

Dover High School and Career Technical Center Monthly Construction Report No. 19

April 2, 2018

TABLE OF CONTENTS

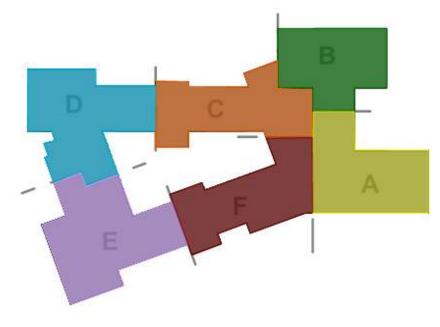

- A. Executive Summary
 - 1. Construction Documents Area Breakout Plan
 - 2. Construction Progress Highlights
 - 3. Critical Issues
 - 4. Summary
- B. Construction Status
 - 1. Schedule Building Phase Plan
 - 2. Monthly Construction Schedule Update
 - 3. 3-Week Look Ahead Schedule
 - 4. Schedule Impacts
 - 5. Progress Photos

C. Design Coordination

- 1. RFI's
- 2. Submittals
- 3. Architectural Supplemental Instructions
- D. Safety
 - 1. Safety Status
- E. Project Financial Status
 - 1. Procurement Update
 - 2. Current Contract Summary
 - 3. Change Order Management
 - 4. Contingency Usage
 - 5. Allowance Usage
 - 6. Billed to Date

A. Executive Summary:

1. Construction Documents Area Breakout Plan

Area A

Ground - Auditorium, Band, Food Service First - Culinary Kitchen/Dining Second - CTC Labs/Classrooms, Staff Dining

Second - CTC Labs/Classion

Area B

Ground - Gymnasium, Alt PE, Locker Rooms First - CTC Salon, Labs

Second - Life Sciences

► Area C

Ground - MEP, Weight Room, Team rooms, Marketing First - Library, SPED, NJROTC, Offices, Guidance Second - Business CR's, SPED CR's, Typical CR's

Area D

Ground - N/A

First - Building Construction, Electrical, Wood Working, Typical CR's, Art Second - Typical CR's, Sciences & Labs

Area E

Ground - N/A

First - Typical CR's, Photography, Earth Science, Welding, Auto, CTE Offices/Admin Second - Typical CR's, Sciences & Labs

► Area F

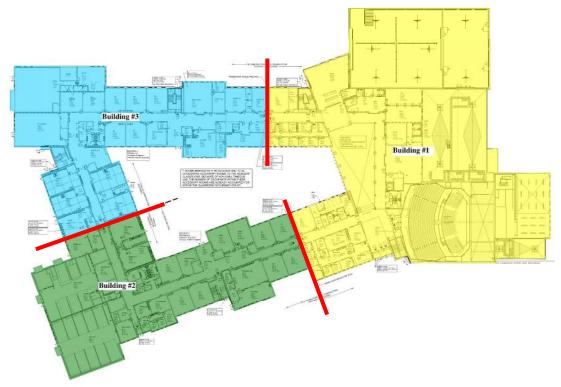

Ground - Town Square

First - SPED CR's, Pre-Engineering, Photo, Typical CR's, Admin, Nurse, Main Entry Second - Computer, Typical CR's

- 2. Construction Progress Highlights
 - Permanent lighting is energized in Building C
 - Flushing of hot and chilled water is on-going
 - Aud clouds are complete and lifts are being removed
 - Gym wood floor installation is on-going
 - Exterior Alum Door installation has begun
 - Ceramic wall tile installation is progressing throughout
- 3. Critical Issues
 - Manpower for electricians and finish trades.
- 4. Summary
 - The project is currently proceeding smoothly. Safety has been good to date.

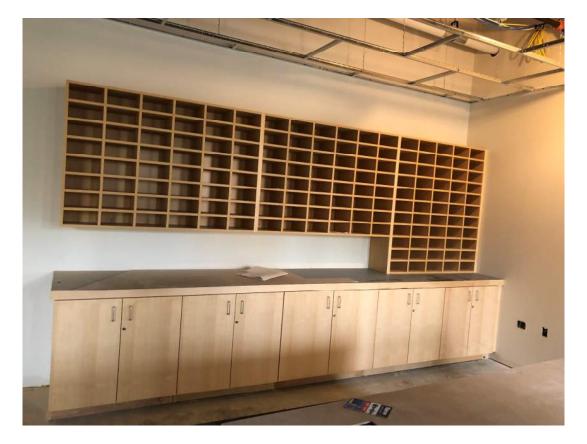

B. Construction Status:

- 1. Schedule Phase Plan
 - For scheduling purposes, the building is separated into three areas Building 1, Building 2 and Building 3. These are defined as separate areas separated by a fire rated expansion joint.

- 2. Monthly Schedule Update -3/30/18 update provided.
- 3. Three-Week Look Ahead Schedule Distributed weekly
- 4. Schedule Impacts
 - Analyzing impact due to volume of changes to documents.

- 5. Progress PhotosMail Room Millwork

Auditorium Cloud Progress •

- Guidance Suite Millwork •
- Gymnasium Progress

C. Design Coordination:

- 1. RFI Status
 - Submitted (731)
 - Open (07)
 - Critical (02)
- 2. Submittals
 - Submitted (865)
 - Open (09)
 - Critical (00)
- 3. ASI's & PR's
 - Issued (174)

D. Safety Update:

1. PC has a site specific safety program in place for this project. Every worker who comes on site is required to be oriented to the project rules and expectations. Safety has been good to date.

PC's on-site safety specialist does a weekly audit and provide the team with a safety score from 0 to 100. Below are the most recent scores.

Week of 03/05/18 = 88 Week of 03/12/18 = 82 Week of 03/19/18 = 73 Week of 03/26/18 = 91

E. Project Financial Status:

rocui	ement Opdate: Letters of Recommendation (Ly	OK S) issued and
٠	02.01 Demolition & Asbestos Abatement	\$	2,193,895
٠	03.01A Concrete Foundations	\$	1,800,000
٠	03.01B Concrete Flatwork	\$	2,019,559
٠	04.01 Masonry	\$	3,450,000
٠	05.01 Structural Steel	\$	6,400,000
٠	05.02 Miscellaneous Metals	\$	755,350
٠	06.01A Architectural Millwork	\$	409,199
٠	06.01B Laboratory Equipment	\$	159,090
٠	06.01C Laboratory Casework	\$	989,575
٠	07.01 Below Grade Waterproofing	\$	41,600
٠	07.01 Air & Vapor Barrier	\$	445,770
٠	07.02 Roofing and Flashing	\$	1,770,000
٠	07.03 Applied Fireproofing	\$	328,320
٠	07.05 Firestopping	\$	54,750
٠	08.01 Doors, Frames & Hardware	\$	570,897
٠	08.02 Windows, Storefront & Curtainwall	\$	2,935,827

1. Procurement Update: Letters of Recommendation (LOR's) Issued and Signed
