not be required to accept an application for general assistance from a recipient who is subject to a suspension pursuant to Section XIII(C) of these guidelines (RSA 165:1-b, VI); provided that any applicant who contests a determination of continuing noncompliance with the guidelines may request a fair hearing as provided in Section XIII (C)(7); and provided further that a recipient who has been suspended for at least six months due to continued noncompliance may submit a new application.

B. Welfare Official's Responsibilities at Time of Application

When an application is made for general assistance, the Welfare Official shall inform the applicant of:

1. The requirement of submitting an application and intake form. The Welfare Official shall provide assistance to the applicant in completing the application, if necessary (e.g. applicant is physically or mentally unable to complete the application);
2. Eligibility requirements, including a general description of the guideline amount and the eligibility formula;
3. The applicant's right to a fair hearing and the manner in which a review may be obtained, if sought;
4. The applicant's responsibility for reporting all facts necessary to determine eligibility and for presenting records and documents as requested and as reasonably available to support statements;
5. The joint responsibility of the Welfare Official and applicant to exploring facts concerning eligibility, needs and potential resources;
6. Verifications needed as listed in Section VII;
7. That an investigation will be conducted in order to verify facts and statements presented by the applicant;
8. The applicant's responsibility to notify the Welfare Official of any change in circumstances that may affect eligibility;
9. Other forms of assistance for which the applicant may be eligible if sought;
10. The requirement of placing a lien on any real property owned by the recipient, or any civil judgments or property settlements, for any assistance given, except for good cause;
11. Reimbursement from the recipient will be sought if he/she becomes able to repay the amount of assistance given; and
12. The applicant's right to review the guidelines, if sought.
13. The availability of the Welfare Official to make home visits by mutually-agreed appointment to take applications and to conduct ongoing case management for applicants who cannot leave their homes;
14. The applicant's responsibility not to voluntarily terminate employment without good cause, as required by RSA 165:1-d;
15. The fact that the Child Protection Act requires the Welfare Official, or any other person, who has reason to believe that a child under the age 18 has been abused or neglected, to report that suspicion immediately to NH DHHS Division of Children, Youth and Families (DCYF). RSA 169-C:29-31;
16. The fact that the Adult Protection Law requires the Welfare Official, or any person, who has reason to believe that a venerable adult has been subjected to abuse, neglect, exploitation or

self-neglect, to make a report immediately to the NH DHHS Bureau of Elderly & Adult Services (BEAS). RSA 161-F:46; and

17. Any other responsibility the applicant has or will have, as provided in Section VI C.

C. Responsibility of Each Applicant and Recipient

At the time of initial application, and at all times thereafter, the applicant/recipient has the following responsibilities:

1. To provide accurate, complete and current information concerning needs and resources and the whereabouts and circumstances of relatives who may be responsible under RSA 165:19;
2. To notify the Welfare Official promptly when there is a change in needs, resources, address, or household size;
3. To apply for immediately, but no later than seven (7) days from completed application, and accept any benefits or resources, public or private, that will reduce or eliminate the need for imminent or potential future general assistance. RSA 165:1-b, I(d);
4. To keep all appointments as scheduled;
5. To provide records and other pertinent information and access to said records and information when requested;
6. To provide a verifiable doctor's statement if claiming an inability to work due to medical problems;
7. Following a determination of eligibility for assistance, to diligently search for employment, and provide a verifiable job search as determined by the Welfare Official, to accept employment when offered (except for documented reasons of good cause (RSA 165: 1-d)), and to maintain such employment. RSA 165:1-b (c);
8. Following a determination of eligibility for assistance, to participate in the workfare program (if required) and if physically and mentally able. RSA 165: 1-b, I(b); and
9. To reimburse assistance granted if returned to an income status and if such reimbursement can be made without financial hardship. RSA 165:20-b.

An applicant shall be denied assistance if he/she fails to fulfill any of these responsibilities without reasonable justification. A recipient's assistance may be terminated or suspended for failure to fulfill any of these responsibilities without reasonable justification, in accordance with Section XIII(C).

Any recipient may be denied or terminated from general assistance, in accordance with Section XIII, or may be prosecuted for a criminal offense, if he/she, by means of intentionally false statements or intentional misrepresentation, or by impersonation or other willfully fraudulent act or devices, obtains or attempts to obtain any assistance to which he/she is not entitled.

D. Actions on Applications

1. Decision: The Welfare Official uses these guidelines and the general factors contained herein, to determine the eligibility of an applicant/ recipient, while ensuring that each applicant/ recipient

receives due process. Unless an application is withdrawn, the Welfare Official shall make a decision concerning the applicant's eligibility immediately in the case of emergency, or within five (5) working days after submission of the application. Business hours are considered to be Monday through Friday during posted operating hours of the municipality. A written notice of decision shall be provided on the same day or next business/working day following the making of the decision. The notice of decision shall state that assistance of a specific kind and amount has been given and the time period of aid, or that the application has been denied, in whole or in part, with reasons for denial. The notice of decision shall contain a first notice of conditions for assistance and shall notify the applicant of his/her right to a fair hearing if dissatisfied with the Welfare Official's decision.

2. Pending Notice of Decision: A decision may also be made to pend an application subject to receipt of specified information, documentation, or verifications from the applicant within a specific amount of time not to exceed five (5) business days.
3. Emergency Assistance: If, at the time of initial contact, the applicant demonstrates and verifies that an emergency need exists, because of which the applicant may suffer a loss of a basic necessity of living and imminent threat to life or health (such as loss of shelter, utilities, heat, lack of food, or life-saving/sustaining prescriptions) and no reasonable alternative can be found, then temporary aid to fill such immediate need shall be provided to prevent the imminent threat to life or health, pending a decision on the application. Such emergency assistance shall not obligate the Welfare Official to provide further assistance after the application process is completed.
4. Temporary Assistance: In circumstances where required records are not available, the Welfare Official may give temporary limited approval of an application pending receipt of required documents. Temporary status shall not extend beyond two (2) weeks. The Welfare Official shall not insist on documentary verification if such records are totally unavailable.
5. Withdrawn Applications: An application shall be considered withdrawn if:
 - a. The applicant has refused to complete an application or has refused to make a good faith effort to provide required verifications and sufficient information for the completion of an application. If an application is deemed withdrawn for these reasons, the Welfare Official shall so notify the applicant in a written notice of decision;
 - b. The applicant dies before assistance is rendered;
 - c. The applicant avails him/herself of other resources to meet the need in place of assistance;
 - d. The applicant requests that the application be withdrawn (preferably in writing); or
 - e. The applicant does not contact the Welfare Official after the initial interview after being requested to do so.

E. Home Visits

A home visit may be made by a mutually agreed appointment at the request of any applicant, but only when it is impossible for the applicant or their representative to apply in person. Home visits will be made

in pairs (i.e. no Welfare Official shall make a home visit alone). If an in-person home visit is impossible, as deemed by the Welfare Official, a telephonic or video appointment may occur.

The home visit shall be conducted in such a manner as to preserve, to the greatest extent possible, the Welfare Official's health and safety, and the privacy and dignity of the applicant. To this end, the person conducting the visit shall not be in uniform or travel in a marked law enforcement vehicle, shall be polite and courteous, and shall not knowingly discuss or mention the application within the listening area of someone who is not a member of the household.

Applicant housing is expected to meet local health and safety codes standards. During the house visit the Welfare Official may discuss any in line of sight possible housing safety code violations by the landlord/owner with the applicant and may report all possible violations to proper municipal departments/authorities.

VII. VERIFICATION OF INFORMATION

Any determination or investigation of need or eligibility shall be conducted in a manner that will not violate the privacy or personal dignity of the individual or harass or violate his/her individual rights.

A. Required Verifications

Verification will be required of the following:

1. Applicant's address;
2. Facts relevant to the applicant's residence, as set forth in Section IX(B) and X.
3. Names of persons in applicant's residential unit;
4. Applicant's and household income and assets;
5. Applicant's and household's financial obligations;
6. The physical and mental condition of household members, only where relevant to their receipt of assistance, such as ability to work at a place of employment, determination of needs or referral to other forms of assistance;
7. Any special circumstances claimed by applicant;
8. Applicant's employment status and availability in the labor market;
9. Names, addresses, and employment status of potentially liable relatives;
10. Current utility costs;
11. Current housing costs;
12. Current prescription costs; and
13. Any other costs that the applicant wishes to claim as a necessity.

B. Verification Records

Verification may be made through records provided by the applicant (for example, birth and marriage certificates, pay stubs, pay checks, rent receipts, bank statements, relevant police reports, etc.) as primary sources. The failure of the applicant to bring such records does not affect the Welfare Official's responsibility to process the application promptly. The Welfare Official shall inform the applicant what records are necessary and the applicant is required to produce records possessed as soon as possible for application consideration. However, the Welfare Official shall not insist on documentary verification if such records are not reasonably available, but shall ask the applicant to provide alternative means of verification.

C. Other Sources of Verification

Verification may also be made through other sources, such as relatives, landlords, employers, former employers, banks, school personnel, and social or government agencies. The cashier of the national bank or a treasurer of a savings and trust company is authorized by law to furnish information regarding amounts deposited to the credit of an applicant or recipient. RSA 165:4.

D. Written Consent of Applicant

When information is sought from such other sources, the Welfare Official shall explain to the applicant or recipient what information is desired, how it will be used, and the necessity of obtaining it in order to establish eligibility. Before contact is made with any other source, the Welfare Official shall obtain written consent of the applicant or recipient, unless the Welfare Official has reasonable grounds to suspect fraud. In the case of suspected fraud, the Welfare Official shall carefully record his/her reasons and actions, and before any accusation or confrontation is made, the applicant shall be given an opportunity to explain or clarify the circumstances in question.

E. Legally Liable Relatives

“The relation of any poor person in the line of father, mother, stepfather, stepmother, son, daughter, husband or wife shall assist or maintain such person when in need of relief. Said person shall be deemed able to assist such person if his/her income is more than sufficient” to avoid causing a financial hardship.
RSA 165:19

F. Refusal to Verify Information

Should the applicant or recipient refuse comment and/or indicate an unwillingness to have the Welfare Official seek further information that is necessary, assistance shall be denied for lack of eligibility.

VIII. DISBURSEMENTS

The City of Dover provides assistance and payment in the form of vouchers, checks or by credit card payable directly to the vendors (landlords, utilities, stores, etc.) involved, in accordance with the City's financial policies. No cash reimbursement is provided to recipients. RSA 165:1(III).

The amount shown on the voucher is the maximum amount to be used for payment. In accordance with the municipality's finance policies, a recipient may be required to sign the voucher to insure proper usage. The vendor returns the voucher with the required documentation for payment to the Welfare Official. After the

initial transaction, if there is any unspent money, the voucher shall be returned to the municipality for payment of the actual amount listed on an itemized bill or register tape. Vouchers altered by the recipient or vendor shall not be honored.

A voucher previously issued, but not yet paid, may be revoked and voided under certain circumstances. If facts are discovered that would negate such issuance or fraud is determined the voucher will be cancelled promptly. If fraud is involved, the facts surrounding the matter will be given to the appropriate law enforcement authorities for action. The revocation of assistance is not meant to replace the suspension process for issues of noncompliance.

IX. DETERMINATION OF ELIGIBILITY AND AMOUNT

A. Eligibility Formula

An applicant is eligible to receive assistance when:

1. He/she meets the non-financial eligibility factors listed in Section C below; and
2. The applicant's basic welfare maintenance need, as determined under Section E below, exceeds his/her available income (Section F below) plus available liquid assets (Section D below). If available income and available liquid assets exceed the basic maintenance need (as determined by the guideline amounts), the applicant is not eligible for general assistance. If the need exceeds the available income/assets, the amount of assistance granted to the applicant shall be the difference between the two amounts, in the absence of circumstances deemed by the Welfare Official to justify an exception.

B. Legal Standard and Interpretation

"Whenever a person in any town is poor and unable to support himself he shall be relieved and maintained by the overseers of public welfare of such town, whether or not he has a residence there." RSA 165:1.

1. An applicant cannot be denied an application for assistance because he/she is not a resident of the City. See Section X in these Guidelines.
2. "Whenever" means at any or whatever time a person is poor and unable to support him/herself and without reasonable alternative options to deem general assistance unnecessary.
 - a. The Welfare Official, or person authorized to act on his/her behalf, shall be available during normal business hours.
 - b. The eligibility of any applicant for general assistance shall be determined no later than five (5) business/working days after the application is submitted. If the applicant has an emergency life safety need, then the assistance for such emergency need shall be provided in accordance with Section VI (D)(3), (4); provided an application is submitted.
 - c. Assistance shall begin as soon as the applicant is determined to be eligible.
3. "Poor and unable to support" means that an individual lacks income, available liquid assets, and resources to adequately provide for the basic welfare maintenance needed of him/herself or family as determined by the guidelines.

4. "Relieved" means an applicant shall be assisted to meet those basic welfare needs described by Dover Welfare guidelines.
5. "Maintained" means that assistance could be continued as long as the applicant is eligible as determined by the guidelines.

C. Non-Financial Eligibility Factors

1. Age: General assistance cannot be denied any applicant because of the applicant's age. Minor applicants shall be referred to Protective Services of the NH Division of Children, Youth and Families for support and case management. Minors have the residence of their parent(s) or legal guardian(s). Minors are the financial responsibility of the parent(s) or legal guardian(s), unless circumstances warrant otherwise.
2. Support Action: No applicant or recipient shall be compelled, as a condition of eligibility or continued receipt of assistance, to take any legal action against any other person. The municipality may pursue recovery against legally liable persons or governmental units. See Section XVI.
3. Eligibility for Other Categorical Assistance: Recipients who are, or may be, eligible for any other form of public assistance must apply for such assistance immediately, but no later than seven (7) days after being advised to do so by the Welfare Official. Failure to do so may render the recipient ineligible for assistance and subject to action pursuant to Section XIII of these guidelines.
4. Employment: An applicant who is gainfully employed, but whose income and assets are not sufficient to meet basic necessary household expenses, may be eligible to receive general assistance. However, recipients who without good cause refuses a job offer or referral to suitable employment, participation in the workfare program, or who voluntarily leave a job without good cause, may be ineligible for continuing general assistance in accordance with the procedures for suspension outlined in the guidelines. The Welfare Official shall first determine, whether there is good cause for such refusal, taking into account the ability and physical and mental capacity of the applicant, available transportation, working conditions that might involve unreasonable risks to health or safety, availability of safe and reasonable child care, or any other factors that might make refusing a job reasonable considering the financial situation of the household. Employment requirements shall extend to all adult members of the household.
5. Registration with the New Hampshire Department of Employment Security (NHES) and Employment Search Requirements: All unemployed recipients and adult members of their households shall, within seven days (7) after completing and intake or after having been granted assistance, register with NHES to attain employment and must conduct a reasonable, verifiable job search as determined by the Welfare Official. Each recipient must apply for employment to each employer to whom he/she is referred by the Welfare Official. These employment search requirements apply unless the recipient and each other adult member of the household is:
 - a. Gainfully employed full-time and permanent employment status;
 - b. A dependent eighteen (18) years of age or under who is regularly attending secondary school;
 - c. Unable to work at a place of employment due to illness or mental or physical disability of him/herself or another member of the household, as verified by the welfare official; or

- d. Solely responsible for the care of a child under the age of one. RSA 165:31. A recipient responsible for the care of a child aged one to twelve (12) shall not be excused from employment search requirements, but shall be deemed to have good cause to refuse a job requiring employment during hours the child is not usually in school, if there is no reasonable responsible person available to provide care and it is verified by the Welfare Official that no other care is available.
 - e. The Welfare Official shall give all reasonably necessary assistance to ensure compliance with registration and employment requirements, including the granting of allowances for transportation and clothes for employment as part of an allowable budget expense. Failure of a recipient to comply with these requirements without good cause will be reason for denial of assistance.
- 6. Students: Applicants who are post-secondary school students with unreasonable employment availability limitations or refusing to seek full-time employment are not eligible for general assistance.
 - 7. Non-Citizens: The Welfare Officer may, in his/her sole discretion, provide limited emergency life-safety needs assistance to non-citizens not otherwise eligible for general assistance.
 - a. A non-citizen who is not:
 - i A qualified alien under 8 USCA 1641;
 - ii A non-immigrant under the federal Immigration and Nationality Act;
 - iii An alien paroled into the United States for less than one year under 8 USCA 1621 (a).

is not eligible for general assistance from the municipality. 8 USCA 1621(a)
 - b. Qualified aliens include aliens who are lawfully admitted for permanent residence under the Immigration and Nationality Act (8 USCA 1101 et seq.), aliens who are granted asylum under that act, certain refugees and certain battered aliens. 8 USCA 1641.
 - c. A non-citizen who is not eligible for general assistance may be eligible for state assistance with health care items and services that are necessary for the treatment of emergency medical condition, which is defined as a medical condition (including emergency labor and child delivery) manifesting itself by acute symptoms of sufficient severity including severe pain such that the absence of immediate medical attention could reasonably be expected to result in:
 - i. Placing the patient's health in serious jeopardy;
 - ii. Serious impairment to bodily functions; or
 - iii. Serious dysfunction of any bodily organ or part. 8 USCA 1621(b) and 42 USCA 1396(v)(3).
 - d. A non-citizen may also be eligible for general assistance for treatment of any emergency medical condition, pursuant to Section IX (E)(8)(a) of these guidelines.
 - e. Non-citizen applicants for general assistance may be required to provide proof of eligibility. 8 USCA 1625.
 - 8. Property Transfers: No applicant who is otherwise eligible shall receive such assistance if he/she has made an assignment, transfer or conveyance of property for the purpose of rendering him/herself eligible for assistance within three (3) years immediately preceding his/her application. RSA 165:2-b.

9. Employment of Household Members: The employment requirements of these guidelines, or participation in the workfare program, shall be required for all adults aged eighteen (18) to sixty-five (65) years residing in the same household, except those regularly attending secondary school or employed on a full-time, permanent employment status basis, who are:
 - a. Members of the recipient's household;
 - b. Legally liable to contribute to the support of the recipient and/or children of the household; and
 - c. Not prevented from maintaining employment and contributing to the support of the household by reason of physical or mental disability or other justifiable cause as verified by the Welfare Official.

The Welfare Official may waive this requirement where failure of the other household members to comply is not the fault of the recipient and the Welfare Official decides it would be unreasonable for the recipient to establish a separate household. RSA 165:32.

10. Disqualification for Voluntary Termination of Employment: Any applicant eligible for assistance who voluntarily terminated employment shall be ineligible to receive assistance for ninety (90) days from the date of employment termination, provided the applicant:
 - a. Has received local welfare in the past three hundred sixty-five (365) days;
 - b. Has been given notice that voluntary termination of employment without good cause could result in disqualification;
 - c. Has terminated employment of at least twenty (20) hours per week without good cause within sixty (60) days of an application for local welfare;
 - d. Is not responsible for supporting minor children in his/her household, which caused an inability to maintain employment; or
 - e. Did not have a verifiable mental or physical impairment, which caused an inability to maintain employment.

Good cause for termination of employment shall include any of the following: discrimination, unreasonable employment demands or unsuitable employment, retirement, leaving a job in order to accept a bona fide job offer, migrant farm labor or seasonal construction, and lack of transportation or child care. An applicant shall be considered to have voluntarily terminated employment if the applicant fails to report for employment without good cause. An applicant who is fired or resigns from a job at the request of the employer due to applicant's inability to maintain the employer's normal work productivity standard shall not be considered to have voluntarily terminated employment. RSA 165:1-d.

D. Available Assets

1. Available Liquid Assets: Cash on hand, bank deposits, credit union accounts, securities, and retirement plans (i.e.; IRA's deferred compensation, Keogh's etc.) are available liquid assets. Insurance policies with a loan value and nonessential personal property may be considered as available liquid assets when they have been converted into cash. The Welfare Official shall allow a

reasonable time for such conversion. However, tools of a trade, livestock and farm equipment, and necessary and ordinary household goods are essential items of personal property which shall not be considered as available assets.

2. Automobile Ownership: The ownership of one (1) automobile by an applicant/recipient or his/her dependent does not affect eligibility if it is essential for transportation to seek or maintain employment, to procure frequent medical services or rehabilitation services, or if its use is essential to the maintenance of the individual or the family, and if alternative transportation is not available or not cost effective.
3. Life Insurance: The ownership of a life insurance policy(s) does not affect eligibility. However, when a policy has cash or loan value, the recipient will be required to obtain and/or borrow all available funds, which shall then be considered available liquid assets. Payments made for the continuation of life insurance policies may not be considered a needed allowable expense.
4. Real Estate: The type and amount of real estate owned by an applicant does not affect eligibility, although rent or other such income from property shall be considered as available to meet needs. Applicants owning real estate property, other than that occupied as their primary residence, shall be expected to make reasonable efforts to dispose of it at fair market value. Applicants shall be informed that a lien covering the amount of any general assistance they receive shall be placed against any real estate they own. RSA 165:28.

E. Standard of Need

The basic financial requirement for general assistance is that an applicant be poor and unable to support him/herself. An applicant shall be considered poor when he/she has insufficient available income/assets to purchase either for him/herself or dependents any of the following:

1. Payment Levels for Allowable Expenses: When adopting these guidelines, the municipal governing body shall establish levels for various allowable expenses which shall be based on actual local market conditions and costs. The payment levels shall be reviewed by the Welfare Official annually and modifications presented to the municipal governing body where market conditions have changed. RSA 165:1 ii.
2. Permanent Housing/Shelter: The amount to be included as "need" for permanent housing/shelter, including tenancy, is the actual cost of rent or mortgage necessary to provide shelter in the City as determined either by the most recent HUD Fair Market Rents, New Hampshire Housing Finance Authority Rental Survey or by minimum reasonable local market rent factors, as chosen by the Welfare Official.
 - a. Permanent Housing/Shelter Arrearages: Shelter arrearages are not normally included in factoring need. The Welfare Official may assist in the least costly manner, or provide alternate means to accommodate the health and safety of the household unit. The Welfare Official may, in his/her sole discretion, assist with shelter arrearages if, and only if, such payment is necessary to prevent eviction or foreclosure and to protect the health and safety of the household, and if household can verify ability to afford/maintain housing based on present and/or projected verifiable income. However, if the amount of such mortgage or rental arrearage substantially exceeds the cost of alternative, available housing which complies with local health and housing code standards, or if the payment of arrears will not prevent eviction or foreclosure, the Welfare Official may instead authorize payment of first month rent, for such alternative housing if, under the circumstances of the case, it is reasonable to do so and

would provide for basic health and safety needs for the applicant household. Other alternative housing may include transitional housing or homeless shelters. Preference will be given to seeking local area transitional housing and homeless shelter options. Special consideration will be given to assisting an applicant/client residing in federally subsidized housing or other substantially below market rent housing to retain such housing. It is not the responsibility of the Welfare Officer to locate permanent housing.

- i. Residents seeking rent or mortgage assistance within the first three (3) months of occupancy may be expected to verify ability to reasonably financially maintain said expenses at time of move in.
 - ii. Housing is expected to meet local ordinance and code standards as verified by the local building/ code inspector for consideration of financial housing assistance.
- b. Hotel, Motel and Inns: Occupants of hotels, motels, inns and classified as such, are not normally considered "tenants" and are exempt from the legal eviction process defined in RSA 540: 1-a. Persons residing in housing exempt from the legal eviction process are not normally considered to be residing in permanent housing under these guidelines.
- c. Single Family Home Boarders: Occupants of single-family homes in which the occupant has no lease, which is the primary and usual residence of the owner are not normally considered "tenants" and are exempt from the legal eviction process defined in RSA 540:1-a. Persons residing in housing exempt from the legal eviction process is not normally considered to be residing in permanent housing under these guidelines.
- d. First Month Rent: Assistance with first month's rent will be considered only in the event of a verifiable emergency need, (i.e. inability to financially maintain current housing's basic expenses) homelessness, uninhabitable housing as determined by the local building/code inspector or other appropriate local authority, and the verified ability at the time of application to financially maintain such proposed housing is verified. Applicant is expected to seek first month rental assistance prior to moving into proposed housing, including receiving rental keys from the landlord/owner or moving personal belongings into proposed rental housing.
- e. Security Deposits: Security deposits may be included in the "need" formula if, and only if, the applicant is unable to secure alternative housing for which no security deposit is required or is unable to secure funds, either him/herself or from alternative sources, for payment of the deposit. Any security deposit provided by the general assistance program which is returned under RSA 540-A: 7 shall be returned to the municipality, not the recipient.
- f. Relative Landlords: Whenever a relative of a client is also the landlord for the client, that landlord will be presumed able to assist his/her relatives pursuant to RSA 165: 19 and must prove an inability to assist without causing a financial hardship to him/herself before any aid payment for rent is made. A financial analysis will be conducted to determine any potential hardship as per RSA165:19.
- g. Emergency Temporary Shelters: The Welfare Official may provide referrals to homeless shelters and/or transitional housing when appropriate or needed to resolve a basic health and safety housing need. Shelter and/or transitional housing recipients are expected to abide by shelter/transitional housing rules and policies. In cases in which an appropriate referral for emergency temporary housing/shelter is provided and the applicant/recipient refuses to accept such a referral, or if a client is involuntarily exited from an emergency shelter for violation of rules/policies City Welfare will not be liable for any alternative housing/shelter but may consider other forms of non-housing assistance to which he/she is otherwise eligible. The applicant must accept the least costly alternative for emergency housing assistance that is

deemed suitable by the Welfare Official for the applicant's household. The New Hampshire Division for Children, Youth and Families may be contacted to provide support for families involuntarily exited or voluntarily leaving the provided shelter without a reasonable housing/shelter option for their children/family. RSA 169-C: 29.

3. Utilities: When utility costs are not included in the shelter expense, the most recent outstanding monthly utility bill will be included as part of "need" by the Welfare Official (service must be in the client's name). Arrearages will not normally be included in "need" except as set forth below.

NOTE: The New Hampshire Public Utilities Commission (PUC) has established comprehensive rules governing the provision of some utility services. Generally speaking, the PUC governs electric, telephone, water and sewer; it does not govern any municipal utilities, propane tanks or fuel oil. With the exception of telephone, the rules are consistent across utilities. These rules and regulations cover the initiation of service, the requirement of deposits, municipal guarantees and guarantees from other third parties. There are special rules as to winter termination. The Welfare Official should be familiar with these rules in order to ensure that needs are properly met at the lowest available cost. The PUC has a toll-free consumer assistance number: 1-800-852-3793.

- a. Arrearages: Arrearages will not be included except when necessary to ensure the health and safety of the applicant household or to prevent termination of utility service where no other resources or referrals can be utilized. In accordance with the rules of the PUC relating to electric utilities, arrearage for electric service need not be paid if the Welfare Official notifies the electric company that the municipality guarantees payment of average electric bills as long as the recipient remains eligible for general assistance.
- b. Restoration of Service: When utility service has been terminated and the Welfare Official has determined that alternative utility service is not available and safe alternative housing is not available or feasible, arrearages will be included in "need" when restoration of service is negotiated with the utility for payment of less than the full amount of the arrears and/or may attempt to arrange a repayment plan to obtain restoration of service.
- c. When electric service has been terminated and restoration is required, arrearages may either be included as set forth in the above paragraph or may be paid in accordance with a reasonable payment plan entered into by the applicant and the electric company. The Welfare Official may hold the recipient accountable for the payment arrangement for as long as the recipient continues to request general assistance on a regular basis. Payment of a payment plan may be a required element of a notice of decision or case plan.
- d. Deposits: Utility service deposits will be considered as "need" if, and only if, the applicant is not able to secure the funds for the payment of the deposit and is unable to secure utility services without a deposit. Such deposit shall, however, be the property of the municipality.

4. Food: The Federal Supplemental Nutrition Program amount included as "need" for food purchases will be in accordance with the most recent standard allotment, as determined under the Federal Supplemental Nutrition Program administrated by the New Hampshire Department of Health and Human Services. An amount in excess of the standard food allotment may be granted if one or more members of the household require a special diet, as verified by the Welfare Official, the documented cost of which is greater than can be purchased with the family's allotment for food. Food vouchers may not be used for alcohol, tobacco, or pet food. Referrals to food pantries and feeding programs/meal centers may be given to meet applicant's basic emergency food needs.

5. Household Maintenance Allowance: Applicants may include, in calculating "need" the cost of providing personal and household necessities determined by the Welfare Official and used consistently for individuals and families. Need allowance for diapers shall be calculated based on usage.
6. Telephone: If the absence of a telephone would create an unreasonable risk to the applicant's health or safety as verified by the Welfare Official or for other good cause as determined by the Welfare Official, the lowest available basic monthly rate will be budgeted as "need."
7. Transportation: If the Welfare Official determines that transportation is necessary (e.g. for health or medical reasons, to maintain employment or to comply with conditions of assistance) "need" should include the costs of public transportation, where available. If, and only if, the transportation need cannot be reasonably provided by cost effective alternative means, such as public transportation or volunteer drivers, a reasonable amount for car payment, required insurance, necessary repairs, registration, inspection, and fuel should be included as part of "need" when determining eligibility or amount of aid.
8. Maintenance of Medical Insurance: In the event that the Welfare Official determines that the self-maintenance of medical insurance is essential, an applicant may include as "need" the reasonable cost of such premiums, especially in the event that insurance payments are less than the cost of prescriptions.
9. Emergency and Other Expenses: In the event that the applicant has the following current expenses, the actual cost shall be included as emergency and other expenses to determine eligibility and amount of assistance:
 - a. Medical Expenses: The Welfare Official shall not consider including amounts for medical, dental, or eye services unless the applicant can verify that all other potential sources have been investigated and that there is no source of assistance other than local welfare. Other sources to be considered shall include state and federal programs, local and area clinics, area service organizations, and area hospital indigent programs designed for such needs. When an applicant requests non-hospital related medical service, life-saving/sustaining prescriptions, including dental service to treat infection or eye service, the local Welfare Official may require verification from a doctor, dentist, or person licensed to practice optometry in the area, indicating that these services are absolutely necessary and cannot be postponed without creating a significant risk that the applicant's health will be placed in serious jeopardy. This office will consider only those medications that are considered life-saving/sustaining and the New Hampshire Division of Health and Human Services Medicaid program would consider reimbursable. Generic medications must be used unless specified otherwise by a licensed medical provider. The City of Dover Welfare Department will not normally authorize assistance for medications which would not meet the criteria of treating a diagnosed life-threatening medical condition.
 - b. Legal Expenses: Except for those specifically required by statute, no legal expenses, including fines/citations will be included in "need."
 - c. Clothing: If the applicant has an emergency clothing need which cannot be met in a timely fashion by other community resources (i.e.; Salvation Army, Red Cross, church groups) the expense of reasonably meeting that emergency clothing need will be included in "need."
 - d. Miscellaneous: Normally, cost to prevent repossession of any kind, moving expenses, storage charges, household items, and any other nonessential expenses as determined by the Welfare Official shall not be considered allowable expenses.

10. Unusual Needs Not Otherwise Provided for in These Guidelines: If the Welfare Official determines that the strict application of the standard of need criteria will result in unnecessary or undue hardship (e.g. needed services are inaccessible to the applicant), such Official may make minor adjustments in the criteria or may make allowances using the emergency need standards stated in Section VI(D)(3) of these guidelines. Any such determination and the reasons therefore, shall be stated in writing in the applicant's case record.

11. Shared Expenses: If the applicant/recipient household shares shelter, utility or other expenses with a non-applicant/recipient (i.e. is part of the residential unit), then need should be determined on a pro rata share, based on the number of adults in the residential unit (e.g. three adults in residential unit, but only one applies for assistance, shelter need is 1/3 of shelter allowance for a household of three adults).

F. Income

In determining eligibility and the amount of assistance, the standard of need shall be compared to the available income/assets. Computation of income and expenses will be by the week or month. The following items will be included in the computation:

1. Earned Income: Income in cash or in-kind earned by the applicant or any member of the household through wages, salary, commissions or profit, whether self-employed or as an employee, is to be included as income. Rental income and profits from items sold are considered earned income. With respect to self-employment, net income is calculated by subtracting business expenses from total profit in accordance with standard accounting principles. When income consists of wages, the amount computed should be that available after income taxes, social security and other payroll deductions required by state, federal or local law, court ordered support payments and child care cost and employment related clothing costs have been deducted from income. Wages that are trusted or income similarly unavailable to the applicant or applicant's dependents should not be included.
2. Income or Support from Other Persons: Contributions from relatives or other household members shall be considered as income only if available and received by the applicant or recipient. The income of non-household members of the applicant's residential unit shall not be counted as income. Expenses shared with non-household members may affect the level of need. See Section IX(E)(IO) regarding determination of need in cases of non-household residential units.
3. Income from Other Assistance or Social Insurance Programs:
 - a. State categorical assistance benefits, OASDI payments, Social Security payments, VA benefits, unemployment insurance benefits, and payment from other government sources shall be considered income.
 - b. Federal Supplemental Nutrition Program (SNAP) allotments cannot be counted as income pursuant to federal law (7 USC 2017(b)).
 - c. Fuel Assistance cannot be counted as income pursuant to federal law (42 USC 8624 (f)(1)).
4. Court-Ordered Support Payments: Alimony and child support payments shall be considered income only if received by the applicant or recipient.

5. Income from Other Sources: Payment from pension, trust funds, and similar programs shall be considered income.
6. Earnings of a Child: No inquiry shall be made into the earnings of a child fourteen (14) years of age or less unless that child makes a regular and substantial contribution to the family.
7. Option to Treat a Qualified State Assistance Reduction as Deemed Income: The Welfare Official may deem as income all or any portion of any qualified state assistance reduction pursuant to RSA 167:82, VIII. The following criteria shall apply to any action to deem income under this section. RSA 165:1-e.
 - a. The authority to deem income under this section shall terminate when the Qualified State Assistance Reduction is no longer in effect.
 - b. Applicants for general assistance may be required to cooperate in obtaining information from the Department of Health and Human Services as to the existence and amount of any Qualified State Assistance Reduction. No applicant for general assistance may be considered to be subject to a Qualified State Assistance Reduction unless the existence and amount has been confirmed by the Department of Health and Human Services.
 - c. The Welfare Official shall provide the applicant with a written decision which sets forth the amount of any deemed income used to determine eligibility for general assistance.
 - d. Whenever necessary to prevent an immediate threat to the health and safety of children in the household, the Welfare Official shall waive that portion, if any, of the Qualified State Assistance Reduction as necessary.

G. Residents of Shelters for Victims of Domestic Violence and Their Children

An applicant residing in a shelter for victims of domestic violence and their children who has income, and owns resources jointly with the abusive member of the applicant's household, shall be required to cooperate with the normal procedures for purposes of verification. Such resources and income may be excluded from eligibility determination unless the applicant has safe access to joint resources at the time of application. The verification process may be completed through an authorized representative of the shelter of residence. The normal procedures taken in accordance with these guidelines to recover assistance granted shall not delay such assistance.

X. Non-Residents

A. Eligibility

Applicants who are temporarily in a municipality which is not their municipality of residence and who do not intend to make a residence there are nonetheless eligible to receive general assistance, provided they are poor and unable to support themselves. RSA 165:1-c. No applicant shall be refused assistance solely on the basis of residence. RSA 165:1. The applicant's residence, prior to the temporary relocation, may be contacted if it is learned the temporary relocation was caused, in part, by the municipal welfare departments unavailability or unwillingness to assist with the emergency situation. The applicant may be

assisted with a referral to the former municipality if time, available transportation and type of emergency makes it reasonable to do so.

B. Standards

The application procedure and eligibility standard of need shall be the same for nonresidents as for residents.

C. Verification

Verification records shall not be considered unavailable, nor the applicant's responsibility for providing such records relaxed, solely because they are located in the applicant's municipality of residence.

D. Temporary or Emergency Aid

The standard for the fulfilling of immediate or emergency needs of nonresidents and for temporary assistance pending final decision shall be the same as for residents, as set forth in Section VI (D)(2).

E. Determination of Residence

Determination of residence shall be made if the applicant requests return home transportation (See paragraph F below) or if the Welfare Official has reason to believe the applicant is a resident of another New Hampshire municipality from which recovery can be made under RSA 165:20.

1. Minors: The residence of a minor applicant shall be presumed to be the residence of his/her custodial parent or guardian.
2. Adults: For competent adults, the standard for determining residence shall be the overall intent of the applicant, as set forth in the Section I definition of "residence". The statement of an applicant over eighteen (18) as to his/her residence or intent to establish residence shall be accepted in the absence of strongly inconsistent evidence or behavior.

F. Return Home Transportation

At the request of a nonresident applicant, any aid, temporary or otherwise, to which he/she would be otherwise entitled under the standard set forth in these guidelines may be used at the Welfare Official's discretion to cause the applicant to be returned to his/her municipality of residence. RSA 165:1-c.

G. Recovery

Any aid given to a nonresident, including the costs of return home transportation, may be recovered from his/her municipality of residence using the procedures of Section XVI(B).

XI. Municipal Work Programs

A. Participation

Any recipient of general assistance who is able and not gainfully employed may be required to work for the municipality or an appropriate local human service agency at any available bona fide job that is within his/her capacity (RSA 165:31) for the purpose of reimbursement of benefits received. Participants in the workfare program are not considered employees of the municipality, and any work performed by workfare participants does not give rise to any employee-employer relationship between the recipient/workfare participant and the municipality.

B. Reimbursement Rate

The workfare participant shall be allotted the prevailing municipal wage for work performed, but in no case less than the minimum wage. No cash compensation shall be paid for workfare participation; the wage value of all hours worked shall be used to reimburse the municipality for assistance given. No workfare participant shall be required to work more hours than necessary to reimburse aid rendered.

C. Continuing Financial Liability

If, due to lack of available municipal work or other good cause, a recipient does not work a sufficient number of hours to fully reimburse the municipality for the amount of his/her aid, the amount of aid received less the value of workfare hours completed shall still be owed to the municipality.

D. Allowance for Employment Search

The municipality shall provide reasonable time during working hours for the participant to conduct a documented and verifiable employment search, as determined by the Welfare Official.

E. Workfare Program Attendance

With prior notice to the Welfare Official, a recipient may be excused from workfare participation if he/she:

1. Has a conflicting job interview;
2. Has a conflicting interview at a service or welfare agency;
3. Has a medical appointment or illness;
4. As a parent or person "in loco parentis", must care for a child under the age of five (5). A recipient responsible for a child age five (5) but under twelve (12) shall not be required to participate in workfare during the hours the child is in not in school, if there is no responsible person available to provide care and no other care is available;
5. Is unable to participate in workfare due to mental or physical disability as verified by the Welfare Official;
6. Must remain at home because of illness or disability to another member of the household, as verified by the Welfare Official; or

7. Does not possess the materials or tools required to perform the task and the municipality fails to provide them.

However, the workfare participant should attempt to schedule appointments so as not to conflict with the workfare program and must notify his/her supervisor in advance of the appointment. The Welfare Official may require participants to provide documentation of their attendance at a conflicting interview or appointment.

F. Workfare Hours

Workfare hours are subject to approval of the supervisor and the Welfare Official. Failure of the participant to adhere to the agreed workfare hours (except for the reasons listed above) will prompt review of the recipient's eligibility for general assistance and may result in a suspension or termination of assistance. See Section XIII (C)(2)(b).

G. Workers Compensation

The municipality shall provide workers compensation coverage to participants in workfare programs in the same manner such coverage is provided to other municipal employees. RSA 281-A:2, VII(b).

XII. Burial & Cremations

The Welfare Official shall provide for required burial or cremation of eligible persons found in the municipality at time of death. In such cases where the deceased, at the time of death, has a residence in another city, town or state the next of kin or other responsible party will be referred to contact the appropriate agency. If the deceased was a resident of municipality at the time of death, assistance may be applied for on behalf of the deceased person, however, the application should be made before any burial or cremation expenses are incurred. The expense may be recovered from the deceased person's municipality of residence or from a liable relative pursuant to RSA 165:3 II. If there are liquid assets at death from the deceased person's bank accounts, there shall be an automatic assignment to the funeral director or the person who paid for the funeral and burial or cremation of the deceased to the extent of funeral and burial or cremation costs up to \$2,000 pursuant to RSA 165:27-a. If the Welfare Official verifies relatives or other private persons, the state or other sources are unable to cover the entire burial/cremation expense, the municipality will pay up to \$1000 for burial/cremation, the total burial/cremation expense is not to exceed \$2000. RSA 165-3, RSA 165:1-b, RSA 165:27 and 165:27-a.

Special religious rites, beyond the maximum amount the municipality will pay, will not be paid for at the public expense.

The municipality will not pay burial and/or cremation benefits in the instance of past funeral charges. The request should be made prior to the burial and/or cremation, in a timely manner, immediately following the time of death.

Unclaimed Body. Per RSA 611-B:25 the medical examiner shall release a dead body if unclaimed for a period of not less than 48 hours following completion of the death investigation to the overseer of public welfare in the town or, in the case of an unincorporated place, to a county commissioner, who shall decently bury or cremate the body, or, with the consent of the commissioners or the overseer, it may be sent to the medical department of a medical school or university, to be used for the advancement of the science of anatomy and surgery.

XIII. Right to Notice of Adverse Action

A. Right to a Written Decision

All persons have a constitutional right to be free of unfair, arbitrary, or unreasonable action taken by government. This includes applicants for and recipients of general assistance whose aid has been denied, terminated or reduced. Every applicant and recipient shall be given a written notice of every decision regarding assistance (Section VI(D) for notice where application is granted). The Welfare Official will make every reasonable effort to ensure that the applicant understands the decision.

B. Action Taken for Reasons Other Than Noncompliance with the Guidelines

1. Whenever a decision is made to deny assistance or to refuse to grant the full amount of assistance requested, a notice of the decision shall be given or mailed to the applicant either the same day or next business/work day following the making of the decision or within five (5) business/work day from the time the application is completed and submitted, whichever occurs first.
2. In any case where the Welfare Official decides to terminate or reduce assistance for reasons other than noncompliance with the guidelines, the Official shall send notice at least seven (7) days in advance of the effective date of the decision to the recipient stating the intended action.
3. The notice required by paragraphs 1 and 2 above shall contain:
 - a. A clear statement of the reasons for the denial or proposed termination or reduction.
 - b. A statement advising the recipient of his/her right to a fair hearing and that any request for a fair hearing must be made in writing within five (5) business/work days.
 - c. A form on which the recipient may request a fair hearing, if such a hearing is sought.
 - d. A statement advising the recipient of the time limits which must be met in order to receive a fair hearing;
 - e. In accordance with Section XIV fair hearing guidelines, a statement that assistance may continue, if there was initial eligibility, until the date of hearing, if requested by the claimant. Aid must be repaid if the claimant fails to prevail at the hearing.

C. Suspension for Noncompliance with the Guidelines

1. Due Process: Recipients must comply with these guidelines and the reasonable requests of Welfare Officials. Welfare Officials must enforce the guidelines while ensuring that all recipients and applicants receive due process. Recipients should be given reasonable notice of the conditions and requirements of eligibility and continuing eligibility and notice that noncompliance may result in termination or suspension.
2. Conditions: Any applicant/recipient otherwise eligible for assistance shall become ineligible under RSA 165: 1-b if he/she willfully and without good cause fails to comply with the requirements of these guidelines relating to the obligation to:

- a. Disclose and provide verification of income, resources or other material financial data, as set out in Section VI(C) and VII of these guidelines, including any changes in this information;
 - b. Participate in the workfare program under Section VI(C), to the extent assigned by the Welfare Official;
 - c. Comply with the employment search requirements imposed by the Welfare Official under Section VI(C); and
 - d. Within seven (7) days, apply for other public assistance, as required by the Welfare Official under Section VI(C).
3. First Notice: No recipient otherwise eligible shall be suspended for noncompliance with conditions unless he/she has been given a written notice of the actions required in order to remain eligible and a seven (7) day period within which to comply. The first notice should be given at the time of the notice of decision and thereafter as conditions change. Additional notice of action required should also be given, as eligibility, is redetermined, but without an additional seven (7) day period unless new actions are required. RSA: 165-b, II.
4. Noncompliance:
- a. If a recipient willfully and without good cause fails to come into compliance during the seven (7) day period, or willfully falls into non-compliance within thirty (30) days from receipt of a first notice, the Welfare Official shall give the recipient a suspension notice, as set forth in Paragraph 5.
 - b. If a recipient falls into noncompliance for the first time more than thirty (30) days after receipt of a first notice, the Welfare Official shall give the recipient a new first notice with a new seven (7) day period to comply before giving the recipient the suspension notice. RSA 165:1-b, (III).
5. Suspension Notice: Written notice to a recipient that he/she is suspended from assistance due to failure to comply with the conditions required in a first notice shall include:
- a. A list of the guidelines with which the recipient is not in compliance and a description of those actions necessary for compliance;
 - b. The period of suspension (See paragraph 6 below);
 - c. Notice of the right to a fair hearing on the issue of willful noncompliance and that such request must be made in writing within five (5) days of receipt of the suspension notice;
 - d. A statement that assistance may continue in accordance with the prior eligibility determination until the fair hearing decision is made if the recipient so requests on the request form for the fair hearing, however, if the recipient fails to prevail at the hearing:
 - i. the suspension will start after the decision; and
 - ii. such aid must be repaid by the recipient.
 - e. A form on which the individual may request a fair hearing and the continuance of assistance pending the outcome.

6. Suspension Period: The suspension period for failure to comply with the guidelines shall last:
 - a. Seven (7) days, unless the recipient has a prior suspension which ended within the past six months, in which case the suspension shall last fourteen (14) days.
 - b. If the recipient, upon the expiration of the seven (7) or fourteen (14) day suspension period, continues to fail to carry out the specific actions set forth in the notice, the suspension shall last until the recipient complies with the guidelines.
 - c. Notwithstanding paragraph C(6)(b) above, a recipient who has been suspended for continued noncompliance for at least one (1) calendar year may file a new application for assistance without coming back into compliance.
7. Fair Hearing on Continuing Noncompliance: A recipient who has been suspended until he/she complies with the guidelines may request a fair hearing to resolve a dispute over whether he/she has satisfactorily complied with the required guidelines; however, no assistance shall be available under paragraph C(5)(d) above.
8. Compliance After Suspension: A recipient who has been subject to a suspension and who has come back into compliance shall have his/her assistance resumed, provided he/she is still otherwise eligible. The notice of decision stating that assistance has been resumed should again set forth the actions required to remain eligible for assistance, but need not provide a seven (7) day period for compliance unless new conditions have been imposed.
9. Misrepresentation: Misrepresentation of information by a client is grounds for denial and suspension of City Welfare assistance and may result in prosecution for the crimes, including but not limited to Unsworn Falsification, RSA 641:3, Theft by Deception RSA 637:4, and/or Identity Fraud RSA 638:27.
10. The Welfare Official is not required to accept further applications for assistance during a period of suspension.

XIV. Fair Hearings

A. Requests

A request for a fair hearing is a written expression, by the applicant or recipient or any person acting for him/her, to the effect that he/she wants an opportunity to present his/her case to a higher authority. When a request for assistance is denied, or when an applicant desires to challenge a decision made by the Welfare Official relative to the receipt of assistance, the applicant must present a request for a fair hearing to the welfare official within five (5) business/working days of receipt of the notice of decision at issue. RSA 165:1 b, (III).

B. Time Limits for Hearings

Hearings requested by claimants must be held within seven (7) business/working days of the receipt of the request. The Welfare Official shall give notice to the claimant setting the time and location of the hearing. This notice must be given to the claimant at least forty-eight (48) hours in advance of the hearing, or mailed to the claimant at least seventy-two (72) hours in advance of the hearing.

C. Requests for Postponements

A claimant who has verifiable good cause to request a postponement of a scheduled fair hearing shall contact the Welfare Official at the earliest possible time prior to the fair hearing. Upon receiving documentation deemed by the Welfare Official to be verifiable good cause, the fair hearing will be rescheduled at next the earliest available date. A claimant shall provide documentation of such verifiable emergency circumstances to the Welfare Official within three (3) business/working days of the date that the request for postponement has been made. Claimants are entitled to only one (1) such postponement per fair hearing request.

1. Verifiable Good Cause: The claimant shall include, but not be limited to, verified medical emergency or other verified unforeseen emergency circumstances, which precludes the claimant from attending the scheduled fair hearing.
2. Request for Postponement Prior to Three (3) Days of the Fair Hearing: If a claimant requests a postponement earlier than three (3) business/working days of the fair hearing date and documentation deemed by the Welfare Official to be verifiable good cause is not provided to the Welfare Official within the three (3) business/working days, the scheduled fair hearing date will be honored.

If the claimant provides documentation deemed by the Welfare Official to be verifiable good cause within the three (3) business/working days the fair hearing will be rescheduled at the next earliest available date.

3. Requests for Postponement Within Three (3) Days of the Fair Hearing Date: If a claimant makes a request for postponement within three (3) business/working days of a fair hearing date, the scheduled fair hearing will be held in abeyance pending receipt of documentation deemed to be verifiable good cause by the Welfare Official. The documentation must be provided to the Welfare Official within three (3) business/working days of the date of the request for postponement.

If the claimant provides documentation deemed by the Welfare Official to be verifiable good cause within the three (3) business/working days, the fair hearing will be rescheduled at the earliest available date. If the claimant does not provide documentation deemed by the Welfare Official to be verifiable good cause within the three (3) business/working days, the fair hearing will not be rescheduled and the request for the fair hearing shall be deemed to be withdrawn by the claimant. The notice of adverse action at issue will be upheld.

D. The Fair Hearing Officer(s)

The fair hearing officer(s) shall be chosen by the Welfare Director. The person(s) serving as the fair hearing authority must:

1. Not have participated in the decision causing dissatisfaction;
2. Be impartial;
3. Be sufficiently skilled in interviewing to be able to obtain evidence and facts necessary for a fair determination; and

4. Be capable of evaluating all evidence fairly and realistically, to explain to the claimant the laws and regulations under which the Welfare Official operated, and to interpret to the Welfare Official any evidence of unsound, unclear or inequitable policies, practices or action.

E. Fair Hearing Procedures

1. All fair hearings shall be conducted in such a manner as to ensure due process of law. Fair hearings shall not be conducted according to strict rules of evidence. The burden of proof shall be on the claimant, who shall be required to establish his/her case by a preponderance of the evidence.
2. The Welfare Official responsible for the disputed decision shall attend and testify about his/her actions and the reasons therefore.
3. Both parties shall be given the opportunity to offer evidence and explain their positions as fully and completely as they wish. The claimant shall have the opportunity to present his/her own case or, at the claimant's option, with the aid of others, and to bring witnesses, to establish all pertinent facts, to advance any arguments without undue interference, to question or refute testimony or evidence, including the opportunity to confront and cross examine adverse witnesses.
4. A claimant or his/her duly authorized representative has the right to examine, prior to a fair hearing, all records, papers and documents from the claimant's case file which either party may wish to introduce at the fair hearing, as well as any available documents not contained in the case file but relevant to the Welfare Official's action of which the claimant complains. The claimant may introduce any such documents, papers or records into evidence. No record, paper or document, which the claimant has requested to review but has not been allowed to examine prior to the hearing, shall be introduced at the hearing or become part of the record unless the claimant consents.
5. The Welfare Official (or a duly authorized representative) shall have the right to examine at the fair hearing all documents on which the claimant plans to rely on at the fair hearing and may request a twenty-four (24) hour continuance if such documents contain evidence not previously provided or disclosed by the claimant. Should the applicant have new documentation relevant to the dispute, he/she may reapply for assistance and file a written withdrawal of the fair hearing request.
6. The decision of the fair hearing officer(s) must be based solely on the record, in light of these guidelines. Evidence, both written and oral, which is admitted at the hearing shall be the sole contents of the record. The fair hearing officer shall not review the case record or other materials prior to introduction at the hearing.
7. The parties may stipulate to any facts. Such stipulations shall be noted in the Record.
8. All fair hearings shall be electronically recorded and retained for six (6) months.

F. Decisions

1. Fair hearing decisions shall be rendered within seven (7) business/working days of the hearing. Decisions shall be in writing setting forth the reasons for decision and the facts on which the fair hearing officer relied in reaching the decision. A copy of the decision shall be mailed or delivered to the claimant and to the Welfare Official.

2. Fair hearing decisions will be rendered on the basis of the officer's findings of facts, these guidelines and state and federal law. The fair hearing decision shall set forth any required relief.
3. The decision shall be dated. In the case of a hearing to review a denial of aid, the decision is retroactive to the date of the action being appealed. If a claimant fails to prevail at the hearing, the assistance given pending the hearing shall be a debt owed by the individual to the municipality.
4. The Welfare Official shall keep all fair hearing decisions on file in chronological order, consistent with applicable law and retention policies.
5. None of the procedures specified herein shall limit any right of the applicant or recipient to subsequent court action to review or challenge the adverse decision.

XV. Liens

A. Real Estate - RSA 165:28

The law requires the municipality to place a lien for welfare aid received on any real estate owned by an assisted person in all cases except for just cause. This section does not authorize the placement of a lien on the real estate of legally liable relatives, as defined by RSA 1.65:19. The Welfare Official shall be authorized by the City Council to file a Notice of Lien with the County Registry of Deeds, complete with the owner's name and a description of the property sufficient to identify it. Interest at the rate of six percent (6%) per year shall be charged on the amount of money constituting the lien commencing one (1) year after the date the lien is filed, unless waived by the municipality. The lien remains in effect until enforced or released or until the amount of the lien is repaid to the municipality. The lien shall not be enforced so long as the real estate is occupied as the sole residence of the assisted person, his/her surviving spouse, or his/her surviving children who are under age eighteen (18) or blind or permanently and totally disabled. At such time as the lien may become enforceable, the Welfare Official shall attempt to contact the attorney managing the real estate or estate before enforcing the lien. Upon repayment of a lien, the municipality must file written notice of the discharge of the lien with the County Register of Deeds. RSA 165:28.

B. Civil Judgments — RSA 165:28-a.

1. A municipality shall be entitled to a lien upon property passing under the terms of a will or by intestate succession, a property settlement or a civil judgment for personal injuries (except Workers Compensation) awarded any person granted assistance by the municipality for the amount of assistance granted by the municipality.
2. The municipality shall be entitled to the lien only if the assistance was granted no more than six (6) years before the receipt of the inheritance or the award of the property settlement or civil judgment. When the Welfare Official becomes aware of such a claim against a civil judgment, he/she shall contact the attorney representing the recipient.
3. This lien shall take precedence over all other claims.

XVI. Recovery of Assistance

The Welfare Official shall seek to recover money expended to assist eligible applicants. There shall be no delay, refusal to assist, reduction, or termination of assistance while the Welfare Official is pursuing the procedural or statutory avenues to secure reimbursement. Any legal action to recover must be filed in court within six (6) years after the expenditure. RSA 165:25.

A. Recovery from Responsible Relatives

1. The amount of money spent by a municipality to assist a recipient who has a father, mother, stepfather, stepmother, husband, wife, or child (who is no longer a minor) of sufficient ability to also support the recipient, may be recovered from the liable relative. Sufficient ability shall be deemed to exist when the relative's income is more than sufficient to provide a reasonable subsistence compatible with decency and health.
2. The Welfare Official may determine that "in kind" assistance or the provision of products/services to the client is acceptable as a relative's response to liability for support.
3. Written notice of money spent in support of a recipient must be given to the liable relative. The Welfare Official shall make reasonable efforts to give such written notice prior to the giving of aid, but aid to which as applicant is entitled under these guidelines, shall not be delayed due to inability to contact possible liable relatives. RSA 165:19.

B. Recovery from the Municipality of Residence

The Welfare Official may seek to recover from the municipality of residence the amount of money spent by the municipality to assist a recipient who has a residence in another municipality. Written notice of money spent in support of a recipient must be given to the welfare official of the municipality of residence. In any civil action for recovery brought under RSA 165: 20, the court shall award costs to prevailing party. RSA 165:19 and 20. (See RSA 165:20-a providing for arbitration of such disputes between communities.) RSA 165:20.

C. Recovery from Former Recipient's Income

A former recipient who is returned to an income status after receiving assistance may be required to reimburse the municipality for the assistance provided, if such reimbursement can be made without financial hardship. RSA 165:20-b.

D. Recovery from State and Federal Sources

The amount of money spent by a municipality to support a recipient who has made an initial application for SSI and has signed HHS FORM 151 "AUTHORIZATION FOR REIMBURSEMENT OF INTERIM ASSISTANCE" shall be recovered through the SSA and New Hampshire Department of Health and Human Services. Prescription expenses paid by the municipality for applicants who have applied for Medicaid shall recovered through the New Hampshire Department of Health and Human Services if and when the applicant is approved for medical coverage.

E. Delayed State Claims

For those recipients of general assistance deemed eligible for state assistance, New Hampshire Department of Health and Human Services shall reimburse a municipality the amount of general assistance as a result of delays in processing within the federally mandated time periods. Any claims for reimbursement shall be held until the end of the fiscal year and may be reimbursed on a pro-rated basis depending upon the total claims filed per year. RSA 165:20-c. A form 340 "REQUEST FOR STATE REIMBURSEMENT" may be obtained from the New Hampshire Department of Health and Human Services for this purpose.

XVII. Application of Rents Paid by the Municipality

Whenever the owner of property rented to a person receiving general assistance from the municipality is in arrears in sewer, water, or tax payments to the municipality, the municipality may apply the assistance which the property owner would have received in payment of rent on behalf of such assisted persons to the property owner's delinquent balances, regardless of whether such delinquent balances are in respect of property occupied by the assisted person, RSA 165:4-b.

A. Payment Arrears

A payment shall be considered in arrears if more than thirty (30) days have elapsed since the mailing of the bill or in the case of real estate taxes, if interest has begun to accrue pursuant to RSA 76:13, RSA 165:4-a.

B. Order of Priority

Delinquent balances will be offset in order of the following priority: 1) taxes, 2) water, 3) sewer.

C. Procedure

1. The Welfare Official shall issue a voucher on behalf of the tenant to the landlord for the allowed amount of rent. The voucher will indicate any amount to be applied to a delinquent balance owed by the landlord, specifying which delinquency and referring to the authority of RSA 165:4-a.
2. The Welfare Official shall issue a duplicate voucher to the appropriate department (i.e. tax collector, sewer department, water department, or municipal electric facility), which shall forward the voucher to the treasurer or finance director for payment. Upon receipt of payment, the department will issue a receipt of payment to the delinquent landlord.

XVIII. Department Threat Policy

To assure safety and healthy working conditions, applicants/clients who make threatening statements and/or actions against welfare staff/personnel may be prohibited from returning to the Welfare Department Office. In such cases, applicants/clients may be required to conduct the application process with appropriate safety measures to ensure the safety of welfare personnel. Threats shall be reported to appropriate authorities.

XIX. Child Protection Act

RSA 169-C:29 Persons Required to Report. Any physician, surgeon, county medical examiner, psychiatrist, resident, intern, dentist osteopath, optometrist, chiropractor, psychologist, therapist, registered nurse, hospital personnel (engaged in admission, examination, care and treatment of persons), Christian Science practitioner, teacher, school official, school nurse, school counselor, social worker, child care worker, any other child or foster care worker, law enforcement official, priest, minister or rabbi, or any other person having reason to suspect that a child has been abused or neglected shall report the same in accordance with this chapter.

APPENDIX A

ALLOWABLE LEVEL OF ASSISTANCE PAYMENTS FOR THE CITY OF DOVER: Schedule of General Assistance

The following are values for various allowable expenses. The values are based on actual local market conditions and costs.

I. **Housing** _____

Housing costs shall be determined by using the latest New Hampshire Housing Costs Survey for Strafford County.

A. Rental Properties

Only the last four weeks of rent will be considered as "need". Rent arrears will be included in the "need" formula if, and only if, such payment is necessary to prevent eviction or foreclosure or to protect the health and safety of the household. An applicant's name must be on the lease in order for rental assistance to be rendered. Rents will not be paid to non-landlords such as friends and relatives.

B. Owner Occupied Properties

Calculation of "need" shall include an amount for mortgage minus any property taxes included in the mortgage. Home repairs **may** be considered as "need" if they are necessary for health and/or safety. When an applicant owns a home and is otherwise eligible for assistance, payment for taxes not included in the mortgage and insurance may be included in the calculation of "need" by the Welfare Department to prevent foreclosure. As stated in the Application for General Assistance through the City of Dover and in accordance with State of New Hampshire law, all applicants who own real estate will have a lien, in the amount of assistance provided, placed on their property.

II. **Food** _____

The amount included as "need" for food purchases will be in accordance with the most recent standard SNAP allotment as determined under the Food Stamp Program administered by the New Hampshire Department of Health and Human Services. Food vouchers may not be used for alcohol, tobacco or pet food.

III. **Maintenance/Personal Items** _____

Applicants may include, in calculating "need," the cost of providing personal and household necessities in an amount

not to exceed:

Household Size	Maximum Allotment Level
1	\$64.00
Each additional member, add:	\$25.00

IV. Heating and Cooking Fuel _____

Only one hundred (100) gallons maximum per month allowed. This is available only during the heating season, as determined by the Welfare Official. Usually this is no earlier than October fifteenth (15) and ends April fifteenth (15). These dates can be dependent on the weather and temperature.

Fuel for Hot Water will be provided on a case by case basis as determined by the Welfare Official.

V. Transportation _____

If the Welfare Official determines that transportation is necessary (e.g., for health or medical reasons, to maintain employment or to comply with conditions of assistance), approved benefits may, at the sole discretion of the Welfare Official, include cost of transportation (e.g., bus passes, donated gas card, volunteer driver, etc.), fuel costs for past thirty (30) days based on mileage submitted to the Welfare Officer, car payments {up to two hundred fifty dollars (\$250)}, necessary insurance payments, repairs, registration and inspection costs. { Receipts for all expenses are required. }

VI. Utilities _____

When utility costs are not included in the housing expense, the most recent outstanding monthly utility bill will be included as part of “need” by the Welfare Department. Arrears will not be included except when necessary to ensure the health and safety of the applicant household or to prevent termination of utility service where no other resources or referrals can be utilized.

1. A disconnect notice must be provided as proof of “need”.
2. Utility Bill must be in applicant’s name.
3. Utility security deposits shall be considered as “need” if, and only if, the applicant is unable to secure funds for the payment of the deposit and is unable to secure utility service without a deposit. Such deposits shall, however, be the property of the City of Dover.
4. Basic local telephone service shall be allotted a maximum of \$60.00/month in the “need” formula.
5. Cable television costs shall not be considered as “need”.
6. Internet service may be considered as “need” at the discretion of the Welfare Official.

VII. Medical Expenses and Prescription’s _____

The Welfare Department shall not consider including amounts for prescription costs, medical, dental or eye services as “need” unless the applicant can verify that all other potential sources have been investigated and that there is no source of assistance other than local welfare. Other sources to be considered shall include state and federal programs, local and area clinics, area service organizations and area hospital indigent programs designed for such needs. When an applicant requests medical service, prescriptions, dental service or eye service, the local welfare official may require verification from a doctor, dentist or person licensed to practice optometry in the area, indicating that these services are absolutely necessary and cannot be postponed without creating a significant risk that the applicant’s health and/or well-being will be placed in serious jeopardy.

VIII. Clothing _____

Donated consignment vouchers and/or referrals may be given out for clothing to provide necessary protection from the elements. The Welfare Official **may** consider reasonable laundry expenses in calculating “need.”

IX. Child/Dependent Care _____

Allowed as “need” on a case by case basis only if applicant has to purchase care for dependent or child so the applicant can be employed or seek employment, to fulfill conditions of welfare application or other official agency requirements. As solely determined by the welfare official.

X. Burial Allowance _____

If applicable, the Town of Northwood will pay **up to** one thousand dollars (\$1000) towards a funeral or cremation. The entire cost the family pays for the funeral or cremation cannot exceed eighteen hundred (\$1800).

XI. Shared Expenses _____

If the applicant/recipient household shares shelter, utility, or other expenses with a non-applicant/recipient (i.e.: is part of a residential unit), then “need” shall be determined on a pro rata share, based on the total number of adults in the residential unit (e.g.: three adults live in a residential unit, but only one applies for assistance/shelter, “need” is 1/3 of the shelter allowance for a household of three adults).

XII. Exceptions _____

All applicants for aid will be reviewed on their individual merits. Necessity of other expenses **can** be considered on a case by case basis, as solely determined by the welfare official, and must be necessary for safety or health. Referrals will be made to appropriate agencies where such action is indicated. If need dictates, the limits established in this document may be increased at the discretion of the Welfare Official.

APPENDIX B

ADOPTED ETHICS RESOLUTION ON RESPONSIBILITY FOR PERSONS WHO CHANGE THEIR RESIDENCE WHILE, OR AS A RESULT OF, APPLYING FOR LOCAL WELFARE

(New Hampshire Local Welfare Administrators' Association)

- I. "Dumping" is hereby declared to be an unethical practice. For purposes of this resolution, "dumping" consists of attempting to end, or avoid acquiring, a local welfare financial responsibility by encouraging, persuading or pressuring a client:
 - A. Not to establish, or to discontinue, a residence in the town which he/she has applied for assistance, or
 - B. To establish a residence in another town.

- II. In order to avoid "dumping" the following standards should be observed:
 - A. A welfare administrator should not encourage, direct, or knowingly allow a client who has applied for assistance in his/her town to apply for assistance in another town without making a good faith effort to contact the welfare administrator in that other town to explain why the person is coming to the other town. This applies whether or not the welfare administrator has accepted initial financial responsibility for the person (i.e. treat him/her as a resident) unless:
 - i. He/she has an established place of abode (specific address, place to sleep) in another town which he/she intends to return to, even for just one night (i.e., hasn't moved out of yet), or
 - ii. He/she has NO established place of abode ANYWHERE, (i.e., any prior specific address was in some other town and has been abandoned) AND has a specific intent to go somewhere else rather than staying in the town for any time.
 - B. Even when an applicant falls into i or ii above, some temporary, non-resident assistance may be necessary, depending on the circumstances, in order to send the person on his/her way.

- III. Where a town has accepted initial financial responsibility under paragraph II above, the welfare administrator should not grant any assistance which he/she knows will be used so as to help establish the recipient's residence in another town, unless:
 - A. A good faith effort is made to explore local resources, after which it is discovered that none within reason is available, or
 - B. The client has indicated a need or intent to move to another town for some non-welfare related reason.
 - C. An assessment of financial sustainability for proposed first month's rental assistance into new housing has been completed by the municipality of origin.

- IV. In either case the welfare administrator who has accepted initial financial responsibility should contact the official of the other town and offer to pay up to one month's assistance following the move if necessary. Town must avoid "special" treatment. If a town never pays security deposits, the town must not pay security deposits in special instances to establish a client's residence elsewhere. The sending town should pay actual allowable shelter costs as determined by the receiving town's guidelines.

- V. Shelter Residency: According to RSA 126-A:30, persons receiving short-term emergency housing (e.g. shelter or motel) shall continue to maintain their legal residence in the municipality of origin, for local welfare purposes, as it existed at the time of entering the emergency housing facility.

- A. A person that leaves the emergency shelter of their own free will and remains in a situation of homelessness, or is exited from emergency housing for non-compliance or policy violation, for local welfare purposes, remains a resident of the municipality of origin for thirty (30) days.
 - B. A person does not gain or lose residency while in emergency housing, hospital, or treatment program center until such time said person has acquired more permanent residence (i.e. apartment).
 - C. A person assisted by a municipality, or other assistance providers, with emergency housing assistance in a motel in another municipality, who then self pays for a consecutive thirty (30) days without municipal or other provider assistance should, for local welfare purposes, transition residency to the new municipality.
 - D. Temporary urgent assistance may need to be provided to meet basic needs of transient individuals or residents of other municipalities. Municipalities should communicate and coordinate assistance options with each other, including reimbursements from municipalities of origin (RSA 165:20-a), when it is determined unreasonable for the person to physically return to the municipality of origin due to transportation, timing of need for assistance or residency is unclear.
- VI. Persons who are sanctioned by local welfare and arrive in another community are not the liability of the community where the sanction originated. However, arrangements may be made between the two communities to have the sanction resolved.

APPENDIX C

EXPLANATION FOR DISQUALIFICATION FOR NONCOMPLIANCE WITH GUIDELINES

NH RSA165:1-B

The following is written to help explain and standardize the process of “Disqualification for Noncompliance with Guidelines,” RSA 165:1-b. Please refer to **FORM L - NOTICE OF DECISION** which may be used by your local welfare office.

Once you determine that an applicant is eligible and you provide assistance, you can impose conditions on the person’s continued receipt of assistance. The conditions may require the recipient to comply with written guidelines relating to:

- 1) Disclosure of income and resources,
- 2) Participation in a work program,
- 3) Conducting an adequate work search, and/or
- 4) Applying for public assistance through other agencies as outlined in the Model Guidelines.

Willful failure to comply with the conditions imposed can lead to the suspension of a recipient’s assistance, but there is a process which must be followed. Prior to suspension, a recipient must be given written notice from the local welfare office of the specific actions which must be taken and the recipient must be given at least seven (7) days in which to comply prior to suspension. There can be no exception.

The **Notice of Decision** form may be used to grant an assistance application and *simultaneously* give notice of the conditions imposed on the recipient’s continued receipt of assistance. The **Notice of Decision** form may also be used to give notice of the conditions that must be complied with, if that notice was not given at the time assistance was granted or if the conditions to be complied with have changed.

If a recipient does not comply with the conditions in the time period allowed, he/she can be “sanctioned” and his/her assistance suspended. How long the suspension lasts depends on whether there have been other suspensions within the previous 6 months and whether there are actions the recipient can take to come into compliance. A written decision (the **Notice of Decision** form can be used) must be given notifying the recipient of the term of the suspension, the specific reason(s) for the suspension citing the guidelines, any action(s) which must be taken to come back into compliance, and notice of the right to request a fair hearing within 5 days of receipt of the notice.

If this is a first sanction, assistance may be suspended for seven (7) days. If it is possible for the recipient to take action(s) to come into compliance, then assistance can remain suspended after the seven (7) day period *and until* such time as the recipient takes the action(s) required to come into compliance (e.g. recipient only made 3 work search contacts instead of 10-the recipient must complete 7 more work search contacts; e.g. the recipient failed to apply for food stamps-if the recipient applies within the initial 7 day suspension, then the suspension ends after 7 days, otherwise, the suspension continues until the recipient applies). After the 7-day suspension period, the sanction must be lifted upon compliance with the condition.

If this is the second sanction (or more) for the recipient within a 6-month period, assistance may be suspended for fourteen (14) days. The reason for the sanction need not relate to previous sanctions to extend the suspension period to 14 days. If it is possible for the recipient to take action to come into compliance, then assistance can remain suspended after the 14-day period and until compliance, as described above.

If more than six months elapses between the first and second sanctions, follow the procedures for a first sanction.

All notices of decision telling a recipient that he/she has been suspended must provide an opportunity for the recipient to request a fair hearing. If the recipient timely requests a hearing, the welfare officer must provide the recipient with the option of continuing to receive assistance consistent with any prior eligibility determination until the fair hearing decision is made. If there is a dispute over whether the recipient has taken the actions required to come back into compliance, the recipient must be provided the opportunity for a fair hearing on that issue, but there shall be no assistance provided pending the outcome of that hearing.

The Welfare Officer is not required to accept applications for assistance during a period of suspension.
