 ypoles by the water side next to the meeting house and the
 next adjoining to his former loof Backward this was layd
 out the 8th 7th mo 1655

Whereas at Dooth Appoye by the Quodent of John Skirlford and
 John Goddard that William Williams Singer at a Towne meeting holden
 at John Skirlford house had on hundred akers of land given him
 by the Towne with land lyeth on the north west side of the longe
 marsh with sayd grant was consumed provided it Intendeth
 not appon any former Grant and is layd out and bounded
 according to order by Robert Burman and John Daves
 the 9th 9th mo 1660

Layd out and Boundd unto william willyames singe A bounding
 to A Towne Charter made for the Inhabotants of Chychester
 for the bounding of thear manors John Godde willyam follett
 Thomas footman appointed to laye them out haue layd out six arbores
 or thereabouts of maner unto the about sayd william willyames
 on the north west side of william Dunes his maner a great park
 on the one side and an oke west south west on the other side
 and a small sprang of maner lying on the north west side of
 Mathew Gillos his land at Welles maner

By the select men the 23th 10th mo 1658

Given and Granted unto Job Clement his heirs and assigns
 three Arbores and a half of his land by the four corners side
 Boundd as followeth in two yearles the one year bee belowe the
 highway that goeth from Thomas Gansons house into the wood towards
 Tomsons point bounding on the Eastern side on the four corners
 on the north side on the holow whear the sheep was kill and on
 the western side on the Common on the southern side on a drie throu
 by a highway that goeth to the water side the Bound may appier
 By certaine trees marked with F G the other year shall lyeth
 found in on the western side the aforementioned highway with it now
 this was layd out by william wentworth Raph hall John hall

By the select men the 6th 10th mo 1658

Given and Granted unto Job Clement his heirs and assigns
 forty Arbores of land on the west side of the Park house
 A house the head of the 20 Arbores lot bounding on the East
 South East on a lot layd out to Eldon Nutt at the same time
 and on the west south west on the Common and on the East north
 East on the Common the Bound may appier by the marked trees
 marked with F G with stones layd at the foot of them
 with sayd lot was layd out and Boundd by william wentworth
 Raph hall John hall

Where as it dooth appier by Evidence that At a publicke
 Towne meeting holden in the year 1656 John Dunsinger had
 Given unto him on hundred arbores of land with sayd hundred
 Arbores of land togeth in the tract of land be twaine suballens
 Duns and Quampkegon with sayd land is layd out and boundd
 according to order by william wentworth John hall and
 Raph hall as followeth on the South East on Netherward Duns
 and on the North East on Thomas Beardes lot and on the North West
 on Thomas Droughtons land and on the south west on homer
 Tobutt lot as the Bound dooth appier by the marked trees
 marked with F D

There is a highway to be layd out to you knowe this lot whear
 the Towne Hall see say

May 17 1658

At A publick Towne meeting holden the 10th 9th 1662
 Given and Granted unto Robert Burnum ^{his heirs and assigns} two hundred
 Acres of upland on the north west side of Lamprell River
 in Exchange of 150 acres formerly Granted to him the grant
 it to be next to John Woodmans Land with it layd out and
 bounded as followeth the line running North east and by East
 Ninety foor fode from Lamprell River at a marked tree
 there and from that marked tree by a north west line
 fiftine stoves fode and from that marked tree to the
 River by A south west line and the North bounde
 is the River this layd and bounded a bounding to order
 the 18th 10th month 1663 this is entered in 28

Given and Granted unto Thomas footman his heirs and
 Assignes for ever ^{a bounding to a town and in bounding date 10th 9th mo 62} three stoves acres
 of upland ^{Lamprell River} with a bounding to a town
 Under Basing Date the 10th 9mo 1662 is layd out and
 bounded as followeth that is to say from a marked tree
 that standeth by a highway side that is left betwix
 Robert Burnum his lot and the sayd footmans left
 the North 120 fode north west to a nother marked
 tree and from that tree North east 96 fode to an other
 William follett lots 120 fode to the marked tree where
 it first began this was layd out the 19th 10mo 1663 by
 Robert Burnum and John Daub and forder the said layd
 out to him a bounding to a towne under two Acres of
 marke at the head of the Broad marke with it layd out
 to Antony Nutter with two acres was Excepted in that
 marke layd out to Antony Nutter this layd out by John Godden
 and William follett a bounding to order

Given and granted unto William follett his heirs and Assignes
 A bounding to A Towne Under one hundred acres of upland lying
 near the marke called by the name of Mohermitz marke layd out and
 bounded as followeth from a marked tree next to Thomas footmans
 left running North east one hundred and forty fode to a nother marked
 tree and from that marked tree one hundred and forty fode ^{south east} to a nother
 marked tree and from that tree south west one hundred and forty fode to
 a nother marked tree and from that tree North west where it first
 began layd out by Robert Burnum and Cinsir John Daub the 18th 10mo
 1663

to them and
their heirs and
assignes for
ever

Anthony Nuttall
his heirs and
assignes

Where As in the year 43 there was given and Granted
unto Elder Natholl Nuttall 18 Acres more and fifty acres
of upland neir the Flane that lieth betwixt Lampwell
River fall and Coyter River fall as a point by the grant in
the Old Booke ab Also sixty Acres of upland given
afterward to his soon Anthony Nuttall ajoyning the same into
All with said land and more is layd out and Bounded to
according to the first day of the 10th month 1662 the Bounding are
as followeth that is to say one the North E of the Flane
fifty acres joyning to John Martins land and so over to the
lower end of the more ab it is Bounded and so all the Broad
more at the end of the longer more by septing too
acres at the head of it and with a straight line on the E of
Side of the more ab it is Bounded with sixty Acres of
upland given to Anthony Nuttall joyning to the southwest
side of the more next to his fathers land and so to a
holloer neir the lower end of the most and up that holloer
over to the head of the more ab it is Bounded this is layd
out to our best Judgment to his content be it more or less
the first day of September 1662. J. B. John Godder
John Martin
Thomas footman

By A Towns Order Given and Granted unto Mathias
Tomison his heirs and assignes for ever one hundred Acres of
upland abolone the pond on milde and a halfe downe the River
with is layd out and Bounded as foloweth from A marked tree
a bout or neir a bout the place marked north and by west
140 Rods to a marked tree and from that marked tree
E of and by north 140 Rods to a marked tree and from that marked
tree south and by west 140 Rods to a marked tree and from
thence west and by south 140 Rods this was layd out by
Robert Burnum and John Daves according to order the
17th 10 mo 1663

Layd out for the menistrie at Coyter River All the
longer more with layes joyning too Anthony Nuttalls
more and so towards Coyter River fall this was layd
out by John Godder and William Jellott Thomas footman
According to order

Given Layd out unto James Bunker his heirs and assignes according to
a towns order ten acres of more or there about being of John Martins
and Wholes Chastons more layd out by John Godder and William Jellott
and Thomas footman according to order

Whereas it Dooth Appear by Quodons that William Robour
 at a publick Towne meeting holden in the year 1656
 had Given and Granted unto him and his heirs one hundred
 Acres of upland one the southerly side of the first River near
 the Pond that lieth betwixt Lamprell River and Oyster River
 fall with saide Land is layd out and bounded with Eighty
 Acres of Chlover Count land Given him at the same time
 these two grants being layd out together these bounds are
 as followeth that is to say from a marked tree toward the
 upper end of the Pond that lieth betwixt Lamprell River
 and Oyster River falls one the East side of a meadow and
 Runneth nor north to a marked tree 160 Rods and from that
 marked tree upon the same point to the first ditch which
 about 16 or 20 Rods to the first ditch and soe it Runneth downe
 the first ditch side as near as it can not intrench upon the
 meadow and soe it Runneth by the other ditch that Runneth
 out of the Pond as near as it can not intrenching upon the
 meadow and soe up the ponds side and soe againe to the
 marked tree where it first began not intrenching
 upon the meadow But to leave a sufficient Concomentage
 for the meadow for fencing to their best advantage to them
 with owne the meadow and alse highways to them with
 timber to fence them and to doe other necessaryes belonging to them
 layd out by Robert Burnum and John Daus the 23th 10th month 1663

Whereas it Dooth Appear ^{by Quodons} that Chlover Count at a publick Towne
 meeting holden in the year 1656 had Given and Granted unto him his heirs
 and assignes 80 Acres of upland next William Robour near the ponds
 that lieth betwixt Lamprell River and Oyster River falls with saide
 Land is layd out and bounded together with one hundred acres
 of upland Given at the same time to William Robour the bounds are as
 followeth that is to say from a marked tree toward the upper end of
 the Pond that lieth betwixt Lamprell River and Oyster River
 falls one the East side of a meadow and Runneth nor north
 to a marked tree 160 Rods and from that marked tree
 upon the same point to the first ditch which is about 16 or 20 Rods
 to the first ditch and soe it Runneth downe the first ditch side as near
 as it can not intrenching upon the meadow and soe it Runneth
 by the first ditch that Runneth out of the ponds as near as it can
 not intrenching upon the meadow and soe up the ponds side
 and soe againe to the marked tree where it first began
 not intrenching upon the meadow But to leave a
 sufficient Concomentage for the meadow for fencing to
 their best Advantage to them with owne the meadow
 and alse highways to them with timber to fence them
 and to doe other necessaryes belonging to them this was
 layd out to the use of William Williams Singer to home
 the aforesaid Chlover Count had sold it layd out by
 Robert Burnum and John Daus the 23th 10th month 1663

Given and Granted unto William Willyames Sinyor his
 heires and Assignes A boording too A Towne Under having
 Date the 10th 9th mo 62 on hundred Acker of upland with is
 layd out and bounded with one hundred arbor of upland layd out
 to William Roberts with too lotes or layd out and bounded to gether
 as followeth with is to say At the upper end of the pond that both
 betwixt Campwell River and Byster River falle from a marked
 tree at the upper end of the aforesayd pond as neere as could be
 in regard of the margin there and from that marked tree it Runth
 South west too hundred Rods and fifty Rods to a marked tree by a lotte
 Runne of water and from that marked tree it Runth North west
 one hundred and fifty fower Rods to a nother marked tree with
 is a great white oke and from that tree it Runth North east
 too hundred and fifty Rods to a marked tree and from that marked
 tree it Runth South east to that marked tree where it first began
 This was layd out and bounded by Robert Burman and John Daus
 the 23th 10th mo 1663

Given and Granted unto William Roberts his heires and
 Assignes A boording too A Towne Under having Date the 10th 9th mo
 1662 on hundred arbor of upland layd out with one hundred
 arbor of upland layd out to William Willyames Sinyor with too
 lotes or layd out and bounded to gether as followeth that is to say
 At the upper end of the pond that both betwixt Campwell River
 and Byster River falle from a marked tree at the upper end
 of the aforesayd pond as neere as could be in regard of the margin
 there and from that marked tree it Runth South west too
 hundred and fifty Rod to a marked tree by a lotte Runne of
 water and from that marked tree it Runth North west
 one hundred fifty fower Rod to a nother marked tree with is
 A great white oke and from that tree it Runth North east too
 hundred and fifty Rod to a marked tree and from that marked
 tree it Runth South east to that marked tree where it first
 began this was layd out and bounded by Robert Burman
 and Einsin John Daus the 23th 10th mo 1663

the 31:7 60

Given and Granted unto Joseph Smith his heires and Assignes
 one small parcell of wast land on the north sid of Byster River
 for a house lott provided it An fourth not upon any former Grant
 with sayd land being betwixt the lott of Mathew Willyames
 and the lott of William Willyames Tuner as a point by the Grant

whereas it dooth appear by Evidence that at A Publick Towne meeting
 holden in the year 1656 there was Given and Granted unto John Meador
 and William Sheffield their heires And assignes one hundred and fifty
 Acker of land one the North of land that layeth betwixt the Byster River
 and Byster River layd out and bounded as followeth that is to say on the
 North sid of m^r Vallentine hills land bounding on the South partly on the land
 of Joseph field his land and partly on m^r hills land on the west and
 partly by Einsins John Daus his land and partly the Woman on the North
 and the Woman on the East partly on the Woman and partly on m^r Clements
 and Elder Nuttalls and Thomas Laytons land the bounds may appear
 by the marked trees marked with I M This was layd out and bounded
 by Elder William Duffett West north east North hall John hall Deaton
 the 22th 10 mo 1663

Where as it Doeth appier by Custome that loff Gaphs hall
 at A Publike Towne meeting holden in the year 1596 had given
 and granted vnto him liib hords and fiftieth fine acres of land
 with said fine acres of land it layd out and bounded as followeth
 that is to say it bounded on the south east by a high way and on the
 south west by the Bart River and on the north west by a space of
 land granted to James lord the bounds may appier by certain
 marked trees marked with R.H. this land lieth now vnto
 Thomas Jelliffe his house note if you look bound it on the
 Comen this was layd out and bounded by William Wintworth
 Gaphs hall and John hall Deacon according to order the 2th 1602

By the selectmen in the year 1655

Ordered that whereas there was granted ^{not} vnto Elder
 William Wintworth forty acres of land at the great
 hill at Gorchetoe on the north west side thereof and it did
 appier there was but ten acres thereof it is ordered by us
 the selectmen Thomas Gandy Thomas Layton Gaphs hall
 Robert Johnson that the other thirty acres of land may
 be layd out in some convenient place where he can find it
 if he would it doeth not trench upon any former grant
 this thirty acres of land to lay other at Emorys farms
 or at the fifty acres giuen by the Towne at the
 Great hill

layd out and bounded vnto Elder William Wintworth his heirs
 and assigns the fiftie acres of land which was formerly called
 by the name of Antony Emorys farms with thirty acres of land
 remoued by consent of the selectmen of the Towne in the year
 1655 the bound as followeth that is to say from the north west
 end by Emorys farms in part and partly by ten whit oaks marked with
 W W and on the south side partly by the fifty acres of land belonging to his
 now Inghouse and partly by the Common as appereth by a whit oak neere a
 rocke marked with W W and to rune from thence upon a north line to the
 fresset that comes out of Gorchetoe marke and runeth downe to fresset
 and upon the north side the said fresset to be the bounde and soe to rune to his
 other land on the other side of the fresset layd out and bounded by John hall
 and loff Gaphs hall the 16th 2th months 1664

At the same time layd out and bounded by the aforesaid men vnto
 Elder William Wintworth two lots of marle with neare formerly
 Antony Emorys with said marle land is bounded as followeth
 first from a tree marked with W W at the north end with trees
 is the south west bounde of his six stoor acres of land beyond the
 marle and from thence runes upon a south line by a taule pine
 trees with it in the Swamp neire the south west end and bounded
 by a whit oak marked with W W at the south west end the
 other parts of this marle is lying to his owne land

At A public Towne meeting holden the 28: 2 164 bound that lott
 Ralph hall and John hall Deaton gave lay out A highway
 from Lamproill ^{face} Kins to the waters side in the great Bay hand about
 to order layd it out as followeth that is to say from the fall about sayd
 to the old way goeth to a great hole with a
 tree growing on the top thereof on the left hand of the old way
 going from the said fall to John Goddards new to with to a tree
 marked with H thus betwixt with to see the way is to go straight
 Downe by A lott of ground and over it strait to a nother and over it
 and soe betwixt two trees marked with H like the former two trees and
 soe betwixt a lott of swampe and the rocky hill side that lieth behind
 John Goddards Martins house and soe strait to the laen that lieth behind
 John Goddards fence and John Martins fence of the Towne fields that
 now lieth before thear doore or house to see it cometh to the lower corner
 of John Martins fence next the four mentioned laen and thear to turne
 and goe at the old way goeth at the present to the usall landing place
 to see John Martin make a way from the sayd corner of his fence
 Downe toward the waters side then the way goeth all the way
 the way is to be lower pole with all the way saving betwixt
 the four named fences and to be continued thear soe wide as the
 distance is betwixt the two four mentioned fences John Martin
 to make the way soe as shall be to the Towne content
 belowe his foild before it be Acted

Whereas there was A fence arbor lott Given and granted
 unto Thomas Gobard Junor by the selectmen on the
 West side of Dover Neck in the year 1638 with said lott is
 layd out and bounded as followeth that is to say on the
 on the highway going from the meeting house to James
 house on the southward side on a lott of land that was layd out
 on to Peter Wentworth at the same time and on the west side
 on the Bark Kins and on the Northward side partly on a small
 track and partly on the Common the bound may appear by several
 marked trees marked with R this was layd out by
 William Wentworth Ralph hall John hall Deaton the
 first of July 1664

Layd out and bounded unto Richard Gallow thirty five
 Acres of upland formerly granted him by the Towne to him
 and his heirs with sayd land is layd out and bounded as followeth
 that is to say by the map on the Northwest side of Mitchell
 Brands lott four stox and four pole and from thence upon a
 north and by west line within four pole of the lott at
 pine point four stox pole with all his upland land
 included in to the thirty five acres this land was layd out and
 bounded according to order by Henry Lankster and
 William Jucker the 10 to 12 mo 1664

Layd out and bounded unto how Donn ~~the~~ Arthur of
 bpland to him and his heirs and assigns that is to say ten Arbers
 for a house lode up lampill River below the lower falls the
 bounds are as followeth at a marked tree a base his house
 by the River side a gainst a Great Rock in the sayd River
 and from the River it runneth forty rods to a marked tree
 and from that marked tree it runneth East South East forty
 rods to a nother marked tree and soe down a lottell Runn
 of water to the River side and soe up the River to his first
 bound this lot was layd out and bounded by Eiusin John Deane
 and Robert Brown the 18th 5th mo 1664

All soe layd out and bounded unto the Aboue sayd how
 Donn at the same time like aforesayd mon twenty arbers
 of land at a place called Gandy Banks up lampill River
 bounded as followeth that is to say first at a marked tree
 by the River side at a Dix Colly and runneth from the
 Rivers side East and 230 South fifty seven rods to a marked
 tree and from that marked tree South and 60 East fifty one
 rods to a nother marked tree and from that marked tree
 a Gain to the River west and 60 South

At A y^e Publicke Towne Meeting holden
 in the year 1658 Given and Granted unto for a planting lott
 Capt Waller Barfoot Six arbers of upland next to
 John Roberts his lott provided there be a high way
 left betwixt the lottes with sayd lott is bounded
 as followeth that is to say bounding on the South side
 upon a high way that goeth from the high way that goeth
 from Dover Neck towards Gocherhad the Parks River on the
 west end upon the high way that goeth from the Galls paper
 towards James Nevils house on the north side upon the
 Common the East side upon the higher Gocherhad high way
 the bounds set out by Sartins Stumps of trees marked with
 W.D this lott was layd out by Elder William Wentworth
 left Raph hall John hall Deaton

By the Sealleckmon the 11th 11th mo 1658

Given and Granted unto Thomas Hansoninger his heirs and
 assigns on hundred Arbers of land Aferent to Raphs Tramblyes
 hundred arbers of land near the saman fall layd out and bounded
 as followeth that is to say at the North west End of Joseph Astins
 and Thomas Canoyes hundred arbers lott near to Raphs Tramblyes
 hundred arber lott near the saman fall bounded on the North east
 by a highway that is betwixt Raphs Tramblyes lott and it
 and on the Northwest by Job Clements his land and on the southeast
 by Tommas Jobbet his land and on the South east partly by
 Thomas Gandy his lott and partly by Joseph Astins his lott
 this bound set by Sartins marked trees marked with T.H
 layd out and bounded by Elder William Wentworth left Raph hall
 and John hall Deaton

Whereas in the year 1654 the said was two hundred
 Acres of upland Given and Granted unto M^r Ambros Gibbons
 his heirs and assigns next a part to his house from the back between
 his house to the next back next ward all with said grant is layd out
 and bounded on to Robert Burnum his bought the possession of
 Henry Sherburne the Demotions and Bounds are as followeth
 that is to say from the head of the back now William Wittmans
 house South southe west line three hundred eighty eight Podes long
 and it lieth from Vincimar Mathews his lots South so west the breadth
 of this lots at the head is one hundred Podes and the same breadth at
 the lower end this sett was layd out and bounded
 By Cism John Daves and William Willyams sinner the
 9th 9th mo 1661.

By the select men the 15th 12 mo 1658

Whereas Thomas Gandy sinner had a Grants of fifty acres
 of land at first back and thirty acres of land at Gorthochas
 it is Remond on to the North west side of Gorthochas
 first mark all these two grants are layd out and bounded
 to him and his heirs and assigns as followeth that is to say on the
 North west side of Gorthochas first mark bounding on the
 East partly on Elder William Wentworths land partly on
 Girhard Gads his land on the South on a small parcell
 of land that lieth betwixt it and Gorthochas first mark
 and on the west bounding on Nathamoll Starburys land
 and on the north on Joseph Astins land the bound
 may apper by certain marked trees marked with
 R. O this was layd out and bounded as left
 Raph: hall and John hall Deacon the 16th may 1666

Whereas it did apper by Evident that Thomas Board had
 Given him in the year 1656 at a publick meeting sixty
 Acres of land with said land is layd out as followeth that
 is to say on the South west by Bellomist Parks first sett
 and on the North west by Thomas Nott his land and on
 the North East by the Roman and on the South west by the Roman
 the bound are by certain marked trees marked with T B
 layd out By Elder William Wentworth left Raph: hall John hall Deacon
 in the 11th mo in the year 1659 and at the same time layd out
 to the aforesaid Thomas Board Sixty acres of land
 Given and Granted on to him by the select men in a publick
 meeting in the year 1656 with said land is layd out and
 bounded as followeth that is to say on the North west by M^r
 Broughtons his land and on the North west by M^r Broughtons
 former grant land and on the South west by John Daves land and on the
 South East by Northmanis Kinder all with bound will
 apper by the marked trees marked with T B
 layd out By Will Wentworth Raph: hall John hall Deacon

not intended
 as a part
 former Grant

By the select
 men

not intended
 as a part
 former grant

At A Publick Towne Meeting holden in the year 1656
 Given and Granted unto Tododias Andrews three score
 Acres of land to him and his heirs and assigns above told and
 with said land is layd out and bounded as followeth
 that is to say on the north est by the Woman and on the
 south est by John hillton sixty acres of land on the south
 west by Gocherhas kinders foyest and on the north west
 by Thomas Downes his fifty acres of land all with
 bounds may appear by the marked trees marked with
 F:A this was layd out by Eldon William Wintworth left
 Raphs hall and Deacon John hall in the year 59

Whereas it dooth appear by Evidence that in the year 1656
 at A Publick Towne Meeting Thomas footman had
 Given and Granted unto him and his heirs and assigns
 on hundred Acres of land lying at the head of Mill Pond
 hundred acres on the North west side of the swamps
 with said land is layd out and bounded as followeth
 Beginninge at a bound marked tree of John Birkfords
 hundred acres and from thence upon a south south west line
 124 Rod to a marked tree and from that tree west south
 west 140 Rod to a marked tree and from that marked tree
 Est North Est to John Birkfords lot a gaine this lot
 lieth adjoining to the swamps called Mr Killes Swamp at the
 forder side of the swamps this lot was layd out according
 to order by Robert Burnum and Cousin John Daves
 in the year 1664

Whereas It dooth Appear by Evidence that in the year 1656 at
 A Publick Towne Meeting Richard Yorks had given and granted
 unto him and his heirs and Assignes on hundred acres of land
 by Lampwill kinders side next to John Martin with said land
 is bounded as followeth that is to say by Lampwill kinders side
 North west 90 Rod and from the marked tree between John Martin
 and Richard Yorks 200 Rod south west and 60 Rod and the
 head line 96 Rod Nor west or 60 Nor and from that marked tree
 to the kinders a gaine 200 Rod south west and 60 Rod west
 this lot was layd out and bounded by Robert Burnum and
 Cousin John Daves the 11th 11th month 60

Given and Granted unto Joseph Affin his heirs and assigns
and assigned by the selectmen in the year 1652 thirty Acres of land on
the north west side of Lottell Johns Cricks all with Grant is layd
out and bounded unto humfry bounds as folloth that is to say
from the Cricks mouth on the north west side thear of bounding on the
south south East partly on Lottell Johns Cricks maine and partly on Lottell
Johns Cricks that is to say so far as the maine Cricks wands
from the Cricks mouth bounding on the maine and beyond a ~~line~~
above the maine it borders on the Cricks on the south south west
on the Great River and on the north west on the Goman and on
the north east on the Goman all four mentioned grounds may appear
by certain marked trees marked with H:V all so thear is a sufficient
high way throug this lot to pass by twines Doubr North and
Gochohad this lot was layd out by Elder William Wentworth
and Deacon John hall

By the selectmen in the year 1655

Given and granted unto humfry Hobbs four Acres of land for
a planting lot on the East side of Lottell Johns hill bounded
as folloth that is to say bounding on the south on M: Raynolds
land and on the East on the highway that Crock from Thomas
Roberts his house that goeth north ward to wands Tomsons point
and on the north on the Goman and on the west on the Goman
the bound as set by certain marked trees marked with H: H
layd out by William Wentworth Paphs hall John hall the
17th 4th mo 1668 this lot removed to wands Peter Johns Crick
by the selectmen the 20th 9th mo 1677

Whereas it Dooth Appear by Evidence that in the year 1656
at a publick Towne meeting John Kirkford singer had Given and Granted
unto him and his heirs and assigns on hundred Acres of upland near
Ariatand to Thomas footman 100 Acres on the north west side of the swamps
sometimes called M: hills swamps with sayd land is layd out and bounded
as folloth it begins at a marked tree next to Thomas footmans lot
and runneth a long by his lot 140 Rod north south west to a nother
marked tree and from thence it runs north north west 140 Rod to
A nother marked tree East north East 40 Rod and from that tree it
runs south south East to the tree where it first began this lot was layd
out and bounded according to order by Robert Burnum and
Cousins John Daves in the year 1663

Whereas it Dooth appear by Evidence that in the year 1656
Charles Adams at a publick Towne meeting had Given and
Granted unto him and his heirs and assigns one herts of of land
laying on the south side of Bransons Crick bounded from the
westward Brants apon a south line to the Great Crays
layd out by John Kirkford and Thomas footman who
was appointed to lay it out

Whereas there was a lot of land given and granted
 unto Thomas Pinder and layd out unto him as will appear
 by his record in the Towne booke with sayd lot was ten
 Acres and sold unto John Hill by John Birkford s^r
 and A s^rrent firm layd out and bounded as followeth
 the head line begining at A yew tree by Bransford's Brick
 and Runn south west 29 or 30 Rods along George webbs lot
 to the Towne Tree and from the yew tree Down
 the Brick 40 Rods East South East to A little Cut by the
 Brick and from that Cut it Runn south west 37 Rods
 to a little yew tree marked and from that tree
 it Runn west north west 60 Rods to a marked tree
 and from that tree it Runn to the upper corner of
 George webbs lot this lot was layd out and bounded
 by Robert Burman and Euseb John Daus the 26
 of February 1668
