# WINTER READING BINGO CHALLENGE

Mark on your Bingo board the number of days read (does not need to be consecutive) and each activity completed below. Your first Bingo earns you a scratch ticket with a chance to win a gift card to Hi-Fi Burritos, Juniper Kitchen, or Two Bees Cafe (while supplies last). You will also earn a raffle ticket that enters you into our Grand Prize raffle of \$50 Dover Dollars. Fill your entire Bingo board and be entered twice!

## Activity #1: Do something that brings you joy

Whether it's a hobby or hanging with friends, find some time to do something that makes you smile and warms your heart.

I did something that brought me joy

## Activity #2: Support a local business

Dover has so much to offer! Try a new restaurant or visit a store you've never been to this winter season. You may find a new favorite spot.

I visited a local business

## Activity #3: Play in the snow

Be like a penguin and make snow your favorite! Build a snowman, have a snowball fight, go sledding or ice skating - enjoy the snow! (And, no, shoveling doesn't count.)

I played in the snow

## Activity #4: Borrow an online item

Use the Libby app to get magazines, ebooks, and audiobooks straight to your phone or tablet. Looking for a movie to unwind with? Find something to watch on Kanopy! All free using your library card.

**To get started, click on the "Stream & Download" button at the bottom of the library's home page.**

I borrowed an online item

## Activity #5: Visit a Little Free Library

There are over 15 Little Free Libraries in Dover. DPL fills the Henry Law and Mineral Park locations. Take a book, or leave one to share with others. You can find a map of their whereabouts at [littlefreelibrary.org](http://littlefreelibrary.org).

I visited a Little Free Library

## Activity #6: Check out from the McConnell Center

Starting Feb. 3 we'll be located in the McConnell Center. Take a trip to see our temporary space (visit [tinyurl.com/DPLrenovation](http://tinyurl.com/DPLrenovation) for a map) and check out a book or talk to a librarian about placing a request if you don't find what you're looking for.

**See what's available to check out by visiting the "Catalog" page under the "Borrow" tab on our website.**

I checked out an item from the McConnell Center

## Activity #7: Attend a library event

From storytimes and lectures to crafts and book clubs, there's a lot to do at the library! Many events will take place at the McConnell Center, but be sure to check our calendar to see if it is being held virtually or at another location.

**See what events we have going on by visiting the "Calendar" page under the "Events" tab on our website. You can pick up a calendar at the library, too.**

I attended a library event

## Activity #8: Reserve a museum pass

Visit one of the 14 museums we have discounted or free passes to this winter! Museum passes are generously funded by our Friends of the Dover Public Library group.

**To see a full list of our museum passes and make a reservation, click on the "Museum Passes" button at the bottom of the library's home page.**

I reserved a museum pass

## Activity #9: Try a staff pick

If you're in a book rut and don't know what to read next, leave it to your librarians! Try one of the many books we have on our staff picks display, choose a book from the 2024 Librarian's Choice list or ask us for a recommendation. We love sharing our favorites!

I tried a staff pick
