

## JBC Monthly Status Report – February

### GES Building Project

- The February 27 meeting was held at Garrison School so the JBC could tour the temporary classrooms located in the gym. The Garrison School staff was commended for their flexibility during the transition.
- The abatement process went better than expected and results will be available soon.
- Furnishings, Fixtures, and Equipment (FF & E) samples will be available soon. There will a “show and try” day scheduled for products.
- Security was discussed at the most recent meeting.
