## TEEN SUMMER READING PROGRAM

**Program runs from  
June 23 - Aug. 2**

# WHO CAN SIGN UP?

Teens entering grades 6-12 are welcome to participate in this program.

If you're younger, no worries! We have a program for children (5th grade & under) as well.

# HOW TO SIGN UP

Register at any time starting June 23 at 9am. When you sign up in person, you'll get a calendar to keep track of the hours you spend reading, volunteering, and doing physical activities. You can also sign up on the Beanstack app.

# HOW IT WORKS

Register for the program and receive a reading log calendar where you can record your reading and activity times. We will also be using the Beanstack app to record time digitally.

For every two hours spent reading, volunteering, or doing physical activities (biking, swimming, hiking - whatever gets you moving!) you'll receive a raffle ticket that you can use to enter for a prize. Add up your time, then bring your reading log to the Library's Information Desk to check in with Emily and receive your raffle tickets and prizes!

# PRIZES

We will be offering prize raffles every week during the program, so be sure to check in frequently to receive your raffle tickets! Prizes include gift cards to local businesses, a giant stuffed goose, Jellycats, books, games, and more!

# EVENTS

We have loads of events planned for the summer including tie-dying, yoga, candle making, improv, coffee tasting, and more! We will also have many all ages programs to tie into this year's theme. For a complete list of events, visit [library.dover.nh.gov/events](https://library.dover.nh.gov/events) or ask a librarian!
