FOR IMMEDIATE RELEASE

DOVER, NH, May 2, 2021 - Chief William Breault of the Dover Police Department announces the investigation into a fatal motor vehicle collision.

On May 2, 2021, at approximately 11:11 AM, police and fire units responded to the intersection of Washington Street and Chestnut Street for a collision involving a car and a motorcycle. The initial investigation revealed a forty-four year old female Dover resident had been travelling westbound on Washington Street in gray 2016 Toyota Prius when she attempted to turn left onto Chestnut Street in front of a white 2010 Aprilia RSV4 motorcycle operated by Chester Yung, age 44, of Dover that had been travelling eastbound on Washington Street. The Aprilia collided with the Prius, causing extensive damage to both vehicles. Due to the severity of the collision, bystanders immediately began rendering first aid to Mr. Yung. Dover Fire & Rescue transported Mr. Yung to the Wentworth-Douglass Hospital where he later succumbed to his injuries. Mr. Yung had been wearing a helmet at the time of the collision. The intersection was closed for several hours.

This investigation is being conducted by the Dover Police Department's Special Investigations Unit. Anyone with additional information regarding this incident is asked to contact Detective Sergeant Mark Nadeau. Media inquiries concerning this case can be directed to the on duty shift commander at 603-742-4646.
