Dover Police Department

AND

The Dover School District: SAU #11

THE DOVER POLICE DEPARTMENT and THE DOVER SCHOOL DISTRICT: SAU #11 enter into the following agreement for a *School Resource Officer* to serve the needs of the school district, specifically at the **Dover Middle School**. The term of this agreement is 2024/2025 school year beginning in September of 2024 and ending in June of 2025.

School Resource Officer Philosophy Statement: The Dover Police Department School Resource Officers work cooperatively with the Dover School Department Administration and Staff to create a healthy and safe environment while building positive relationships with students by providing guidance and mentorship as an integral part of the school community. Activities such as making arrests are not the primary function of the position and are done only when other alternatives are not available.

1.0. Goals and Objectives

It is understood and agreed that Dover School District and the Dover Police Department officials share the following goals and objectives regarding the School Resource Officer (SRO) program in the schools.

1.1. To deter acts of violence, address threats to safety and promote an atmosphere of safety and order for students and faculty members through the use of school discipline and enforcement of local, state and federal laws, and town ordinances.

1.2. To provide opportunities for educational programs and prevention activities found beneficial to promoting good citizenship, health, and welfare, that will increase student knowledge of the criminal justice system and respect for the law and the function of law enforcement agencies and other related topics.

1.3. Establish and maintain collaborative and open communications among key school personnel, i.e. administration, staff, central office.

1.4. To support the SRO's efforts as a positive role model in cultivating positive relationships and strengthening each student's understanding of good citizenship and accountability for their actions.

1.5. To foster and promote a positive understanding, attitude and approach toward the rule of law, a healthy lifestyle, and law enforcement.

1.6. To immediately respond to, mitigate and resolve active and imminent threats to the safety and security of the school by maintaining a visible police presence on

campus, assessing threats to school security, reducing and eliminating such threats, and swiftly responding to any immediate threats or breaches of security.

1.7. To recognize the school district as primarily responsible for the administration of discipline and maintaining order within the schools.

1.8. To prevent, deter, and investigate crime or attempted crime on the school campus including the possession and/or use of weapons on campus, the illegal possession, sale and/or distribution of controlled substances, alcohol, contraband and other crimes and/or violations of law.

1.9. To address criminal activity and violations of law by students through the collaborative administration of school discipline and/or referral to the criminal justice system.

2.0. Cooperative Efforts

2.1. The presence of the SRO at the school is not intended to usurp the rights and responsibilities of the principal or designee to enforce the rules of the student conduct code and/or to administer discipline in the school.

2.2. By mutual agreement, the parties acknowledge that not every criminal act or violation of law will be handled through the criminal justice system. There will be times when the administration of typical school discipline will be sufficient to address behaviors that may constitute crimes/violations.

2.3. The existence of any school or school district policies, the student conduct code and any related disciplinary process is not intended to nor shall it usurp the mandates and responsibilities of the SRO as directed by the policies of the Dover Police Department and/or the laws of the State of New Hampshire or Attorney General Guidelines.

2.4. In deciding when to resort to the criminal justice system in lieu of, or in addition to school discipline, the principal or their designee and the SRO shall collaborate about the best path forward in a particular situation.

3.0. Responsibilities and Duties of School Resource Officers

3.1. The Dover Police Department will assign a full-time SRO to the Dover Middle School District. The SRO is a sworn Dover Police Officer assigned to provide the law

enforcement expertise and resources to assist school staff in maintaining safety, order, and discipline within their assigned schools. The SRO will be considered an active member of the School community. The SRO will serve by mutual agreement of the school district and the police department.

3.2. The SRO's schedule will be determined by the SRO's supervisor, but will generally be during the school day including peak arrival and departure times before and after school. Whenever possible, the SRO will be visible patrolling the interior and exterior of the school grounds, particularly during the opening and closing of School and during the lunch periods.

3.3. The police department will notify the principal or their designee of the Dover Middle School when they will be absent from the campus. The SRO should also notify the police department when they leave the school campus.

3.4. The SRO will wear a standard uniform and carry all related authorized and issued police equipment while on duty unless otherwise authorized by a police supervisor for a specific purpose.

3.5. The SRO will assist with training the school administrators in law enforcement related matters. They will also share information about crime trends and changes in laws relevant to schools. Information may be disseminated to the school administration to assist them in effectively establishing and maintaining a safe school environment.

3.6. By mutual agreement between parties, SROs may provide law enforcement, criminal justice, substance use/health, harm reduction, personal safety/security and motor vehicle related instruction that will enhance the student's understanding of the police mission as well as student health, welfare, safety/security and promote good citizenship. During any classroom instruction time a teacher shall remain in the room. Responding to incidents or conducting investigations will always take precedence over instructing in the classroom.

3.7. Programs, classes, speaking engagements, and/or visitations conducted in schools by other members of the Police Department should be coordinated with the SRO to avoid redundant services and to ensure equitable distribution of such programs and services.

3.8. SROs are required to keep the school administration apprised of criminal, to the extent allowable under the law, and non-criminal situations encountered, current crime trends, problem areas, or other areas of concern, which have potential for disruption in the school or within the community. The SRO will work in conjunction with the school administration and/or other police departments and schools, if regional, in developing

plans to prevent and counteract such activities at the school.

3.9. The SRO will not be primarily responsible for the enforcement of school and/or administrative rules or regulation violations. However, the SRO should maintain familiarity with the Dover School District's Student Code of Conduct. Unless requested by a school administrator the SRO will not attend disciplinary meetings with students or parents.

3.10. The SRO will be responsible for maintaining custody of illegal substances and/or contraband pending proper disposal in accordance with police department regulations.

3.11. Illegal, illicit controlled substances/drugs or other illegal/illicit items such as but not limited to weapons, dangerous and or illegal devices, items or instruments of destruction or harm or that poses or may pose a threat to public health and safety including the fruits and or instrumentalities of a crime obtained or observed by school staff will be immediately surrendered to or brought to the attention of an SRO or other Dover Police Department official.

3.12. Information of any nature obtained or observed by school staff in connection with their official school duties and responsibilities as employees of the Dover School District including but not limited to digital information contained on a mobile device, displayed via any social media application or information obtained directly or indirectly from a student or other person that constitutes a crime under NH law or that may impact life safety shall be provided to an SRO or other appropriate Dover Police Department official as soon as practical. School staff shall only obtain the minimal facts and information necessary to determine whether information regarding a crime or potential crime should be reported to an SRO or other Dover Police Department official. School staff shall not conduct inquiries beyond minimal facts in cases that involve a crime or potential or alleged criminal acts. Once information is developed regarding a crime or possible crime or an allegation of a crime is developed by school staff no further inquiry shall be made by school staff pending an official investigation by the Dover Police Department except in exigent circumstances when it is necessary to protect a person from imminent serious bodily injury.

3.13 The SRO will coordinate the Dover Police Department's DARE program, teach DARE classes, and provide anti-bullying and cyber safety programming to students, staff and parents.

4.0. Supervision of SRO

4.4 The SRO Supervisor should encourage open lines of communication between the school and the Police Department. The SRO Supervisor should meet with the school principal(s) at least three times during each school year. If possible, the initial SRO supervisor/principal meeting should be held prior to the start of the school year and be devoted to reviewing school/Police Department expectations and clarifying any policies/procedures that might be in question. The second meeting should occur mid-year and involve evaluating the SRO's performance as well as identifying and resolving of any concerns.

4.5 The principal and Police Department will collaborate while selecting a new SRO to discuss any special needs or concerns at their school.

5.0 Responsibilities and Duties of School Principal

5.1 It is the responsibility of the principal or his/her designee to facilitate effective communications between the SRO and the school staff. The principal of the school or his/her designee shall meet on a regular basis with the assigned SRO.

5.2 The principal or his/her designee is responsible for immediately reporting to the SRO; acts of theft, destruction, or violence as defined in New Hampshire R.S.A. 193-D entitled "Safe School Zones." In addition to the requirements of 193-D, the principal shall immediately report the following conduct to the SRO; any conduct involving firebombs, explosive or incendiary materials or devices, hoax or otherwise, or chemical bombs on a school bus, on school property, or at a school sponsored activity; any threats or false threats to bomb made against school personnel or involving school property and/or school buses.

5.6 The principal shall meet with the SRO Supervisor and the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance.

6.0. Investigation and Questioning of Students

6.1. When it becomes necessary for an SRO or any other law enforcement officer to interview a student on school premises, the principal (or designee) should be contacted whenever practicable. The interview will be conducted pursuant to state law and attorney general guidelines.

7.0 Arrest Procedures

7.1 SROs are expected to be familiar with school rules and their application with the school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal (or designee) for action. Any questions related to the enforcement of rules versus laws within the school should be discussed with the principal. This specifically applies to general standards of conduct.

7.2 The arrest of a student or employee of the school with a warrant or petition should be coordinated with the principal and accomplished after school hours, whenever practical. The Dover Police Department will strive to avoid the arrest of any student or staff on school property when school is in session; however, both parties recognize situations may occur when the arrest of a student or school employee must occur on school property while school is in session.

7.3 The SRO will enforce the laws of the State of New Hampshire through the application of discretion and in cooperation with school administration to reach a resolution which provides the best outcome for the school community. School level administrative discipline such as detention or suspension for violations of school policy shall not be handed down by the School Resource Officer.

The standard for the search is reasonable suspicion.

8.2 The SRO should not become involved in administrative (school related) searches unless specifically requested by the school for security, protection, or handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request an administrative search be conducted for law enforcement purposes or have the administrator act as his/her agent.

9.0 Administrative Hearings

9.1 The SRO will attend suspension and/or expulsion hearings upon request of the school principal. He/she will be prepared to provide testimony on any actions that were taken by the officer and any personally observed conduct witnessed by the officer.

10.0 Sharing Information

10.1 Consistent with the basic tenets of the relationship between the school principal and the SRO described in this Memorandum of Understanding, open communication is essential to effectiveness. SROs should exchange information with the school principal regarding students' involvement in criminal activity when the safety of any students and/or staff is at risk in and around the school. This may be limited to that which relates to and contributes to the safety of the school, the student, and/or the community.
