

JBC Monthly Status Report – September 2016

DHS–CTC Building Project

- The city hired Michael Brooks as the Clerk of the Works for the project.
- Display Boards with project information will be set up at the school administrative office, the city hall, the high school, the middle school and the McConnell Center.
- PC Construction's Monthly Progress Report will now be available each month on the DHS-CTC Building Project webpage page. September's report is posted.
