

JBC Monthly Status Report – July and August

DHS–CTC Building Project

- The DHS/CTC received occupancy permits and staff and students were allowed to move into the new building.
- Teachers and other staff members attended the Teacher Return Day presentations in the new auditorium and all were impressed with the results.
- Punch list work continues, and workers are on site in the evening hours after students and staff have left the building.
- Progress continues to be made on the Animal Science building and it was expected to open after Labor Day.
- Parents will be able to perform self-guided tours at the DHS Open House on September 13.
- The Masons will perform a Cornerstone Ceremony at the new high school on September 21 at 6 pm before a home football game.
- A ribbon-cutting ceremony will occur on Friday, October 12.
- Tours will occur on November 23.
