

City of Dover CDBG Program

FY27 Action Plan - Proposed

Section 1

CDBG Program Description

CDBG PROGRAM DESCRIPTION

The City of Dover is designated as a CDBG Entitlement Community by HUD. This means that each year, the City receives funds directly from HUD rather than having to apply to the State for CDBG funds.

These funds may only be used to address one of HUD's three National Objectives:

1. Benefit low and moderate income persons.
2. Prevent or eliminate blight.
3. Meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available to meet such needs.

The City of Dover has traditionally used CDBG funding to address the first National Objective listed above.

CONSOLIDATED PLAN

The Consolidated Plan serves as a strategic plan for addressing issues such as of homelessness, housing, public services, community and development needs and expanding economic opportunities for very low, low and moderate income persons within the community. The FY26-FY30 Consolidated Plan includes the Goals provided below. Funded activities must meet one at least one of the Goals.

DOVER CONSOLIDATED PLAN GOALS: FY26-FY30

- Goal #1: Access to Services
- Goal #2: Barrier Removal and Transportation
- Goal #3: Affordable Housing
- Goal #4: Public Improvements
- Goal #5: Economic Development

ACTION PLAN

To implement the Consolidated Plan, the community must annually adopt an Action Plan that identifies activities and projects that the community has decided to fund with CDBG funds. The Action Plan serves as a means to assure that the Goals and Objectives of the Consolidated Plan are being addressed. As part of the Action Plan process, citizens must be allowed an opportunity to provide comments on the Plan during the review process and after it has been approved by the City. After approval by the City, and a subsequent 30-day public comment period, the Action Plan must be sent to HUD for their review and approval.

This is the second Action Plan of the FY26-FY30 Consolidated Plan.

ELIGIBLE ACTIVITIES

Examples of eligible activities include:

Acquisition: Acquisition of real property for any public purpose.

Activity Delivery Costs (ADC): Separate from general administration and planning activities, these are costs associated with administering specific grant awards. These costs include activities such as contract provision monitoring, Davis Bacon related activities and performing environmental reviews for each recipient.

Administration and Planning: Payment of administrative costs and carrying charges related to the general planning and execution of Community Development program. The amount shall not exceed 20 percent of the grant plus 20 percent of the current year's estimated program income.

Clearance and Remediation Activities: Clearance, demolition, and removal of buildings and improvements.

Disposition: Disposition of real property acquired with CDBG funds.

Economic Development: Activities include direct economic development assistance to for-profit entities and job training programs.

Housing Rehabilitation: Single family, multi-family, low income public housing or other publicly owned residential buildings.

Loss of Rental Income: Payments to owners for losses of rental income during relocation of individuals or families displaced by Community Development program activities.

Planning: Planning activities, data gathering, studies and analysis.

Public Facilities and Improvements: Acquisition, construction, reconstruction, rehabilitation or installation of public facilities and improvements.

Public Services. Provision of public services including labor, supplies, and materials. The amount shall not exceed 15 percent of the grant plus 15 percent of program income from the previous year.

AVAILABLE FUNDING

Overview

FUNDING POOL

The City of Dover calculates the total FY27 Action Plan funding pool based upon the following factors:

1. <u>Anticipated</u> FY27 Annual Allocation from HUD:	\$320,000.00
2. <u>Anticipated</u> FY27 Program Income available for FY27 AP:	\$11,800.00
3. <u>Anticipated</u> FY26 Program Income available for FY27 AP:	\$11,800.00

Based upon items 1, 2 & 3 above, the total anticipated funding pool for the FY27 Action Plan is **\$343,600.00**

FUNDING CATEGORIES

All funded activities fall into one of four categories:

1. Public Services
2. Public Facilities
3. Economic Development
4. Administration (*General Administration & Planning; Activity Administration*)

HUD MANDATED FUNDING FORMULAS

Public Services: The maximum amount of funding that can be allocated for all Public Services equals fifteen percent of the *actual* FY27 grant amount plus fifteen percent of the *actual* FY26 program income: **\$49,770.00**

General Administration & Planning: The maximum amount of funding that can be allocated for General Administration & Planning equals twenty percent of the *actual* FY27 grant amount plus twenty percent of the *actual* FY27 program income: **\$66,360.00**

Note: There are no HUD mandated funding formulas/caps for Public Facilities, Economic Development or Activity Administration

PROPOSED FUNDING BY CATEGORY

Public Services: **\$49,400.00**

- Allocations to applicants under the Public Services category include activities such as operating expenses, supplies and rental security deposits.

Public Facilities: **\$217,840.00**

- Funding for construction based activities and projects.

Economic Development: **\$10,000.00**

- Funding for the DELP loan pool and related economic development activities.

Administration: **\$66,360.00**

- General Administration & Planning: \$66,360.00

General Administration of the CDBG program such as updating of the Consolidated Plan; development of the Action Plan; annual performance reporting to HUD (CAPER); quarterly and semi-annual reporting to HUD; training & legal notices.

- Activity Administration: \$0.00

Administrative costs associated with individual Activities. Activity specific costs include contract development & administration, processing requests for reimbursement, site visits, subrecipient monitoring and environmental review.

CONTINGENCY FUNDING FORMULA

In the event that the FY27 Entitlement Grant amount and/or the FY26 or FY27 Program Income amounts are other than as listed above, allocations will be adjusted as follows:

- Public Services:* Public Service allocations will each be adjusted by an equal percentage, to achieve a total Public Service allocation amount that will meet, but not exceed, the 15% Public Services CAP.
- General Administration and Planning:* Allocation will be adjusted to meet, but not exceed, the 20% cap.
- Economic Development:* After adjusting for General Administration and Public Services, the Economic Development allocation will be adjusted as necessary to assure that the total of all FY27 allocations meet, but do not exceed, the total funding pool.
- Public Facilities:* In the event that after adjusting per steps 1-3 above the adjusted total is greater or less than the funding pool, each Public Facilities award shall be adjusted by an equal amount until the total FY27 allocations equal the FY27 funding pool.

NARRATIVE – <i>PUBLIC SERVICE</i> ACTIVITY OR PROGRAM ONLY
Please provide a detailed description for the proposed <u>activity</u> (<i>not the organization</i>). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals.
The Department of Clients Services provides clients-centered Medical Case Management for people living with HIV/AIDS who live in Rockingham and Strafford Counties of New Hampshire. Case managers at ARS provide direct, face-to-face meetings for initial assessments, reassessments and informal 'check-in' meetings, phone support and medical and social referrals as indicated. Within this process, a client's needs and goals are assessed and an individual service plan (ISP) is developed in collaboration with the client to attain their goals. A case manager coordinates this process by providing information, advocacy and referrals linking clients to primary and specialty health care, dental, mental health/substance misuse counseling, Medicaid, Medicare, fuel assistance, SNAP, Section 8 Housing and the AIDS Drug Assistance Program (ADAP) administered by the New Hampshire Department of Health and Human Services CARE program.
CDBG funds will be used to partially cover the salaries and benefits of the Medical Case Managers, program director and financial administrator. The services provided by ARS Client Services Department directly benefit Dover residents, of which 90% are low or very low incomes, receive the medical care necessary for them to maintain their health and obtain viral suppression.

If yes, are the criteria/protocols in writing?: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

NARRATIVE – PUBLIC SERVICE ACTIVITY OR PROGRAM ONLY
Please provide a detailed description for the proposed <i>activity (not the organization)</i>. This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals. The Alliance for Community Transportation and COAST operate TripLink, a regional transportation call center. TripLink provides information and referral services to individuals looking for transportation services. ACT also operates Community Rides. Community Rides provides non-emergency medical transportation to seniors and individuals with disabilities if they do not qualify for another service such as COAST ADA Paratransit. Rides are provided by COAST, Meals on Wheels of Rockingham County, and the Community Action Partnership of Strafford County. In FY25, Community Rides provided 68 rides to 6 Dover residents. In FY24, 76 residents used the TripLink Common Application to apply for services.
ACT is the Regional Coordination Council for Community Transportation for Strafford County (RCC), eastern Rockingham County, Wakefield, and Brookfield. RCC's around the state consist of transportation providers, social service agencies, healthcare providers, and regional planning commissions. They work to improve and expand transportation options for older adults and individuals with disabilities. ACT helped to establish a volunteer driver program serving rural communities and launched TripLink, a coordinated call center. TripLink helps agencies operate more efficiently and professionally, by consolidating call-taking, scheduling, and dispatching services at one agency. TripLink manages these services for COAST, Ready Rides, Rockingham Nutrition & Meals on Wheels, Community Rides, and the Community Action Partnership of Strafford County's senior shuttle.
ACT and TripLink are supported by Federal Transit Administration (FTA) funding, transit agencies, and grant funding. While most of the funding for these programs are provided by the FTA, 20% local match is required to leverage the federal dollars. ACT also requests financial support from philanthropic foundations, hospitals, and others.
This program benefits Dover residents by ensuring seniors and individuals with disabilities have access to a robust transportation network that will allow them to continue living in their community by providing reliable access to health care, grocery shopping, and other essential services. TripLink helps callers to find the services that they need, including COAST's ADA Paratransit, Community Rides, and Strafford CAP's senior shuttle. TripLink also provides advice on how to ride the bus,

as it is often more cost-effective and can be ridden without clients having to call and request a ride. Community Rides provides rides to medical care for those who would otherwise often go without care.

The Common Application allows users to apply for multiple transportation services at the same time. For Dover residents, this means that they will be able to apply for ADA Paratransit, Community Rides, and the CAP senior shuttle at once.

NARRATIVE – PUBLIC FACILITY ACTIVITY OR PROJECT ONLY

Please provide the following information for the proposed project (*not the organization*):

Describe the nature of the project:

Describe how the project will ultimately benefit Dover low/moderate income individuals or Dover presumed benefit populations :

Note: Written estimates, based upon the information provided above, are required and must be submitted with this application. Estimates must be prepared by qualified individuals/companies. Please include three estimates.

PERFORMANCE OUTCOME MEASURES	
Provide the <u>outcomes</u> proposed & the <u>method of measurement</u>. You may list multiple outcomes.	
Outcome	Measurement
Example 1: Decrease in number of “latch-key kids” Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
Seniors and individuals with disabilities can remain living in their communities	Number of rides provided by Community Rides and Strafford CAP, and number of unduplicated clients
Seniors and individuals with disabilities can remain living in their communities	Number of new clients who register for a transportation service
Seniors and individuals with disabilities have access to health care	Number of rides provided to medical facilities and percentage of trip requests fulfilled

DESCRIPTION OF ORGANIZATION
<p>Please provide a description of the organization or agency that is undertaking the activity or project. The Cooperative Alliance for Seacoast Transportation (COAST) is a regional public transit system serving the Seacoast since 1982. COAST is a nonprofit agency governed by a board of directors comprised of the communities served, planning commissions, and local agencies. COAST serves as ACT's Lead Agency and fiscal sponsor.</p> <p>The Alliance for Community Transportation (ACT) is the state-designated Regional Coordination Council for Community Transportation, serving southeastern NH. ACT's mission is to facilitate the implementation of coordinated community transportation and to encourage the development of improved and expanded regional community transportation services. ACT is comprised of transportation providers, regional planning commissions, healthcare providers, social service agencies, and riders.</p>

AUDIT AND EVALUATION
Does your organization have an annual CPA audit or other financial statement? Yes
If yes, please submit most recent audit or financial statements as an attachment to this application.
Is your organization evaluated by outside agencies or programs? Yes
If yes, please note the agency/program and how often the evaluation occurs. The Federal Transit Administration performs a Triennial Review of COAST every 3 years.

ACTIVITY or PROJECT INFORMATION

ACTIVITY OR PROJECT INFORMATION	
Amount of Dover CDBG funds requested for activity/project: \$ 5,000	
Provide a very brief summary of the <i>activity or project</i> for which the funds are requested. Keep responses to one or two sentences (i.e. <i>After School Care for K-4th grade students. Repair of homeless shelter roof.</i>) Community Partners is requesting CDBG funds to provide rental assistance including security deposits, and first month's rent assistance for individuals and families in Dover with mental illness or a developmental disability who are in threat of becoming homeless. This population is low-to-moderate income and often deals with mental illness or developmental disability. The goal of this program is to aid the target population in obtaining and maintaining permanent housing in Dover.	

PROJECT LOCATION
Location(s) where services will be provided or physical improvements will be made. Community Partners main office: 113 Crosby Road, Dover, NH 03820

BENEFICIARIES
Beneficiary type: (e.g. Homeless Individuals, Low-Income Households, etc.) Homeless, disabled or mental health issues, low-to-moderate income households.
Beneficiaries:
For FY 2027 (7/1/2026 – 6/30/2027) please provide the <i>estimated</i> number of unduplicated Dover beneficiaries that will benefit from this CDBG funded activity or project, not necessarily your entire client population (Note: these numbers will be monitored during the funding year): <u>4-6</u>
For FY 2025 (7/1/2024 – 6/30/2025) please provide the number of unduplicated Dover beneficiaries that benefited from this activity or program, not necessarily your entire client population: <u>0 – no funds received</u>
Were Dover CDBG funds awarded to fund this activity or project in FY 2026 (7/1/2025 – 6/30/2026):
If so, how much? <u>No Funds Received</u>

CLIENT POPULATION
Does your organization have criteria/protocols in place that are used to determine when clients will or will not receive assistance for this program or activity?: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
If yes, are the criteria/protocols in writing?: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

NARRATIVE – <u>PUBLIC SERVICE</u> ACTIVITY OR PROGRAM ONLY
Please provide a detailed description for the proposed <u>activity</u> (<i>not the organization</i>). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals. CDBG funds are critical in financing Community Partners' rental assistance services which affect low-to-moderate income households. Funds will be used to assist households in danger of losing housing and those who may need to find new housing. This may take the form of rental assistance, first month's rent and/or security deposits. Funds are needed for those households who may have lost jobs or experienced a health crisis preventing them from paying these bills. The funds will help Dover residents in need to stay in their homes, preventing the homelessness of an individual or a family with children and taking financial pressure off the city's welfare department. Funds may be distributed unevenly throughout the year as they are disbursed as the need arises.
These funds will be administered through Behavioral Health Adult Services and Developmental Services Case Management. The former works with individuals with severe and persistent mental illness who may need assistance in managing their daily lives. Services provided in this program include budgeting and financial management including Representative Payee services if needed; nutrition planning and grocery shopping; vocational services and supports; social skills; supportive counseling; medication monitoring; home care and other life skills; and benefits planning.

Many of the clients in Behavioral Health Adult Services receive assistance with housing-related issues including help with negotiation and communication with landlords, help with arranging seasonal payment plans to offset utility increases during the winter months, or education and guidance on appropriate tenant behavior (such as making timely rent payments and keeping the apartment clean).

The Developmental Services Case Management program works with adults and parents of children with developmental disabilities, helping them to manage and coordinate benefits; residential and day programs and activities; and connecting them to mainstream resources. For individuals living independently, Case Managers will advocate for Community Support Services which assist them with cleaning, shopping, budgeting, and other independent living skills.

All program participants will receive vocational assessments. If employment is a viable option, they will work with vocational staff and Vocational Rehabilitation to find and secure a job. Vocational staff will assist with job development, job placement, and job coaching; and individuals with mental illness will utilize Supported Employment, an evidence-based practice currently in use at community mental health centers throughout the state.

In addition to employment, program participants will be required to apply for benefits. Their case manager will assist them with determining what benefits they are eligible to receive and will facilitate the application process. These resources may include, but are not limited to, Section 8, Fuel Assistance, Social Security Disability, Medicaid, TANF, and food stamps. Community Partners regularly makes coordinated referrals to the Dover Adult Learning Center, Community Action Partnership of Strafford County, and Goodwin Community Health Center, and can make referrals for education, child-care/parenting, and health programs.

The Agency staff has a positive relationship with the area homeless shelters and city welfare offices, and there is open communication regarding clients who may benefit from CDBG funds. The program continues to be a valuable source of financial support for people who need assistance in obtaining permanent housing. When one lacks safe and affordable housing, the experience has a significant impact on their mental and emotional health. Community Partners' Dover CDBG program helps to ensure that a vulnerable population will be at less risk.

Community Partners is grateful for the long-standing CDBG support of its Dover program, dating back to 2003. With CDBG funding, Community Partners has been able to effect great positive change for our homeless consumers and those at risk of homelessness in Dover. Over the past 20 years, our Dover CDBG program has impacted over five hundred individuals, aiding them in securing permanent and affordable housing. We hope that we will be able to continue this important work in FY2025 with CDBG support.

Description of Need: CDBG dollars are critical in financing Community Partners' rental assistance services. Since the end of the pandemic, funding for rental assistance has dropped precipitously and funding for this service has been severely curtailed with a number of private foundations totally stopping any type of rental assistance. The majority of our consumers are in the low to very low-income bracket, and many struggle to find decent, affordable housing for themselves or their family. The need for more affordable housing in Strafford County and Dover, NH is well documented. According to the New Hampshire 2024 Residential Rental Cost Survey Report, rents have increased steadily over the past 10 years. The 2024 statewide median monthly gross rent (including utilities) for 2-bedroom units was \$1,833, a 3.9% increase from last year (\$1,764) and a 36% increase from five years ago (\$1,347 in 2019). To afford the statewide median cost of a typical two-bedroom apartment with utilities, a New Hampshire renter would have to earn 137% of the estimated statewide median income, or over \$70,600 a year. Thus, only 13% of two-bedroom units in New Hampshire are affordable to median income households. Increased rental rates, coupled with only a .06% vacancy rate, have converged to make affordable housing impossible for vulnerable populations in our county. A vacancy rate of 4 to 5% is considered a balanced market for supply and demand. Figures are not available for low to very low-income families.

When affordable housing is not available, many are forced into homelessness. According to the 2024 latest annual New Hampshire Coalition to End Homelessness report, the overall number of homeless people in New Hampshire increased 52.1% from 2022 – 2023, the highest single-year percent rise that NH has experienced in PIT Count numbers in the past five years. Nationally, PIT Count increased 12% for the same time period. This statistic coupled with a decrease in median household income, a loss of private foundation funding, an increase in gross rent and a reduced vacancy rate paints a concerning picture for the homeless of Strafford County.

Even in a better economic climate, the affordability of permanent housing is a constant struggle for the clients served by Community Partners. Most of these individuals are reliant on Social Security Disability benefits as many are unable to work due to their disability. In 2024, the average monthly disability benefit was \$1,537; this is barely enough to keep an individual above the poverty level (Social Security Administration) and not enough to cover even the rent portion of their expenses. Individuals and families who are chronically homeless typically have complex and long-term health conditions, such as

mental illness, substance use disorders, or physical disabilities. Once they become homeless, they may experience longer or repeated episodes of homelessness and have an increased difficulty returning to stable, long-term housing. Per the National Alliance to End Homelessness Report 2025, disabled people are often at a disadvantage when trying to access stable housing — they are paid subminimum wages and benefits, excluded from economic and housing opportunities, and face a high risk of eviction. Often, available housing does not meet their needs. As more people need assistance and elected officials fail to invest enough resources to keep pace with this demand, people experiencing chronic homelessness will increase rapidly. The ever-increasing and staggering costs of an apartment can, oftentimes, exacerbate symptoms of mental illness and lead to further distress for people with disabilities. Providing a specialized funding stream for the populations that Community Partners serves alleviates the burden on City Welfare, leaving those funds for the public, more of whom are finding they need assistance in this current economy.

Community Partners' CDBG program will work to ensure that our Dover consumers are placed in sustainable, long-term housing. Clients will work with Case Managers to establish realistic housing goals, and secure placement in affordable housing utilizing CDBG funded rental assistance, security deposits and/or first month's rental payments to help establish themselves in their new residence. Clients at risk of homelessness will be given the support needed to prevent eviction.

In FY 24 -25, Community Partners assisted Nine (9) Dover households (twenty-eight (28) individuals) with rental assistance totaling over \$8,000. Due to a lack of private foundation funding, that money was pulled from other accounts to keep these people in their homes.

NARRATIVE – PUBLIC FACILITY ACTIVITY OR PROJECT ONLY

Decrease the number of people with mental illness or a disability at risk for homelessness.	Number of people/families helped to retain their homes

DESCRIPTION OF ORGANIZATION
<p>Please provide a description of the <u>organization or agency</u> that is undertaking the activity or project.</p> <p>Community Partners has been in operation since September of 1982 as the Area Agency for Developmental Services in Strafford County. In 2001, we were also designated by the State of New Hampshire as the Community Health Center; and the ServiceLink location for Strafford County. In 2018 we began providing case management for the Choices for Independence waiver program and in 2025 brought on board Southeastern NH Services, providing substance use services to Strafford County.</p> <p>The organization is overseen by the Board of Directors and executive officers with directors and managers in each department. The agency has currently updated the five-year strategic plan with the intention of increasing the efficient delivery and quality of its programming. This agency-wide examination has already proven to be valuable in developing innovative programming for our clients and their families.</p> <p>Our mission is to connect our clients and their families to the opportunities and possibilities for full participation in their communities. This feeds our vision to serve those who experience emotional distress, mental illnesses, substance use disorders, developmental disabilities, chronic health needs, acquired brain disorder, as well as those in need of information and referral to access long term supports and services. We strive to be an organization that consistently delivers outstanding services and supports that are person-focused and dedicated to full participation in communities. We take leadership roles in educating our community network, families, and the public to reduce stigma and to increase self-determination and personal empowerment. We are committed to evidence-based and outcome-driven practices and invest in our staff to further professional development and foster an environment of innovation. Currently under a grant provided by SAMHSA and other funders, we have trained over a thousand community members (mostly in Dover and Dover schools) in Mental Health Awareness.</p> <p>Behavioral Health Services include 24/7 crisis intervention services, group, individual and family therapy, youth and family services, community support programs for people with severe and persistent illness, psychiatry, and medication monitoring. Developmental Services include case management; adult residential and day programs; community support services; and family support, including respite and transition planning, vocational supports, and nursing. Family Centered Early Supports and Services are also available for children from birth to age three with a developmental disability or delay and their families. The Partners in Health program is available for children with chronic health conditions.</p> <p>Community Partners served over 3,600 non-duplicated individuals and families in Fiscal Year 2024; of this total, 857 (23%) were Dover residents.</p>

AUDIT AND EVALUATION

Does your organization have an annual CPA audit or other financial statement? Yes

If yes, please submit most recent audit or financial statements as an attachment to this application.

Is your organization evaluated by outside agencies or programs? Yes

If yes, please note the agency/program and how often the evaluation occurs. Community Partners is evaluated by the New Hampshire Bureau of Behavioral Health through quarterly billing reports, annual work plan submission, contractual outcomes, and a formal re-approval process every five years; last completed and approved August 2021. The New Hampshire Bureau of Developmental Services requires monthly billing and attendance reports, strategic plan submission, and a formal re-designation process. In the past, this process occurred every five years, but it has recently shifted to an annual procedure. We are also required to achieve client outcomes for each funded program.

All services are provided on a space-available basis. Emergency shelter is available to anyone without a safe alternative place to stay, and without the means to rent suitable shelter. Individuals with felony convictions for arson and or sex offenses are Not eligible for services. All adult individuals must be able to independently manage their activities of daily living, including eating, dressing, getting out of bed or chair, showering, using the toilet and any other personal hygiene requirements. Staff may limit the stay of person(s) from outside New Hampshire and southern York County, Maine. For anyone that does not meet eligibility requirements, Staff will assist with referrals to both public and community resources to make arrangements to secure other shelter or appropriate services as deemed necessary.	

NARRATIVE – <u>PUBLIC SERVICE</u> ACTIVITY OR PROGRAM ONLY	
Please provide a detailed description for the proposed activity (<i>not the organization</i>). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals.	
Cross Roads House is seeking funding to support the delivery of our emergency and transitional shelter programs. This is accomplished in part by the Direct Care Staff who work 24/7/365 at our shelter in conjunction with our Social Work Team. Cross Roads House is funded by a patchwork of public and private sources, and other funds come from a variety of fundraising activities. Roughly 15% of our revenue is from federal funding, that is received from HUD, EFSP, USDA and CDBG. The State of NH provides funding through the StateGrant-in-Aid, and municipalities in the region make annual grants through town warrant appropriations totaling 15% of our annual revenue. Fundraising events, private grants, and donations from individuals, businesses, foundations, and civic groups cover the remaining 70% of our costs. Given the substantial amount that we need to raise through private fundraising efforts, CDBG funds from the City of Dover (and other cities) remain a critical source of revenue.	
Magnitude of Need: Last year we provided 35,731 bed nights of shelter to 409 people, including 36 families with 20 children. Among those, 43 were residents of Dover who stayed for 4,367 bed nights.	
Dover's low-moderate income individuals will benefit from CDBG funds granted to Cross Roads House through the	

availability of the programs described below. If shelter beds were not available to meet the needs of Dover's unhoused residents, the City Welfare office would need to place them in motel rooms. While this can serve as a temporary housing solution, it can be very expensive for the town. Additionally, motels typically do not receive the multitude of supportive services and assistance in finding permanent housing that is offered at Cross Roads House.

The overall goals of our programs are to provide emergency and transitional shelter for the unhoused with case management to move them toward permanent housing. We also strive to have our residents learn to make choices to lessen the likelihood of them becoming homeless in the future. Our Emergency Shelter program is accessible 24 hours per day, seven days a week. Residents are provided with a place to sleep and store their belongings; access a phone, laundry facilities, etc. Each resident has a comprehensive needs assessment performed by a case manager. This assessment focuses on basic survival needs first and then addresses long-range goals. Topics covered in the assessment include:

- Housing and Employment History
- Safety Net Benefits
- Legal History and Outstanding Problems
- Sources of Income
- Educational and Employment Goals
- Personal Support Network
- Children's Health, Education, and Emotional Needs
- Substance Use Disorders, Mental Illness, or Health Problems

Anyone residing in our Emergency Shelter who is actively working with their case manager on their housing goals and is living drug and alcohol free is eligible to apply to our Transitional Shelter Program, or Phase II. Participants in the Transitional Shelter Program stay in more private quarters, which allows for varied work schedules and personal meal preparation. The staff helps individuals and families to identify the patterns and choices which may have contributed to their becoming unhoused, assists in identifying their strengths, and provides guidance to make choices to enhance their well-being. After completing the Transitional Shelter Program, most who have fully participated feel ready to return to independent living in the community.

Case management is provided for all residents by our Social Work Team. Supervised by our Program Director, this team is made of a Master's Level Social Worker, three shelter Case Managers, three Post Shelter Case Managers, one Housing Liaison, and UNH graduate and undergraduate interns. They work closely with Direct Services and other providers to help our residents move to safe, decent, and permanent housing in the most timely and successful way possible. The approach for each resident is customized. The goals, supportive services, and housing targets are based upon the resident's skills, needs, assets, and preferences. Our team uses clinical expertise and experience to create effective, collaborative, and individualized action plans to meet each individual or family where they are.

DESCRIPTION OF ORGANIZATION
Please provide a description of the <u>organization or agency</u> that is undertaking the activity or project. Cross Roads House is a transitional shelter helping individuals and families find and maintain permanent housing in the Seacoast region.

AUDIT AND EVALUATION
Does your organization have an annual CPA audit or other financial statement? Yes
If yes, please submit most recent audit or financial statements as an attachment to this application.
Is your organization evaluated by outside agencies or programs? Yes
If yes, please note the agency/program and how often the evaluation occurs. The State of New Hampshire, through the Bureau of Housing Supports (BHS), audits our program for regulatory and financial compliance. The United Way of the Greater Seacoast conducts organizational and financial reviews during each grant cycle. During funding renewal years, the United Way also conducts site visits. Also, the Planning Departments of the cities of Dover, Rochester, and Portsmouth perform annual reviews for CDBG funds.

ACTIVITY or PROJECT INFORMATION

ACTIVITY OR PROJECT INFORMATION
Amount of Dover CDBG funds requested for activity/project: \$ 5000
Provide a very brief summary of the <u>activity or project</u> for which the funds are requested. Keep responses to one or two sentences (i.e. After School Care for K-4th grade students. Repair of homeless shelter roof.)
Funds will be used to help operate a regional HiSET testing site where youth and adults without a high school diploma can take a high school equivalency exams and earn a high school equivalency certificate from the state of New Hampshire.

PROJECT LOCATION

Location(s) where services will be provided or physical improvements will be made. 61 Locust St. Dover NH

BENEFICIARIES

Beneficiary type: (e.g. Homeless Individuals, Low-Income Households, etc.) Undereducated youth and adults, low-income households, unemployed individuals.

Beneficiaries: Dover residents, youth and adults who have not completed high school.

For FY 2027 (7/1/2026 – 6/30/2027) please provide the estimated number of unduplicated Dover beneficiaries that will benefit from this CDBG funded activity or project, not necessarily your entire client population (Note: these numbers will be monitored during the funding year): 50

For FY 2025 (7/1/2024 – 6/30/2025) please provide the number of unduplicated Dover beneficiaries that benefited from this activity or program, not necessarily your entire client population: 50

Were Dover CDBG funds awarded to fund this activity or project in FY 2026 (7/1/2025 – 6/30/2026): No

If so, how much?

CLIENT POPULATION

Does your organization have criteria/protocols in place that are used to determine when clients will or will not receive assistance for this program or activity?: Yes No If yes, are the criteria/protocols in writing?:
 Yes No

NARRATIVE – PUBLIC SERVICE ACTIVITY OR PROGRAM ONLY

Please provide a detailed description for the proposed activity (*not the organization*). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals.

In FY 2025, 117 HiSET subtests were administered to Rochester residents to 36 unique individuals. Fifteen of them passed all 5 tests, earning a New Hampshire High School Equivalency certificate.

High school completion is the baseline credential required for successful advancement to higher education, training and employment. More high school graduates in a community mean less demand for social support services, a lower unemployment rate, more engaged citizens and better educational outcomes for children of high school graduates.

Dover Adult Learning Center of Strafford County operates the only HiSET testing site in Strafford County. Having a test site within a reasonable distance and co-located within the adult learning center is beneficial because access to testing is increased and familiarity with the location means test takers are more comfortable, creating better outcomes. HiSET testing is offered several times a month onsite in Rochester and in Dover weekdays, evenings, and Saturdays.

In FY 2025, 238 HiSET subtests were administered to Dover residents to, 50 unique individuals. Fourteen of them passed all 5 tests, earning a New Hampshire High School Equivalency certificate.

CDBG funds will be used to pay for operating expenses, administration and tech support for a regional HiSET testing site as well as the wages of a HiSET test administrator.

The funds are needed now because this year, the NH state legislature eliminated nearly all funding for the statewide adult high school program making the need for alternative sources of funding critical. The loss of grant funding has had a profoundly negative impact on DALC's financial security. Additionally, HiSET testing is offered by contract with the test publisher (PSI) to authorized testing sites (DALC). The per test rate paid to the test site is determined by the publisher, is non-negotiable and does not cover the full costs of running a test site. CDBG funds will help to fill the gap.

NARRATIVE – PUBLIC FACILITY ACTIVITY OR PROJECT ONLY

Please provide the following information for the proposed project (not the organization):

Describe the nature of the project:

Describe how the project will ultimately benefit Dover low/moderate income individuals or Dover presumed benefit populations :

Proposed project starting date:

Proposed project completion date:

Provide a total project cost broken down by major phases of the project (purchase property, clearing & grading, foundation, building construction, etc.):

Note: Written estimates, based upon the information provided above, are required and must be submitted with this application. Estimates must be prepared by qualified individuals/companies. Please include three estimates.

PERFORMANCE OUTCOME MEASURES

Provide the outcomes proposed & the method of measurement. You may list multiple outcomes.

Outcome	Measurement
Example 1: Decrease in number of “latch-key kids” Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
Increase in high school attainment	20 Dover residents will earn a high school equivalency certificate.
Decrease in the high school dropout rate	10 in Dover youth will finish high school with DALCSC
Progress toward high school completion	50 Dover residents will take at least one HiSET test

DESCRIPTION OF ORGANIZATION

Please provide a description of the organization or agency that is undertaking the activity or project.

Dover Adult Learning Center of Strafford County (DALCSC) is one of the largest adult learning centers in New Hampshire. It is a comprehensive, full service, regional adult education program with literacy classes, high school equivalency preparation and testing, adult high school diploma, corporate and computer training, and adult post-secondary transitions services. DALCSC is a pioneer and leader in the state for teacher training, piloting new initiatives and implementing innovative programming. Its mission is to help all who seek to learn, youth and adults, to enhance their skills and improve their lives through basic education, job training, high school completion, and transition into college, training and careers. In DALCSC programs, adults and youth build self-confidence, find opportunity, and move toward economic self-sufficiency.

Our philosophy is to:

1. Treat participants with respect; we value their opinions and take their personal goals, experiences, and needs into account.
2. Individualize instruction, building on participants' strengths and prior learning, as well as helping them advance their educational skills.
3. Remove barriers to participation by providing an accepting atmosphere and offering a variety of learning options, flexible schedules, free or affordable classes, and support services such as childcare.
4. Seek the development of each participant to their fullest potential, designing educational experiences to maximize each person's independence and to empower them to carry out their personal, family, and community responsibilities and to become as economically independent as possible.
5. Emphasize opportunities for the least educated adults, removing barriers to participation to the greatest extent possible.

DALCSC provides classes in Dover, Rochester, and at the Strafford County Department of Corrections. Students in every Strafford County community have access to trained volunteer tutors. We see approximately 2,500 enrollments across all programs annually. As a high school equivalency testing center and adult high school diploma program, we graduate 90-125 people each year

AUDIT AND EVALUATION

Does your organization have an annual CPA audit or other financial statement? Yes

If yes, please submit most recent audit or financial statements as an attachment to this application.

Is your organization evaluated by outside agencies or programs? Yes

If yes, please note the agency/program and how often the evaluation occurs. The Office of Adult Education, NH DOE conducts a quarterly reviews and an annual evaluation.

NARRATIVE—*PUBLIC SERVICE ACTIVITY OR PROGRAM ONLY*

Please provide a detailed description for the proposed activity (*not the organization*). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals. To provide safe and permanent housing to those clients that are unhoused and to assist clients who are unstably housed to procure stable, safe and permanent housing. Being able to provide Security Deposits will allow families and individuals without financial resources to move into secure permanent housing rather than staying in emergency shelters or in unsafe or “doubled up” housing situations.. First month rent and security deposit are all too often beyond client’s ability to afford.

Decrease in the number of people living in temporary emergency shelters or "doubled up" in overcrowded situations because they cannot afford both first months rent and Security Deposits.	Number of emergency shelter spaces that open up and shorter shelter stays that allow the shelter wait list times to be shorter.
Decrease number of people living in cars, motels and unsafe locations.	People move into safe, stable and permanent housing.

ACTIVITY or PROJECT INFORMATION

ACTIVITY OR PROJECT INFORMATION
Amount of Dover CDBG funds requested for activity/project: \$ 7,500
Provide a very brief summary of the <i>activity or project</i> for which the funds are requested. Keep responses to one or two sentences (i.e. <i>After School Care for K-4th grade students. Repair of homeless shelter roof.</i>) HAVEN will be using these funds for our Staff salary for the case management of our domestic violence housing clients at the 6 unit Housing facility HAVEN at the falls which is a partnership with Dover Housing Authority n Dover NH.

PROJECT LOCATION

Location(s) where services will be provided or physical improvements will be made.

HAVEN at the Falls - a 6-unit Supportive Housing facility through Dover Housing Authority on Whittaker Street in Dover NH.

BENEFICIARIES

Beneficiary type: (e.g. Homeless Individuals, Low-Income Households, etc.) Low Income

Beneficiaries: Domestic violence who are eligible for a housing voucher through Dover Housing Authority that need supportive housing. All are low income.

For FY 2027 (7/1/2026 – 6/30/2027) please provide the *estimated* number of unduplicated Dover beneficiaries that will benefit from this CDBG funded activity or project, not necessarily your entire client population (Note: these numbers will be monitored during the funding year):

HAVEN will provide supportive housing services on-site to the domestic violence survivors and their families (6-10) living in the units at HAVEN at the Falls.

For FY 2025 (7/1/2024 – 6/30/2025) please provide the number of unduplicated Dover beneficiaries that benefited from this activity or program, not necessarily your entire client population:

In FY25 funds were used to partially support our shelter lease costs. Shelter bed nights are hard to predict as it depends on when people leave shelter and availability to shelter those in need. In FY25, 4 dover residents benefited from staying in our shelter with 707 bed nights

Were Dover CDBG funds awarded to fund this activity or project in FY 2026 (7/1/2025 – 6/30/2026):

If so, how much? **\$7,500.00**

DESCRIPTION OF ORGANIZATION
<p>Please provide a description of the organization or agency that is undertaking the activity or project.</p> <p>HAVEN, the largest violence prevention and support services agency in NH, is dedicated to addressing public health through violence prevention and improving the well-being of children and families. Preventing abuse and providing support for those impacted by domestic and sexual violence can lead to healthier and more secure children and adults. Our mission is to prevent sexual assault, domestic violence and stalking and to support and empower women, men, youth and families to heal from abuse and rebuild their lives. HAVEN accomplishes this mission through Prevention Education, Client Services, and Shelter and Housing. Education has a longstanding reputation working with local schools and thousands of kids each year to provide evidence-based programming to increase resiliency. HAVEN’s 24/7 client services program that includes information and referral services; a 24-hour confidential crisis and support hotline; accompaniment and support at police stations, hospital emergency rooms, courts and local Child Advocacy Centers; and support groups. The goal of the client services program is to ensure that individuals and their non-offending family members have access to the support they need and deserve in the after-math of domestic or sexual violence. HAVEN also provides emergency shelter for victims of domestic violence who are in imminent danger and fleeing abuse. The shelter program provides temporary shelter until a domestic violence victim is ready to transition into safe permanent housing. In 2017, HAVEN implemented our Housing First initiative that engages landlords and finds housing for victims who are not in imminent danger but still need safe housing. Survivors work with HAVEN staff in identifying additional support systems, basic needs, and potential barriers related to the survivor’s health and well-being, including transportation and permanent housing. The goal at HAVEN is to prevent family homelessness and keep domestic violence victims in their homes or help transition them into safe and permanent housing. HAVEN utilizes the empowerment model and works with each survivor to determine their individual or family long-term needs. HAVEN has a 45-year proven track record of helping individuals and families impacted by domestic violence to rebuild their lives.</p>

BENEFICIARIES

Beneficiary type: (e.g. Homeless Individuals, Low-Income Households, etc.) Homeless Men, Women and Families

Beneficiaries:

For FY 2025 (7/1/2026 – 6/30/2027) please provide the estimated number of unduplicated Dover beneficiaries that will benefit from this CDBG funded activity or project, not necessarily your entire client population (Note: these numbers will be monitored during the funding year): 30

For FY 2025 (7/1/2024 – 6/30/2025) please provide the number of unduplicated Dover beneficiaries that benefited from this activity or program, not necessarily your entire client population: 30

Were Dover CDBG funds used to fund this activity or project in FY 2026 (7/1/2025 – 6/30/2026): Yes

If so, how much? \$7,700

CLIENT POPULATION

Does your organization have criteria/protocols in place that are used to determine when clients will or will not receive assistance for this program or activity?: Yes No

If yes, are the criteria/protocols in writing?: Yes No

NARRATIVE – PUBLIC SERVICE ACTIVITY OR PROGRAM ONLY

Please provide a detailed description for the proposed activity (*not the organization*). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals. Funds will be applied to general operating cost to run both the Emergency Shelter and the Transitional Housing programs. Historically My Friend's Place sees a good number of Dover residents, the funding off sets monies that would typically be charged to the City Welfare office..

My Friend's Place offers a safe, warm place for a family or individual to stay, as well as basic necessities such as access to our pantry, bath/showers, etc. We also provide case management for every admitted client. Clients through case management will set out goals and steps to obtain those goals. Depending on the individual this plan may be to job search or housing search but it may also include being connected to DHHS for food stamps or Medicaid, or setting up medical appointments for either physical or mental health issues that have not been addressed or treatment has lapsed or just obtaining a medical home. Access to a telephone and online computer to assist them with connecting to a multitude of services, job searching, housing searching, making necessary appointments, etc.

Client's that City Welfare has to put up in a motel, not only costs the city more money than that of the shelter, the city is now burdened with attempting to case manage the client from off site. This is very difficult to do even under the best of circumstances.

98% of individuals who enter My Friend's Place emergency shelter is below the low-income threshold, some have no income at all and most have significant barriers to obtaining permanent affordable housing. My Friend's Place not only takes a monetary burden off the City Welfare Department for these individuals it also provides the necessary on-site case management services that your City Welfare Department would then have to provide to ensure that clients are doing the things they need to do to progress towards permanent housing. Our transitional housing program offers this same service as well, giving the client more time to work on larger barriers. In some cases, it may just be the wait time for public assisted housing; currently this is 18 months to 2 years.

Please indicate who prepared the overall cost estimate for the activity. Susan M. Ford

PERFORMANCE OUTCOME MEASURES

Provide the outcomes proposed & the method of measurement. You may list multiple outcomes.

Outcome	Measurement
Example 1: Decrease in number of “latch-key kids” Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
Decrease the amount of families/individuals Dover City Welfare would have to put up in a motel.	# of Dover Families/Individuals admitted to shelter

DESCRIPTION OF ORGANIZATION

Please provide a description for the organization or agency that is undertaking the activity or project. My Friend's Place provides short term emergency shelter for homeless individuals and families. The average stay for a single person is 90 days while family's stays are 120 to 180 days. Due to our contract with the state, we can no longer mandate case management services. We have therefore put together two options for clients who wish to stay at MFP. Option 1 is to opt out of case management services in which case they are given a 30 day stay and must pay the full 30% of gross income to the shelter for service fees. Example someone staying here and earning \$500 a week will pay \$150 a week in service fees. Option 2 is to work with case management and as long as they are compliant, they are can stay as long as they need to and are compliant with the program. Compliance with the program means weekly, mandatory 30% of income in savings, budget sheets with receipts for purchases, schedules, weekly in person meetings to lay out goals and steps to obtain those goals as long with progress on those steps. We only require to pay 30% of gross or \$100 a week, whichever is lower. The

transitional housing program provides longer term stays for families who have serious obstacles to obtaining permanent housing. Families may stay in this program for up to 2 years

AUDIT AND EVALUATION

Does your organization have an annual CPA audit or other financial statement? Yes

If yes, please submit most recent audit or financial statements as an attachment to this application.

Is your organization evaluated by outside agencies or programs? No

If yes, please note the agency/program and how often the evaluation occurs.

FFATA Checklist (contracts \$30,000 and over)

The Federal Funding Accountability and Transparency Act (FFATA) require the Office of Management and Budget (OMB) to maintain a single, searchable website that contains information on all Federal spending awards. As part of this, the City of Dover's CDBG program requires all agencies that meet the following thresholds to report when the agencies:

- had a gross income, from all sources, over \$300,000 in the agency's previous tax year, and
- have been awarded \$30,000 and over.

Please check box, sign and date below and return form if your agency does not meet the above thresholds.

To Be Filled Out By Dover CDBG Staff	
Award title descriptive of the funding action	
CFDA program number for grant	14.218
Program source	CDBG
Amount of award	
To Be Filled Out By Agency

Total compensation and names of top five executives*	1. Susan Ford, 72,145 Salary (\$83,310 with Fringe) 2. 3. 4. 5.
DUNS number	Sams Number NHTBK7J56F76 expires 10/20/26
Central Contractors Registration (CCR) number**	Cage Code 37NQ5

***Must give total compensation and names of top five executives if:**

(1) More than 80% of annual gross revenues are from the federal government, and those revenues are greater than \$25M annually, and (2) Compensation information is not already available through reporting to the SEC. **Note: Because CCR registration expires annually, grantees are required to update their CCR information annually.

How do you get a DUNS number?

The unique identifier used in reporting to FFATA is the entity's Dun & Bradstreet (D&B) Data Universal Numbering System (DUNS) Number. For subgrantees, OMB has issued interim final guidance requiring such recipients to obtain a valid DUNS number. DUNS numbers may be requested via the web at: <http://fedgov.dnb.com/webform>

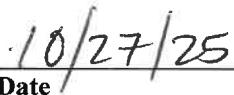

****What is a CCR and how do you register?**

CCR stands for Central Contractor Registration, which is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores, and disseminates data in support of agency acquisition missions.

The link to information needed to register and become familiar with CCR is provided below.

ACTIVITY or PROJECT INFORMATION

ACTIVITY OR PROJECT INFORMATION
Amount of Dover CDBG funds requested for activity/project: \$ 5,000
Provide a very brief summary of the <u>activity or project</u> for which the funds are requested. Keep responses to one or two sentences (i.e. After School Care for K-4th grade students. Repair of homeless shelter roof.) Funding will be used to help provide meals to homebound, low-income, older and disabled Rochester residents. Estimated serving 5,000 meals

PROJECT LOCATION

Location(s) where services will be provided or physical improvements will be made. Meals will be delivered to eligible participants throughout the Dover community.

BENEFICIARIES

Beneficiaries Type: Older, most low-income and low-income disabled adults

Beneficiaries:

For FY 2027 (7/1/2026 – 6/30/2027) please provide the estimated number of unduplicated Dover beneficiaries that will benefit from this CDBG funded activity or project, not necessarily your entire client population (Note: these numbers will be monitored during the funding year): This funding would help provide an average of 83 meals throughout the year, per person for about 60 individuals.

For FY 2025 (7/1/2024 – 6/30/2025) please provide the number of unduplicated Dover beneficiaries that benefited from this activity or program, not necessarily your entire client population: We served 57 individuals with the help of CDBG funds.

Were Dover CDBG funds awarded to fund this activity or project in FY 2026 (7/1/2025 – 6/30/2026):

If so, how much? \$3,121

CLIENT POPULATION

Does your organization have criteria/protocols in place that are used to determine when clients will or will not receive assistance for this program or activity?: Yes No

If yes, are the criteria/protocols in writing?: (OAA & State Regs) Yes No

NARRATIVE – PUBLIC SERVICE ACTIVITY ONLY

Please provide a detailed description for the proposed activity (not the organization). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals.

Strafford Nutrition & Meals on Wheels delivers hot, nutritious meals to older and disabled adults in Strafford County. These funds will be used specifically to deliver meals to qualified Dover residents. Our Federal/State grants only cover about 70% of the cost of a contracted number of units. They require us to raise matching funds from local sources for the difference. In addition, meals served beyond the contracted amounts are not reimbursed at all. The funds requested will be combined with other funding sources to pay for the cost of each home delivered meal provided to 60 Dover residents. It allows us to meet the actual needs of Dover residents, since we are serving more meals than allotted in our state contracts.

Although our clientele must meet certain eligibility requirements, they are not charged a fee for the service. We do ask for regular donation, but eligibility is not contingent on their ability to donate. These meals help free up limited income to be used on other areas such as rents and medical expenses, potentially lessening the need for other welfare services that may be offered by the city.

NARRATIVE – PUBLIC FACILITY PROJECT ONLY

Please provide the following information for the proposed project (not the organization):

Describe the nature of the project:

Describe how the project will ultimately benefit Dover low/moderate income individuals or Dover presumed benefit populations:

Proposed project starting date:

Proposed project completion date:

Provide a total project cost broken down by major phases of the project (purchase property, clearing & grading, foundation, building construction, etc.):

Note: Written estimates, based upon the information provided above, are required and must be submitted with this application. Estimates must be prepared by qualified individuals/companies. Please include three estimates.

PERFORMANCE OUTCOME MEASURES

Provide the outcomes proposed & the method of measurement. You may list multiple outcomes.

Outcome	Measurement
Example 1: Decrease in number of “latch-key kids” Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
More seniors and disabled individuals will be able to stay healthy and independent in their homes longer, without the need for interventions	57 Dover senior and disabled individuals will receive daily hot meals and safety checks.
More seniors will have ample nutrition throughout their day	SNMOW will not have to implement a waiting list throughout the fiscal year 2027

DESCRIPTION OF ORGANIZATION

Please provide a description for the organization or agency that is undertaking the activity or project. Strafford Nutrition & Meals on Wheels has been providing meals and support services to the older and low-income disabled adults in Dover since 1973. Our mission is to help these populations remain independent and safe in their homes by providing them a healthy meal and monitoring for potential issues on a regular ongoing basis.

AUDIT AND EVALUATION

Does your organization have an annual CPA audit or other financial statement? yes

If yes, please submit most recent audit or financial statements as an attachment to this application.

Is your organization evaluated by outside agencies or programs? yes

If yes, please note the agency/program and how often the evaluation occurs. We are annually reviewed by the state, county, several towns, grantors, etc. These evaluations vary in form from reports to in person reviews depending on the source and sometimes the year.

For anyone that does not meet eligibility requirements, Staff will assist with referrals to both public and community resources to make arrangements to secure other shelter or appropriate services as deemed necessary.

NARRATIVE – <u>PUBLIC SERVICE</u> ACTIVITY OR PROGRAM ONLY
Please provide a detailed description for the proposed <u>activity</u> (<i>not the organization</i>). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals.

NARRATIVE – <u>PUBLIC FACILITY</u> ACTIVITY OR PROJECT ONLY
Please provide the following information for the proposed <u>project</u> (<i>not the organization</i>):
Describe the nature of the project: Cross Roads House is proposing to install high-efficiency mini-split cooling units in resident-use areas that routinely become extremely hot during the warmer months. These spaces currently rely on fans and window AC units, which are not energy efficient, take up valuable space, and do not adequately cool the dorms or common areas. The project includes purchasing and installing new mini-split systems, completing any necessary electrical work, and ensuring full code compliance and proper operation.
This project clearly qualifies as an eligible public facility activity under HUD regulations and meets CDBG National Objectives by directly benefiting low- and moderate-income individuals, over 51% of whom are presumed benefit populations. As a core facility that serves Dover residents experiencing homelessness, the project also aligns with the Goals and Objectives of the FY26–FY30 Consolidated Plan by improving the safety, habitability, and essential infrastructure of shelter environments. Cross Roads House has the demonstrated capacity to comply with all HUD-CDBG and Dover requirements

and can begin work within the first year of funding, with full project completion well within the required two-year timeframe.

Describe how the project will ultimately benefit Dover low/moderate income individuals or Dover presumed benefit populations: A significant portion of the residents we serve are low or moderate-income individuals and families from Dover. Overheated indoor spaces pose health and safety risks, especially for children, seniors, and people with medical conditions. Installing reliable, high-efficiency cooling creates a safer living environment, reduces heat-related stress, improves air quality, and supports residents' ability to stabilize and work toward permanent housing. This project directly improves daily living conditions for people who have limited housing options and no control over their environment.

Proposed project starting date: Q1 – specific date pending confirmation of CDBG funds

Proposed project completion date: Q1 – specific date pending confirmation of CDBG funds

Provide a total project cost broken down by major phases of the project (purchase property, clearing & grading, foundation, building construction, etc.):

Cafeteria Split System

1. Equipment: 2 wall mounted units, 1 wall mount, 1 pad & stand
2. Ancillary parts and pieces: 2 drain hoses if necessary, wall mount stand, unit stand, 2 touch control kits, 50 feet lineset
= \$17,359

Men's Phase 2 Split System:

1. Equipment: 1 wall mounted unit, 1 pad & stand
2. Ancillary parts and pieces: 1 drain hose if necessary, unit stand, additional line set, additional white line set covering, 50 feet line set
= \$8,142.54

Women's Phase 2 Split System:

1. Equipment: 1 wall mounted unit, 1 pad & Stand
2. Ancillary parts and pieces: 1 unit stand, drain house duct covering if necessary, additional line set, additional white line set covering, 50 feet lineset
= \$8,142.54

Note: Written estimates, based upon the information provided above, are required and must be submitted with this application. Estimates must be prepared by qualified individuals/companies. Please include three estimates.

Performance Outcome Measures	
Provide the <u>outcomes</u> proposed & the <u>method of measurement</u> . You may list multiple outcomes.	
Outcome	Measurement
Example 1: Decrease in number of “latch-key kids” Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
Improved temperature control in overheated resident areas.	Track daily temperature readings in women’s dorm, men’s dorm and cafeteria before and after installation

<u>DESCRIPTION OF ORGANIZATION</u>	
Please provide a description of the <u>organization or agency</u> that is undertaking the activity or project.	
Cross Roads House is a transitional shelter helping individuals and families find and maintain	

AUDIT AND EVALUATION	
Does your organization have an annual CPA audit or other financial statement?	Yes
If yes, please submit most recent audit or financial statements as an attachment to this application.	
Is your organization evaluated by outside agencies or programs?	Yes
If yes, please note the agency/program and how often the evaluation occurs.	
The State of New Hampshire, through the Bureau of Housing Supports (BHS), audits our program for regulatory and financial compliance. The United Way of the Greater Seacoast conducts organizational and financial reviews during each grant cycle. During funding renewal years, the United Way also conducts site visits. Also, the Planning Departments of the cities of Dover, Rochester, and Portsmouth perform annual reviews for CDBG funds.

Project Agreement Terms and Conditions

Project Agreement Terms and Conditions

The following terms and conditions are incorporated into and a part of the agreement between Contractor and Customer (the "Agreement"):

1. Customer shall permit Contractor free and timely access to areas and equipment and allow Contractor to start and stop the equipment as necessary to perform required services. All planned work under this Agreement will be performed during the Contractor's normal working hours.
2. Contractor warrants that the workmanship hereunder shall be free from defects for thirty (30) days from date of installation. If any replacement part or item of equipment proves defective, Contractor will extend to Customer the benefits of any warranty Contractor has received from the manufacturer. Removal and reinstallation of any equipment or materials repaired or replaced under a manufacturer's warranty will be at Customer's expense and at the rates in effect. **CONTRACTOR MAKES NO OTHER WARRANTIES, EXCEPT AS DESCRIBED HEREIN, AND EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**
3. Contractor may invoice Customer on a monthly basis. Customer will promptly pay invoices within thirty (30) days of receipt. Should a payment become thirty (30) days or more delinquent, Contractor may stop all work under this Agreement without notice and/or cancel this Agreement, and the entire Agreement amount shall become due and payable immediately without notice or demand. In addition, if Contractor does not receive payment of a properly submitted invoice within thirty (30) days, Customer shall accrue a late charge on the balance outstanding at the lesser of (a) 1 1/2% per month or (b) the highest rate allowed by law, in each case compounded monthly to the extent allowed by law.
4. Customer shall be responsible for all taxes applicable to the services and/or materials hereunder.
5. Any alteration to, or deviation from, this Agreement involving extra work, cost of materials or labor will become an extra charge (fixed price amount to be negotiated **or** on a time-and-material basis at Contractor's rates then in effect) over the sum stated in this Agreement.
6. In the event Contractor must commence legal action in order to recover any amount payable or owed to Contractor under this Agreement, Customer shall pay Contractor all court costs and attorneys' fees incurred by Contractor.
7. In the event of a breach by Contractor of the terms of this Agreement, including without limitation Section 2, or in the event Customer incurs any liability in connection with the rendering of services by Contractor, Customer's sole remedy against Contractor shall be for Contractor to re-perform the services in accordance with the warranty or, if such services cannot be re-performed or such re-performance does not cure the breach or the liability, to refund to Customer the amount paid to Contractor under this Agreement, up to Customer's direct damages caused by such breach or liability. Notwithstanding the foregoing, in no event shall the liability of Contractor in connection with any products or services, whether by reason of breach of contract, tort (including without limitation negligence), statute or otherwise exceed the amount of fees paid by Customer to Contractor for those products or services. Further, in no event shall Contractor have any liability for loss of profits, loss of business, indirect, incidental, consequential, special, punitive, indirect or exemplary damages, even if Contractor has been advised of the possibility of such damages. In furtherance and not in limitation of the foregoing, Contractor shall not be liable in respect of any decisions made by Customer as a result of Contractor's services. Any action, regardless of form, against the Contractor relating to this Agreement, or the breach thereof, must be commenced within one (1) year from the date of the work.
8. Contractor shall not be liable for any delay, loss, damage or detention caused by acts or circumstances beyond its control including, without limitation, unavailability of machinery, equipment or materials, delay of carriers, strikes, including those by Contractor's employees, lockouts, civil or military authority, priority regulations, insurrection or riot, war, acts of terrorism, action of the elements, forces of nature, or by any cause beyond its control.
9. To the fullest extent permitted by law, Customer shall indemnify and hold harmless Contractor, its agent and employees from and against all claims, liabilities, damages, losses and expenses (including but not limited to attorneys' fees) arising out of or resulting from the performance of work hereunder or any act or omission arising out of or related to this Agreement, provided that such claim, damage, loss or expense is caused in whole or in part by an active or passive act or omission of Customer, anyone directly or indirectly employed by Customer, or anyone for whose acts Customer may be liable, regardless of whether it is caused in party by the negligence of Contractor. Further, and notwithstanding the preceding sentence, Contractor shall be held harmless and shall not be liable to Customer for any claims, liabilities, damages, losses, and expenses related to mold or to the creation of mold at Customer's location(s) and shall have no obligation to treat, identify or remove such mold.
10. Customer shall make available to Contractor's personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA'S Hazard Communication Standard Regulations if requested.
11. Contractor's obligation under this proposal and any subsequent contract does not include the identification, abatement or removal of asbestos, mold or any other toxic or hazardous substances, hazardous wastes or hazardous materials. In the event such substances, wastes and materials are encountered, Contractor's shall have the right thereafter to suspend its work until such

substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted. As previously provided, Contractor shall be held harmless and shall not be liable for any claims, liabilities, damages, losses and expenses related to such substances, wastes and materials, including the failure to identify or notify Customer of such substances, wastes and materials.

12. This Agreement is between Contractor and Customer alone, and neither intends that there be any third-party beneficiaries to this Agreement. Without limiting the generality of the foregoing, by entering into this Agreement and providing services on Customer's behalf, Contractor is not assuming any duty or obligation to any of Customer's employees, vendors, clients, subcontractors, agents, shareholders, partners or members. Customer agrees to indemnify and hold Contractor harmless from and against any and all liabilities, losses, claims, costs, expenses and damages (including without limitation reasonable attorneys' fees) incurred by Contractor by reason of a claim brought against Contractor by any of Customer's employees, vendors, clients, subcontractors, agents, shareholders, partners or members with respect to the services provided by Contractor on Customer's behalf.

13. Each of the parties hereto is an independent contractor and neither party is, nor shall be considered to be, an agent, distributor or representative of the other. Neither party shall act or present itself, directly or indirectly, as an agent of the other or in any manner assume or create any obligation on behalf of, or in the name of, the other.

14. These terms and conditions, together with the attached documents, constitutes the entire agreement and understanding among the parties hereto and supersedes any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. It sets forth the terms for the provision of any products or services Contractor may provide Customer, whether in connection with the particular engagement that is identified as the subject of this Agreement or otherwise, unless and until a written instrument is signed by an authorized representative of Contractor agreeing to different terms. This Agreement shall not be assignable by Customer without the express prior written consent of Contractor. This Agreement shall be governed by and construed in accordance with the laws of the State where Contractor's headquarters are located, without giving effect to that State's conflicts of laws principles.

15. All accepted proposals will need to be returned to GSPH with the agreement page signed and dated along with all Supplemental and Terms & Conditions pages initialed.

16. The services and materials included in this proposal are valid for 30 days from above date. In the event of significant delay or price increase of material or equipment occurring between the date of this proposal and the date of execution of the Subcontract through no fault of Granite State plumbing and heating, the contract sum, contract schedule, and contract requirements shall be equitably adjusted in the Subcontract. A change in price of an item of material or equipment shall be considered significant when the price of an item increases >5% percent between the date of this proposal and the date of execution of the Subcontract.

Project Agreement Terms and Conditions

Project Agreement Terms and Conditions

The following terms and conditions are incorporated into and a part of the agreement between Contractor and Customer (the "Agreement"):

1. Customer shall permit Contractor free and timely access to areas and equipment and allow Contractor to start and stop the equipment as necessary to perform required services. All planned work under this Agreement will be performed during the Contractor's normal working hours.
2. Contractor warrants that the workmanship hereunder shall be free from defects for thirty (30) days from date of installation. If any replacement part or item of equipment proves defective, Contractor will extend to Customer the benefits of any warranty Contractor has received from the manufacturer. Removal and reinstallation of any equipment or materials repaired or replaced under a manufacturer's warranty will be at Customer's expense and at the rates in effect. **CONTRACTOR MAKES NO OTHER WARRANTIES, EXCEPT AS DESCRIBED HEREIN, AND EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**
3. Contractor may invoice Customer on a monthly basis. Customer will promptly pay invoices within thirty (30) days of receipt. Should a payment become thirty (30) days or more delinquent, Contractor may stop all work under this Agreement without notice and/or cancel this Agreement, and the entire Agreement amount shall become due and payable immediately without notice or demand. In addition, if Contractor does not receive payment of a properly submitted invoice within thirty (30) days, Customer shall accrue a late charge on the balance outstanding at the lesser of (a) 1 1/2% per month or (b) the highest rate allowed by law, in each case compounded monthly to the extent allowed by law.
4. Customer shall be responsible for all taxes applicable to the services and/or materials hereunder.
5. Any alteration to, or deviation from, this Agreement involving extra work, cost of materials or labor will become an extra charge (fixed price amount to be negotiated **or** on a time-and-material basis at Contractor's rates then in effect) over the sum stated in this Agreement.
6. In the event Contractor must commence legal action in order to recover any amount payable or owed to Contractor under this Agreement, Customer shall pay Contractor all court costs and attorneys' fees incurred by Contractor.
7. In the event of a breach by Contractor of the terms of this Agreement, including without limitation Section 2, or in the event Customer incurs any liability in connection with the rendering of services by Contractor, Customer's sole remedy against Contractor shall be for Contractor to re-perform the services in accordance with the warranty or, if such services cannot be re-performed or such re-performance does not cure the breach or the liability, to refund to Customer the amount paid to Contractor under this Agreement, up to Customer's direct damages caused by such breach or liability. Notwithstanding the foregoing, in no event shall the liability of Contractor in connection with any products or services, whether by reason of breach of contract, tort (including without limitation negligence), statute or otherwise exceed the amount of fees paid by Customer to Contractor for those products or services. Further, in no event shall Contractor have any liability for loss of profits, loss of business, indirect, incidental, consequential, special, punitive, indirect or exemplary damages, even if Contractor has been advised of the possibility of such damages. In furtherance and not in limitation of the foregoing, Contractor shall not be liable in respect of any decisions made by Customer as a result of Contractor's services. Any action, regardless of form, against the Contractor relating to this Agreement, or the breach thereof, must be commenced within one (1) year from the date of the work.
8. Contractor shall not be liable for any delay, loss, damage or detention caused by acts or circumstances beyond its control including, without limitation, unavailability of machinery, equipment or materials, delay of carriers, strikes, including those by Contractor's employees, lockouts, civil or military authority, priority regulations, insurrection or riot, war, acts of terrorism, action of the elements, forces of nature, or by any cause beyond its control.
9. To the fullest extent permitted by law, Customer shall indemnify and hold harmless Contractor, its agent and employees from and against all claims, liabilities, damages, losses and expenses (including but not limited to attorneys' fees) arising out of or resulting from the performance of work hereunder or any act or omission arising out of or related to this Agreement, provided that such claim, damage, loss or expense is caused in whole or in part by an active or passive act or omission of Customer, anyone directly or indirectly employed by Customer, or anyone for whose acts Customer may be liable, regardless of whether it is caused in party by the negligence of Contractor. Further, and notwithstanding the preceding sentence, Contractor shall be held harmless and shall not be liable to Customer for any claims, liabilities, damages, losses, and expenses related to mold or to the creation of mold at Customer's location(s) and shall have no obligation to treat, identify or remove such mold.
10. Customer shall make available to Contractor's personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA'S Hazard Communication Standard Regulations if requested.
11. Contractor's obligation under this proposal and any subsequent contract does not include the identification, abatement or removal of asbestos, mold or any other toxic or hazardous substances, hazardous wastes or hazardous materials. In the event such substances, wastes and materials are encountered, Contractor's shall have the right thereafter to suspend its work until such

substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted. As previously provided, Contractor shall be held harmless and shall not be liable for any claims, liabilities, damages, losses and expenses related to such substances, wastes and materials, including the failure to identify or notify Customer of such substances, wastes and materials.

12. This Agreement is between Contractor and Customer alone, and neither intends that there be any third-party beneficiaries to this Agreement. Without limiting the generality of the foregoing, by entering into this Agreement and providing services on Customer's behalf, Contractor is not assuming any duty or obligation to any of Customer's employees, vendors, clients, subcontractors, agents, shareholders, partners or members. Customer agrees to indemnify and hold Contractor harmless from and against any and all liabilities, losses, claims, costs, expenses and damages (including without limitation reasonable attorneys' fees) incurred by Contractor by reason of a claim brought against Contractor by any of Customer's employees, vendors, clients, subcontractors, agents, shareholders, partners or members with respect to the services provided by Contractor on Customer's behalf.

13. Each of the parties hereto is an independent contractor and neither party is, nor shall be considered to be, an agent, distributor or representative of the other. Neither party shall act or present itself, directly or indirectly, as an agent of the other or in any manner assume or create any obligation on behalf of, or in the name of, the other.

14. These terms and conditions, together with the attached documents, constitutes the entire agreement and understanding among the parties hereto and supersedes any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. It sets forth the terms for the provision of any products or services Contractor may provide Customer, whether in connection with the particular engagement that is identified as the subject of this Agreement or otherwise, unless and until a written instrument is signed by an authorized representative of Contractor agreeing to different terms. FINANCIAL STATEMENTS

June 30, 2025 and 2024

With Independent Auditor's Report

BDMP Assurance, LLP

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Cross Roads House, Inc.

Opinion

We have audited the accompanying financial statements of Cross Roads House, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the 2025 financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

Basis for Opinion

We conducted our audit in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of the Organization as of and for the year ended June 30, 2024 were audited by Berry, Dunn, McNeil & Parker, LLC whose report, dated November 4, 2024, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Organization

Cross Roads House, Inc. (the Organization), was organized March 24, 1982, under the laws of the State of New Hampshire. Operations of the Organization commenced on January 1, 1984. The purpose of the Organization is to provide safe and supportive emergency and transitional shelter to individuals and families experiencing homelessness in southeastern New Hampshire.

1. Summary of Significant Accounting Policies

A summary of the Organization's significant accounting policies consistently applied in the preparation of the accompanying financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) follows:

Basis of Presentation

Net assets and revenues, expenses, gains and losses are classified as follows based on the existence or absence of donor-imposed restrictions:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions are to be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. At June 30, 2025 and 2024, the Organization did not have any funds to be maintained in perpetuity. At June 30, 2025 and 2024, the balance in net assets with donor restrictions was made up entirely from net assets that are temporarily restricted in nature from a single donor. The funds are to be used to fund clothing and shoe purchases for residents.

All contributions are considered to be contributions without donor restrictions unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as increases in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Contributions with donor restrictions whose restrictions are met in the same year as received are reflected as net assets without donor restrictions in the accompanying financial statements.

The Organization reports contributions of property or equipment as support without donor restrictions, unless explicit donor stipulations specify how the donated assets must be used. Contributions of long-lived assets with explicit restrictions that specify how the assets are to be used and contributions of cash or other assets that must be used to acquire long-lived assets are reported as contributions for long-term purposes with donor restrictions. Absent explicit donor stipulations about how those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash

The Organization considers all highly liquid investments with an original maturity date of less than three months to be cash equivalents for the purposes of the statements of cash flows. At June 30, 2025 and 2024, the Organization did not have any funds considered to be a cash equivalent.

Grants Receivable

Grants receivable is stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to current year earnings and a credit to a valuation allowance based on its analysis of the Organization's past history and identification of trends for all funding sources in the aggregate. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the grant receivable. As of June 30, 2025 and 2024, management determined an allowance for uncollectible accounts was not necessary for grants receivable.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at their estimated value at date of receipt. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets as follows:

<u>Description</u>	<u>Estimated Lives</u>
Land improvements	15 years
Buildings and building improvements	15 - 40 years
Furniture, equipment and vehicles	7 - 10 years

Investments

Investments are stated at fair value, with the difference between cost and fair value being included in unrealized gains (losses) on investments. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade date basis. Realized gains (losses) on investments sold are calculated using the average cost method.

CROSS ROADS HOUSE, INC.

Notes to Financial Statements

June 30, 2025 and 2024

Change in Net Assets from Operations

The statements of activities includes a measure of change in net assets from operations. Changes in net assets which are excluded from change in net assets from operations include investment return, net of investment fees.

Functional Allocation of Expenses

The costs of the various programs and other activities have been summarized on a functional basis. Accordingly, costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Organization is a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code (Code) and is exempt from income taxes on related income pursuant to Section 501(a) of the Code.

Subsequent Events

For purposes of the presentation of these financial statements in conformity with U.S. GAAP, the Organization has considered transactions or events occurring through September 30, 2025, which was the date that the financial statements were available to be issued.

2. Availability and Liquidity of Financial Assets

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to optimize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and a line of credit, as disclosed in Note 6.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities and general and administration, as well as the conduct of services undertaken to support those activities to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

CROSS ROADS HOUSE, INC.

Notes to Financial Statements

June 30, 2025 and 2024

The following financial assets are expected to be available within one year of the statements of financial position date to meet general expenditures:

	<u>2025</u>	<u>2024</u>
Cash	\$ 3,111,531	\$ 2,670,774
Grants receivable	188,319	505,942
Investments	<u>4,559,094</u>	<u>3,479,469</u>
	<u>7,858,944</u>	6,656,185
Less amounts not available for general expenditure	<u>(4,559,094)</u>	<u>(3,479,469)</u>
Financial assets available within one year for general expenditure	<u>\$ 3,299,850</u>	<u>\$ 3,176,716</u>

The Organization has board-designated investments that are intended to support general operations at the discretion of the Board of Directors. Since the Board of Directors does not currently intend to use these board-designated investments and is expected to maintain these funds for a long-term purpose, they have not been included in the information above.

3. Property and Equipment

Property and equipment consisted of the following:

	<u>2025</u>	<u>2024</u>
Land	\$ 213,195	\$ 213,195
Land improvements	4,071	4,071
Buildings and building improvements	<u>6,377,799</u>	6,154,329

Property and equipment, net	<u>\$ 4,352,977</u>	<u>\$ 4,298,314</u>

4. Beneficial Interest in an Agency Fund

The Organization is a beneficiary of an agency fund maintained at the New Hampshire Charitable Foundation (NHCF). Pursuant to the terms of the resolution establishing this agency fund, property contributed by the Organization to NHCF is held as a separate fund designated for the benefit of the Organization. The Board of Directors of NHCF do not have the power to redesignate the funds contributed by the Organization. At June 30, 2025 and 2024, the estimated value of the future distributions from the agency fund in the amount of \$164,806 and \$154,076, respectively, is included in the statements of financial position as beneficial interest in an agency fund.

CROSS ROADS HOUSE, INC.

Notes to Financial Statements

June 30, 2025 and 2024

5. Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.
- Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Assets measured at fair value on a recurring basis are summarized below:

Fair Value Measurements at June 30, 2025 Using:					
	Total	Level 1	Level 2	Level 3	
Investments					
Cash equivalents	\$ 1,068,773	\$ 1,068,773	\$ -	\$ -	
Equity securities	1,728,594	1,728,594	-	-	
Exchange traded funds	1,658,068	1,658,068	-	-	
Mutual funds	<u>103,659</u>	<u>103,659</u>	<u>-</u>	<u>-</u>	
Total investments	<u>\$ 4,559,094</u>	<u>\$ 4,559,094</u>	<u>\$ -</u>	<u>\$ -</u>	
Beneficial interest in an agency fund	<u>\$ 164,806</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 164,806</u>	

CROSS ROADS HOUSE, INC.

Notes to Financial Statements

June 30, 2025 and 2024

	Fair Value Measurements at June 30, 2024 Using:			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments				
Cash equivalents	\$ 490,234	\$ 490,234	\$ -	\$ -
Equity securities	1,501,719	1,501,719	-	-
Exchange traded funds	1,340,816	1,340,816	-	-
Mutual funds	<u>146,700</u>	<u>146,700</u>	<u>-</u>	<u>-</u>
Total investments	<u>\$ 3,479,469</u>	<u>\$ 3,479,469</u>	<u>\$ -</u>	<u>\$ -</u>
Beneficial interest in an agency fund	<u>\$ 154,076</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 154,076</u>

The fair value of the Organization's beneficial interest in an agency fund is categorized as a level 3 measurement because the interest is not marketable. The fair value of the assets held in the agency fund is based on the quoted market prices of the underlying assets. Due to the level of risk associated with the fair value of the underlying securities and the level of uncertainty related to changes in their value, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of financial position. Changes in fair value of the Organization's beneficial interest in the agency fund consisted of:

	<u>2025</u>	<u>2024</u>
Balance, beginning of year	\$ 154,076	\$ 142,633
Investment return	16,747	17,790
NHCF fee	(510)	(940)
Distributions	<u>(5,507)</u>	<u>(5,407)</u>
Balance, end of year	<u>\$ 164,806</u>	<u>\$ 154,076</u>

6. Line of Credit

The Organization has established a \$300,000 line of credit with Provident Bank with a current interest rate of 7.5%. The interest rate is directly tied to the Wall Street Journal Prime Rate with no margin. Accordingly, any changes to this rate will change the Organization's line of credit rate. There was no outstanding balance as of June 30, 2025 and 2024.

CROSS ROADS HOUSE, INC.

Notes to Financial Statements

June 30, 2025 and 2024

7. Long-Term Debt

Long-term debt consisted of the following:

	<u>2025</u>	<u>2024</u>
Note payable to Provident Bank, due in monthly installments of \$1,293 including interest at 4.69%, through August 2037; collateralized by real estate.	\$ 145,249	\$ 153,684
Note payable to Provident Bank, due in monthly installments of \$953 including interest at 5.62%, through August 2037; collateralized by real estate.	<u>93,043</u>	<u>98,986</u>
Less current portion	238,292	252,670
Less unamortized debt issuance costs	<u>13,865</u>	<u>13,066</u>
	<u>1,962</u>	<u>2,124</u>
Long-term debt, net	<u>\$ 222,465</u>	<u>\$ 237,480</u>

Future minimum principal payments of long-term debt are as follows:

2026	\$ 13,865
2027	14,712
2028	15,577
2029	16,564
2030	17,576
Thereafter	<u>159,998</u>
	<u>\$ 238,292</u>

Cash paid for interest approximates interest expense.

8. Concentration of Credit Risk

For the years ended June 30, 2025 and 2024, approximately 43% and 39%, respectively, of revenue and support of the Organization was derived from government grants.

9. Greenleaf Apartments

The Organization owned a 12-unit single room occupancy building in Portsmouth, New Hampshire. The property was sold for \$550,000 in May 2024, resulting in a gain on the sale of property of \$149,691.

NARRATIVE – <u>PUBLIC FACILITY</u> ACTIVITY OR PROJECT ONLY
Please provide the following information for the proposed <u>project</u> (<i>not the organization</i>):
Describe the nature of the project: Through the Rental Unit Rehabilitation Program, landlords may receive grant or loan funding to renovate their rental properties and address critical health, safety, and maintenance needs. In exchange for financial assistance, participating owners agree to maintain affordable rents and ensure continued access for income-qualified households, including those participating in rental assistance programs. Eligible improvements may include the correction of code violations, energy-efficiency upgrades, and other measures that extend the life of existing housing stock. By investing in these properties, the City is helping prevent the loss of affordable units and ensuring that Dover's neighborhoods remain inclusive, stable, and livable for all residents.
Describe how the project will ultimately benefit Dover low/moderate income individuals or Dover presumed benefit populations : Rental units that participate in the program would be restricted, for a certain time frame, to occupancy by households/individuals that qualify as moderate, low or very low income with rent capped at certain levels.
Proposed project starting date: July 1 st , 2026
Proposed project completion date: June 30 th , 2028
Provide a total project cost broken down by major phases of the project (purchase property, clearing & grading, foundation, building construction, etc.): Required improvements will vary from unit to unit. The bulk of the funds will be used for construction related costs. If the nature of the improvements requires that occupants be temporarily relocated, all costs associated with relocation will be paid from this allocation.
Note: Written estimates, based upon the information provided above, are required and must be submitted with this application. Estimates must be prepared by qualified individuals/companies. Please include three estimates.
Costs for rehab will vary from unit to unit depending upon the nature of the improvements necessary to address critical health, safety, and maintenance needs.

PERFORMANCE OUTCOME MEASURES	
Provide the <u>outcomes</u> proposed & the <u>method of measurement</u>. You may list multiple outcomes.

Example 1: Decrease in number of “latch-key kids” Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
Increase number of existing rental units that are eligible for housing assistance and occupied by moderate, low or very low income households/persons.	Three existing rental units are improved to become eligible for housing related assistance and are occupied by income qualified households/persons

DESCRIPTION OF ORGANIZATION
Please provide a description of the <u>organization or agency</u> that is undertaking the activity or project. City of Dover – Dover is committed to fostering a vibrant, inclusive community by expanding access to quality, affordable housing and supporting thoughtful, long-term growth. Central to the city’s vision is ensuring that homes are attainable for households across a wide range of income levels. Dover prioritizes a diverse mix of housing options—including single-family homes, small multi-family buildings, and safe, well-maintained rental units—to meet the evolving needs of its residents. Through strategic planning and targeted improvements, Dover aims to remove barriers, expand housing choice, and enhance quality of life for those with disabilities and others who face housing challenges. With a skilled team, strong partnerships, and a commitment to community-driven goals, the City advances projects that reinforce both the city’s economic health and its vision for a more inclusive, affordable, and welcoming Dover.

Provide a very brief summary of the activity or project for which the funds are requested. Keep responses to one or two sentences (i.e. *After School Care for K-4th grade students. Repair of homeless shelter roof.*) Repaving and expanding on our driveway/parking at the shelter

PROJECT LOCATION

Location(s) where services will be provided or physical improvements will be made. Emergency Shelter is located at 368 Washington Street, Dover, NH 03820.

BENEFICIARIES

Beneficiary type: (e.g. Homeless Individuals, Low-Income Households, etc.) Homeless Men, Women and Families

Beneficiaries:

For FY 2025 (7/1/2026 – 6/30/2027) please provide the estimated number of unduplicated Dover beneficiaries that will benefit from this CDBG funded activity or project, not necessarily your entire client population (Note: these numbers will be monitored during the funding year): 30

For FY 2025 (7/1/2024 – 6/30/2025) please provide the number of unduplicated Dover beneficiaries that benefited from this activity or program, not necessarily your entire client population: 30

Were Dover CDBG funds used to fund this activity or project in FY 2026 (7/1/2025 – 6/30/2026): Yes

If so, how much? \$7,700

CLIENT POPULATION

Does your organization have criteria/protocols in place that are used to determine when clients will or will not receive assistance for this program or activity?: Yes No

If yes, are the criteria/protocols in writing?: Yes No

NARRATIVE—PUBLIC SERVICE ACTIVITY OR PROGRAM ONLY

Please provide a detailed description for the proposed activity (not the organization). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Dover low-moderate income individuals. Funds will be applied to repaving and expanding our parking area at the shelter. We are seeing more and more clients with cars and expect this to increase with the motor vehicle inspections no longer being required in the state. We are hoping to add three parking spots along our fence area that cars are not parking on the grass. We also wish to add a paved driveway from the base of the driveway to the back of the barn to allow access to that storage area in the winter as well as allow for over flow parking during an event or meeting at the shelter. Currently, over flow parking for guests or visitors are on the side of Brookline Ave as there is no parking on either side of Washington St. This project will not change the way the shelter appears from the road other than cars that are now parked on the grass along the fence will be on pavement.

Please indicate who prepared the overall cost estimate for the activity. Susan M. Ford

NARRATIVE—PUBLIC FACILITY ACTIVITY OR PROJECT ONLY

Please provide the following information for the proposed project (not the organization):

Describe the nature of the project: Repaving/Expanding our parking area at the shelter

Describe how the project will ultimately benefit Dover low/moderate income individuals or Dover presumed benefit populations: currently we have limited parking and have had to tell clients that came with vehicles that due to space issue they could not keep their car here, this puts an undue strain on clients who do not have supports in the community to store their vehicle elsewhere. To limit this we have had cars on a regular basis assigned to a grassed in area of our property adjacent to the parking spots.

Proposed project starting date: As soon as funds are made available and schedules in paving company allows.

Proposed project completion date: Within 5 days of project start date

Provide a total project cost broken down by major phases of the project (purchase property, clearing & grading, foundation, building construction, etc.): Removal of existing asphalt, remove grass and top soil from areas that will be paved, Install and compact crushed gravel for base, Pave area with 3" of asphalt, Compact the asphalt with a 2 year guarantee on workmanship. 40K.

Note: Written estimates, based upon the information provided above, are required and must be submitted with this application. Estimates must be prepared by qualified individuals/companies. Please include three estimates.

PERFORMANCE OUTCOME MEASURES

Provide the outcomes proposed & the method of measurement. You may list multiple outcomes.

Outcome	Measurement
Example 1: Decrease in number of "latch-key kids" Example 2: Decreased dependence on emergency care facilities for non-emergency care of low/mod adults	Example 1: # of children who participate in afterschool program Example 2: Increase in number of low/mod income residents that seek care from health program.
Decrease the number of cars parked on grass areas or on the side of the road.	# of times cars from shelter are parked anywhere other than the pavement on the property.

DESCRIPTION OF ORGANIZATION

Please provide a description for the organization or agency that is undertaking the activity or project. My Friend's Place provides short term emergency shelter for homeless individuals and families. The average stay for a single person is 90 days while family's stays are 120 to 180 days. Due to our contract with the state, we can no longer mandate case

management services. We have therefore put together two options for clients who wish to stay at MFP. Option 1 is to opt out of case management services in which case they are given a 30 day stay and must pay the full 30% of gross income to the shelter for service fees. Example someone staying here and earning \$500 a week will pay \$150 a week in service fees. Option 2 is to work with case management and as long as they are compliant, they are can stay as long as they need to and are compliant with the program. Compliance with the program means weekly, mandatory 30% of income in savings, budget sheets with receipts for purchases, schedules, weekly in person meetings to lay out goals and steps to obtain those goals as long with progress on those steps. We only require to pay 30% of gross or \$100 a week, whichever is lower. The transitional housing program provides longer term stays for families who have serious obstacles to obtaining permanent housing. Families may stay in this program for up to 2 years

AUDIT AND EVALUATION

Does your organization have an annual CPA audit or other financial statement? Yes

If yes, please submit most recent audit or financial statements as an attachment to this application.

Is your organization evaluated by outside agencies or programs? No

If yes, please note the agency/program and how often the evaluation occurs.

FFATA Checklist (contracts \$30,000 and over)

The Federal Funding Accountability and Transparency Act (FFATA) require the Office of Management and Budget (OMB) to maintain a single, searchable website that contains information on all Federal spending awards. As part of this, the City of Dover's CDBG program requires all agencies that meet the following thresholds to report when the agencies:

- had a gross income, from all sources, over \$300,000 in the agency's previous tax year, and
- have been awarded \$30,000 and over.

Please check box, sign and date below and return form if your agency does not meet the above thresholds.

DUNS number	Sams Number NHTBK7J56F76 expires 10/20/26
Central Contractors Registration (CCR) number**	Cage Code 37NQ5

***Must give total compensation and names of top five executives if:**

(1) More than 80% of annual gross revenues are from the federal government, and those revenues are greater than \$25M annually, and (2) Compensation information is not already available through reporting to the SEC. **Note: Because CCR registration expires annually, grantees are required to update their CCR information annually.

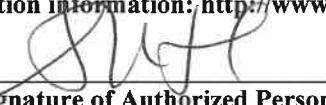

How do you get a DUNS number?

The unique identifier used in reporting to FFATA is the entity's Dun & Bradstreet (D&B) Data Universal Numbering System (DUNS) Number. For subgrantees, OMB has issued interim final guidance requiring such recipients to obtain a valid DUNS number. DUNS numbers may be requested via the web at: <http://fedgov.dnb.com/webform>

****What is a CCR and how do you register?**

CCR stands for Central Contractor Registration, which is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores, and disseminates data in support of agency acquisition missions. The link to information needed to register and become familiar with CCR is provided below.

Please provide a detailed description for the proposed <u>activity</u> (<i>NOT THE ORGANIZATION</i>). This section should describe the use of funds, why the funds are needed and how the funds will ultimately benefit Rochester low-moderate income individuals.
<p>The Weatherization Assistance Program (WAP) reduces energy costs for low-income households by increasing the energy efficiency of their homes while ensuring their health and safety. Through this project, we aim to serve low-income households in the city of Dover. Our target population are individuals and families most at-risk for high energy costs who do not have the means to make cost-effective energy conservation improvements to their homes. WAP collaborates with the electric and natural gas utilities' energy efficiency programs to enhance the weatherization services provided to low-income households.</p> <p>The weatherization process begins with an energy audit of the home by a certified energy auditor and includes inspecting and testing of the home and its appliances to determine if improvements can be made to save money on electric and fuel expenses. If improvements are found to be cost-effective, an installation crew performs insulation, air sealing and mechanical improvements, which will reduce household energy expenditures and increase comfort, safety and the health of the home's occupants.</p> <p>Activities include using tests and procedures developed with or approved by Eversource, Unitil and the U.S. Department of Energy to determine the combination of appropriate measures such as blower door testing, combustion testing, CO testing, gas leak testing, and/or ventilation and moisture testing of the building envelope. Weatherization and life safety measures may include:</p>

- Insulation
- Furnace repair or replacement
- Window and door repair or replacement
- Low-flow faucets and shower heads
- Water heater improvements
- Air sealing
- Weatherstripping
- Pipe insulation
- Refrigerator replacement
- LED lighting conversion
- Mechanical ventilation as required by ASHRAE 62.2 (2016)
- Smoke and CO detectors with 10-year battery life
- Incidental repairs as outlined in the NH Weatherization Field Guide, 2019 Edition
- Other Health and Safety measures as outlined in the NH Weatherization Field Guide

CDBG funding for WAP benefits Dover residents with low or very low incomes in several ways, including:

1. Allowing CAPSC to make improvements to building systems and structures (e.g. health and safety issues and incidental repairs) that cannot be performed using other funding sources, but must be repaired for the site to be eligible for Weatherization funding.
2. Allowing Dover projects to comply with the leveraging requirements mandated by Weatherization funding.
3. Addressing emergency issues not requiring whole-home Weatherization.
4. Allowing CAPSC to provide assistance during times of the year when other funding sources are not available.
5. Increasing affordable housing stock in Rochester by reducing the operational costs of housing for low-income families.
6. Effectively leveraging approximately \$1 for each dollar invested by the City of Rochester from other funding sources.

Due to funding limitations, there is currently a higher demand for Weatherization services than can be met. CDBG funding helps supplement the federal and state funds for Weatherization, allowing CAPSC to serve more homes.

Please indicate who prepared the overall cost estimate for the activity. Costs of the project are determined based on the need of Dover residents and the type of job required. The estimate is prepared by the Weatherization Manager and approved in accordance with the funding sources used to complete the project.

NARRATIVE – PUBLIC FACILITY ACTIVITY OR PROJECT ONLY

1. Improve the financial position of clients by increasing the energy efficiency of their homes.	1. Savings-to-investment ratios based on Department of Energy home energy modeling
2. Decrease the number of homes with safety concerns.	2. # of homes audited and weatherized.
3. Increase affordable housing stock in Dover.	3. # of individuals/families remaining in their homes.

DESCRIPTION OF ORGANIZATION

Please provide a description of the organization or agency that is undertaking the activity or project.

At Community Action Partnership of Strafford County (CAPSC), we strongly believe no one should go without having their basic needs met. As the leading anti-poverty agency in Strafford County, we strive to empower individuals and families to achieve self-sufficiency by opening the doors to resources and opportunities that offer a hand up, not a handout. When we achieve this goal, we reduce the impact of poverty and build a stronger community.

Our mission at CAPSC is to reduce barriers to help clients improve their economic stability and well-being through education, advocacy, and partnerships. In accordance with its mission, CAPSC offers over 60+ coordinated programs designed to have a measurable impact on poverty and health status among our community's most vulnerable residents, specifically children under the age of six, disabled, seniors and those experiencing low incomes. Programs include nutrition, housing, fuel and electrical assistance, weatherization, parent and child education, childcare, and transportation, all of which are locally defined, planned and managed in partnership with other community agencies. All programs are designed to increase self-sufficiency and help clients become socially and financially independent. CAPSC's goal is to interrupt the cycle of poverty and empower at-risk children, working families and seniors to live more secure, stable and healthier lives.

CAPSC is governed by a volunteer Board of Directors, one-third of whom are consumers of services. We have nearly 150 employees and a nearly \$20 million operating budget which includes federal, state, and local funds in addition to foundation and United Way grants, fees for service, and individual and corporate donations.

AUDIT AND EVALUATION
Does your organization have an annual CPA audit or other financial statement? Yes
If yes, please submit most recent audit or financial statements as an attachment to this application. attached
Is your organization evaluated by outside agencies or programs? Yes
If yes, please note the agency/program and how often the evaluation occurs.
CAPSC is evaluated by the Region One Office of Head Start; Department of Health and Human Services; NH Office of Strategic Initiatives (OSI); Eversource; Unitil; and the United Way for program and financial performance. Evaluations occur annually at minimum. The Weatherization program is evaluated annually to ensure the program is following all federal guidelines. Each Weatherization job is audited to ensure all Weatherization measures are done correctly. The most recent Weatherization audit occurred in June, 2025
